(1) All payments of money made to any person, partnership, association or corporation upon any agreement or contract, or any series or combination of agreements or contracts, which has for a purpose the furnishing or delivery of cemetery merchandise, or services of any nature in connection with the final disposition of a dead human body, for future use at a time determinable by the death of the person whose body is to be disposed of, are held to be trust funds. The person, partnership, association or corporation receiving the payments shall deposit within thirty (30) days of receipt thereof all payments in a trust account with a financial institution. The trustee shall be the financial institution holding said funds. All of the interest, dividends, increases or accretions of whatever nature earned by the funds deposited in a trust account shall remain with the principal of such account and become a part thereof, subject to all of the regulations concerning the principal of said fund herein contained.

(2) All trust funds mentioned in this section shall be deposited in the name of the cemetery company, with the financial institution as trustee, within thirty (30) days after receipt thereof, with a financial institution and shall be held together with the interest, dividends, or accretions thereon, in trust, subject to the provisions of this Act. The person at the time of making deposit or investment shall furnish to the financial institution the name of each payor, and the amount of payment on each account for which the deposit or investment is being made.

(3) All payments made under the agreement contract or plan are and shall remain trust funds with the financial institution, until the financial institution receives a certified statement from the cemetery company stating the delivery of all merchandise by attachment to the realty, or permanent installation of the merchandise has been completed and full performance of all services called for by the agreement, contract or plan, except where payment is made pursuant to a request for a refund or cancellation under this Act.

(4) Deposits to such funds and the amounts deposited may be commingled, but the accounting records shall establish a separate account for each prepaid contract and shall show amounts deposited and the income and loss occurring thereon with respect to each contract.

(5) The trustee may rely upon all certifications and affidavits made pursuant to or required by the provisions of this Act, and shall not be liable to any person for such reliance.

(6) Any person selling a pre-need cemetery merchandise contract shall collect from each purchaser a service charge of five dollars ($5), made payable to the attorney general's office, and all of which fees so collected shall be remitted by the person collecting them to the attorney general at least once each month, and such funds shall be used by the attorney general in administering this chapter.

SECTION 7. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

(1) If for any reason a person who has entered into a contract for the sale of cemetery merchandise and has made deposits to the trust fund herein required to be made cannot or does not provide the cemetery merchandise called for by the contract after request in writing to do so, the purchaser or his heirs or assigns or duly authorized representatives shall be entitled to receive the following: the deposit to the credit of that particular contract, all income those funds have earned; and from the cemetery, the remainder of the

purchase price. Written instruction to the trustee to refund the amount of money on deposit, or an affidavit by either the purchaser or one of his heirs or assigns or duly authorized representative, stating that the cemetery merchandise was not provided shall be sufficient authority for the trustee to make refund of the deposit monies to the person submitting the affidavit. The trustee shall not be held responsible for any such refunds made on account of the person's written direction or an affidavit submitted in accord with this section. However, nothing herein contained shall relieve any person from any liability for nonperformance of the contract terms. Except, however, in the event such person cannot deliver the cemetery merchandise sold because of a national emergency, the provision of this paragraph shall not apply.

Section 8. KRS 307.170 is repealed and re-enacted as a new section of KRS Chapter 367 and amended to read as follows:

(1) No person, except a cemetery company, [~~or a religious society, municipal corporation or fraternal burial association~~] shall engage in the business of the construction for sale, sale reservation or contract for sale or otherwise commercially deal in the development or sale of mausoleum or underground crypts or columbariums.

(2) *Before a sale, contract for sale, reservation for sale or agreement for sale* [~~Every person intending to engage in the sale~~] of a mausoleum crypt, underground crypt, or columbarium niche prior to the completion of the construction thereof, *the cemetery company* shall give notice in writing to the *attorney general* [~~department~~] of the commencement of such sale at least thirty (30) days prior thereto *and register with the attorney general. Such registration shall be on forms provided by the attorney general.*

(3) Every person engaged in the sale of a mausoleum crypt, underground crypt or columbarium niche shall commence construction thereof within *twelve (12)* [~~thirty-six (36)~~] months of the date of such sale and shall complete such construction within *thirty-six (36)* [~~seventy-two (72)~~] months of the date of such sale. *A* [~~Failure to so commence or complete construction shall entitle any purchaser, on demand, to recover all sums paid on the purchase price, plus interest thereon at the rate of six percent per annum; provided, however, that any~~] delay caused by strike, shortage of materials, civil disorder, natural disaster or any like occurrence beyond the control of such person shall extend the time of such commencement and completion by the length of such delay.

(4) A cemetery company which plans to offer for sale space in a section of a mausoleum or bank of underground crypts prior to its construction shall establish a preconstruction trust account. The trust account shall be administered and operated in the same manner as the merchandise trust account provided for in this chapter and shall be exclusive of the merchandise trust account or such other trust accounts or funds that may be required by law.

(5) The cemetery company shall place seventy-five percent (75%) of all payments of money made to any person pursuant to any agreement, contract or any series or combination of agreements or contracts which are for the purchase of sections in a mausoleum, columbarium, or any kind of underground crypt which at the time of the payment of money have not been completely and totally constructed, in a trust fund account in a financial institution within thirty (30) days of receipt thereof.

(6) All trust funds mentioned in this section shall be deposited in the name of the cemetery company, with the financial institution as trustee, within thirty (30) days after receipt thereof, with a financial institution and shall be held together with the interest, dividends, or accretions thereon, in trust, subject to the provisions of this Act. The person at the time of making deposit or investment shall furnish to the financial institution the name of each payor, and the amount of payment on each account for which the deposit or investment is being made.

(7) Deposits to such funds and the amounts deposited may be commingled, but the accounting records shall establish a separate account for each prepaid contract and shall show amounts deposited and the income and loss occurring thereon with respect to each contract.

(8) All payments made to the preconstruction trust fund account shall remain in the trust fund with the financial institution until the financial institution receives a certified statement from the cemetery company stating that the particular project for which the preconstruction trust fund has been established is totally completed. However, during the construction of the mausoleum or bank of crypts, the trustee may, in his discretion, authorize a specific percentage of the funds to be withdrawn when it appears that at least an equivalent percentage of construction has been completed.

(9) A trustee may rely upon all certifications and affidavits made pursuant to or required by the provisions of this Act, and shall not be liable to any person for such reliance.

(10) If a mausoleum section or bank of underground crypts is not completed within the time limits set out in this Act, the financial institution acting as trustee, if any, shall contract for and cause said project to be completed and paid therefor from the trust account funds deposited to the project's account, paying any balance, less cost and expenses, to the cemetery company. In the event there is no corporate trustee, the attorney general shall appoint a committee to serve as trustees to trust account funds deposited to the project's account, paying any balance, less cost and expenses, to the cemetery company.

(11) If it is determined by the trustee that there is not enough money in the trust fund account to complete the project, the trustee shall make a refund of all monies held to all purchasers, or his heirs or

assigns, in the amount of the deposit to the credit of their particular contract and all income those funds have earned. The purchasers shall be entitled to receive any remainder of the purchase price paid from the cemetery company. However, nothing herein contained shall relieve any person from any liability for nonperformance of the contract terms. Except, however, in the event such person cannot construct the project because of a national emergency, the provisions of this subsection shall not apply.

(12) Upon written notification to the cemetery company, the personal representative of any purchaser of such space who dies before completion of construction shall be entitled to a refund of all monies paid into the preconstruction trust fund for such space, including any income earned thereon, and from the cemetery, the remainder of the purchase price paid.

(13) Any person selling preconstruction mausoleum, columbarium or underground crypt contracts shall collect from each purchaser a service charge of five dollars ($5) made payable to the attorney general's office, and all of which fees so collected shall be remitted by the person collecting them to the attorney general at least once each month, and such funds shall be used by the attorney general in administering this chapter.

Section 6. KRS 307.140 is repealed and re-enacted as a new section of KRS Chapter 367 and amended to read as follows:

(1) Whenever any person, except a religious society, municipal corporation, fraternal or nonprofit burial association, shall accept money in connection with a sale, a contract for sale or a series of contracts or agreements for the sale of cemetery merchandise, that person shall deposit in a trust fund established for that purpose with a *financial institution* [~~bank or trust company~~] authorized by law to administer trust funds, within ninety (90) days following the close of that person's fiscal year an amount equal to the procurement cost of the cemetery merchandise plus 10 percent of that cost, divided by a denominator equal to the number of years of the term of the sale contract; provided, however, any sale, contract or agreement for the sale of cemetery merchandise, the terms of which require payment in full within twenty-four (24) months or less and delivery of the cemetery merchandise within ninety (90) days of the final payment thereon shall be excluded from the requirements of this section.

$$\frac{\text{procurement cost} + (.10 \times \text{procurement cost})}{\text{number of years of contract}} = \begin{array}{c}\text{Trust}\\ \text{Deposit}\end{array}$$

(2) In any year in which any cemetery merchandise shall be paid for in full, the person making the sale shall deposit in the trust fund an amount which, when added to previous deposits, is sufficient to equal 110 percent of procurement cost as computed in the year in which such final payment is received.

(3) The person making the sale shall determine and substantiate by wholesale price list of a manufacturer or supplier of the cemetery merchandise sold by that person, or by a cost analysis of cemetery merchandise manufactured by that person, which cost in any case, shall be adjusted and verified annually to the department, to reflect any change in procurement cost.

(4) When the person making the sale shall certify in detail to the trustee that an item of cemetery merchandise has been delivered to the purchaser, the trustee shall disburse the then procurement cost of that item to the person making the sale.

(5) For purposes of this section, procurement cost shall be determined to be the cost of the item of

cemetery merchandise as of January 1 of the year in which the sale occurs or in which the contract for sale is entered into, and for the purposes of subsection (1) of this section, shall be the basis for the annual deposits required, except that in the year in which final payment is received upon any contract for sale, the person making the sale shall deposit an amount sufficient, when added to previous deposits, to equal the procurement cost in that year plus 10 percent of that cost.

(6) The principal and net income deposited to the merchandise trust fund shall remain therein and be reinvested and compounded.

(7) In any year in which the total of funds held in a merchandise trust fund shall exceed procurement cost plus 10% of such cost of all items of cemetery merchandise sold and undelivered, the trustee shall, upon written request of the person making the sales, disburse to such person such excess funds to the extent only of interest earned on such fund.

(8) Every trustee under this section shall be authorized to invest the funds deposited with him as a prudent man and in accordance with the powers, duties and authority conferred upon such trustee under the laws of Kentucky.

(9) If for any reason a person who has entered into a contract for the sale of cemetery merchandise and has made the deposits to the trust fund herein required to be made cannot or does not provide the cemetery merchandise called for by the contract after request in writing to do so, the purchaser or his heirs or assigns or duly authorized representative shall have the right to provide the cemetery merchandise and shall be entitled to receive the deposit to the credit of that particular contract upon delivery of the cemetery merchandise. Written instruction to the trustee to refund the amount of money on deposit, or an affidavit by either the purchaser or one of his heirs or assigns or duly authorized representative, stating that the cemetery merchandise was not provided shall be sufficient authority for the trustee to make refund of the deposit moneys to the person submitting the affidavit. The trustee shall not be held responsible for any such refunds made on account of the person's written direction or an affidavit submitted in accord with this section. However, nothing herein contained shall relieve any person from any liability for nonperformance of the contract terms. Except, however, in the event such person cannot deliver the cemetery merchandise sold because of a national emergency, the provisions of this *subsection* [~~paragraph~~] shall not apply.

(10) *(a) The person making a sale under this section shall have the trust fund bonded by a professional or commercial bonding company.*

(b) If the person cannot obtain bonding, the person shall send to the attorney general each month a copy of each sales contract of a pre-need cemetery sale with full purchase price stated therein, and shall send to the attorney general each month a payment of five dollars ($5) for each said contract entered into to be used by the attorney general in administering this chapter [~~The person creating the fund shall, within 105 days following the close of his fiscal year, file a financial report of the merchandise trust fund with the department, setting forth the principal, the investments and payments made, and the income earned and disbursed~~].

Section 7. KRS 307.170 is repealed and re-enacted as a new section of KRS Chapter 367 and amended to read as follows:

(1) [~~No person, except a cemetery company or a religious society, municipal corporation or fraternal burial association shall engage in the business of the construction for sale, sale reservation or contract for sale or otherwise commercially deal in the development or sale of mausoleum or underground crypts or columbariums.~~

~~(2)~~] Every *cemetery company before engaging in a sale, contract for sale, reservation for sale or agreement for* [~~person intending to engage in the~~] sale of a mausoleum crypt *within a mausoleum*, underground crypt *within a crypt section*, or columbarium niche *within a mausoleum* prior to the completion of the construction thereof, shall give notice in writing to the *attorney general* [~~department~~] of the commencement of such sale at least thirty (30) days prior thereto *and register with the attorney general. Such registration shall be on forms provided by the attorney general.*

(2)[~~(3)~~] Every *cemetery company* [~~person~~] engaged in the sale of a mausoleum crypt, underground crypt or columbarium niche shall commence construction thereof within *twenty-four (24)* [~~thirty-six (36)~~] months of the date of such sale and shall complete such construction within *sixty (60)* [~~seventy-two (72)~~] months of the date of such sale. *A* [~~Failure to so commence or complete construction shall entitle any purchaser, on demand, to recover all sums paid on the purchase price, plus interest thereon at the rate of six percent per annum; provided, however, that any~~] delay caused by strike, *national emergency*, shortage of materials, civil disorder, natural disaster or any like occurrence beyond the control of such person shall extend the time of such commencement and completion by the length of such delay. *This subsection shall not apply to the sale of mausoleum crypts, underground crypts or columbarium niches if there has been any sale in the same project prior to the effective date of this Act. Prior projects shall be subject to the time limits set out in the law in effect prior to this Act.*

(3) Every cemetery company who plans to offer for sale space in a section of a mausoleum or bank of underground crypts prior to its construction shall establish a preconstruction trust account. The trust account shall be administered and operated in the same manner as the merchandise trust account provided for in this chapter and shall be exclusive of the merchandise trust account or such other trust accounts or funds that may

be required by law.

(4) Every cemetery company shall place thirty-six percent (36%), not including interest or finance charges, of all payments of money made to any cemetery company pursuant to any agreement, contract or any series or combination of agreements or contracts which are for the purchase of section(s) in a mausoleum, columbarium, or any kind of underground crypt which at the time of the payment of money have not been completely and totally constructed, in a trust fund account in a financial institution within thirty (30) days after each calendar quarter of operations. Excepted therefrom, however, are cemetery companies which have constructed in the past their own mausoleum using primarily equipment owned by the self-constructing cemetery company and their own personnel with a minimum of subcontracting, and in that event there shall be deposited a minimum of twenty percent (20%) of all payments of money, subject, however, to the actual cost. If, from project to project, their actual cost is in excess of twenty percent (20%), the full cost percentage shall be deposited from project to project, not to exceed thirty-six percent (36%). At the time of notification to the attorney general's office the self-constructing mausoleum cemetery company shall also notify the attorney general that he intends to self-construct and the percentage of contribution of trust that is required.

(5) All trust funds mentioned in this section shall be deposited in the name of the cemetery company depositing said funds, with the financial institution as trustee, and shall be held together with the interest, dividends, or accretions thereon, in trust, subject to the provisions of this Act. The cemetery company at the time of making deposit or investment shall furnish to the financial institution the name of each payor, and the amount of payment on each account for which the deposit or investment is being made.

(6) Deposits to such funds and the amounts deposited may be commingled, but the accounting records shall establish a separate account for each prepaid contract and shall show amounts deposited and the income and loss occurring thereon with respect to each contract.

(7) All payments made to the preconstruction trust fund account shall remain in the trust fund with the financial institution until the financial institution receives a certified statement from the depositor stating that the particular project for which the preconstruction trust fund has been established is totally completed. During the construction stage, trust funds may be withdrawn by presenting the trustee with appropriate evidence of expenditure for construction cost. The trustee shall thereupon disburse monies from the trust fund to pay for the expenses of construction presented for payment.

(8) A trustee may rely upon all certifications and affidavits made pursuant to or required by the provisions of this Act, and shall not be liable to any person for such reliance.

(9) If a mausoleum section or bank of underground crypts is not completed within the time limits set out in this Act, the financial institution acting as trustee, if any, may contract for and cause said project to be completed and paid therefor from the trust account funds deposited to the project's account, paying any balance, less cost and expenses, to the depositor. In the event there is no corporate trustee, or the trustee chooses not to serve in the capacity to complete construction, the attorney general shall appoint a committee to serve as trustees to trust account funds deposited to the project's account, paying any balance, less cost and expenses, to the cemetery company.

(10) If it is determined by the trustee after the expiration of the time of construction set out above that there is not enough money in the trust fund account to complete the project, the trustee shall make a refund of all monies held to all purchasers, or his heirs or assigns, in the amount of the deposit to the credit of their particular contract and all income those funds have earned. The purchasers shall be entitled to receive any remainder of the purchase price paid from the depositor. However, nothing herein contained shall relieve any cemetery company from any liability for nonperformance of the contract terms.

(11) If temporary entombment or inurnment is not used, upon written notification to the seller, the personal representative of any purchaser of such space who dies before completion of construction shall be entitled to a refund of all monies paid into the preconstruction trust fund for such space, including any income earned thereon, and from the seller, the remainder of the purchase price paid.

(12) In lieu of the trust fund deposits required herein, the cemetery company may post with the attorney general, division of consumer protection, a good and sufficient bond by a surety company licensed to do business in Kentucky and in an amount sufficient to cover all payments made by or on account of purchasers who have not received the purchased property and services. This bond shall be held for the benefit of any purchaser, or his or her heir or assign or duly authorized representative, who suffers a loss of money paid for a preconstructed mausoleum crypt or niche or underground crypt after the effective date of this Act due to the insolvency of the registrant, or failure to construct within the time limits set out herein. If a bond is posted, the attorney general's office shall receive sixty (60) days' written notice in the event of cancellation. On or before the cancellation date, the cemetery company shall comply with the trust fund requirements herein or post another good and sufficient bond.

(13) Any cemetery company selling preconstruction mausoleum, columbarium or underground crypt contracts shall pay to the attorney general five dollars ($5) for each sale of said contract and all of which fees shall be remitted by the cemetery company collecting them to the attorney general at least once each month, and such funds shall be used by the attorney general in administering this chapter.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 230 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby created under the general jurisdiction of the public protection and regulation cabinet, an agency of state government to be known as the Kentucky racing authority, hereafter referred to as the "authority." The authority shall consist of eighteen (18) members; the combined memberships of the Kentucky thoroughbred racing commission provided for in KRS 230.220 and the Kentucky harness racing commission provided for in KRS 230.620. Members shall serve on the authority concurrent and consistent with their terms of appointment to the respective commissions and they shall be entitled to the same financial remuneration and reimbursement as they receive as members of the respective commissions. The chairmen of the respective commissions shall serve as co-chairmen of the authority.

(2) The authority shall meet at least quarterly and may meet at other times by call of the co-chairmen or by call of a majority of the membership of the authority. A majority of the membership shall be considered a quorum for the transaction of official business.

(3) The purpose of the authority shall be to regulate areas of common interest and concern to the thoroughbred and harness racing industries in order to create an integrated state policy which shall be in the best interests of both industries and the Commonwealth of Kentucky. Other provisions of the Kentucky Revised Statutes notwithstanding, specific functions of the authority shall include:

(a) Issuance of licenses to thoroughbred and harness associations to conduct race meetings and the

granting of racing dates to conduct such meets.

(b) Regulation of the use of drugs and drug testing in thoroughbred and harness racing and administration of equine drug research, consistent with KRS 230.265.

(c) Employment of staff and the provision of necessary administrative services for the authority as well as for the respective commissions.

(d) Other matters which the authority may determine by majority vote to be of such mutual interest and concern to the thoroughbred and harness industries as to warrant an integrated state policy.

(4) The authority may promulgate necessary and reasonable rules and regulations to effectively carry out the provisions of this Act.

SECTION 2. A NEW SECTION OF KRS CHAPTER 230 IS CREATED TO READ AS FOLLOWS:

(1) The governor shall appoint an executive director for the authority to serve for a term not to exceed four (4) years and who may be removed only for just cause. The executive director shall serve as chief administrative officer for the authority and for the thoroughbred and harness racing commissions, and in such capacity shall perform directed administrative duties which are necessary for the authority and the respective commissions to effectively carry out their statutory mandates. The governor shall also appoint for terms not to exceed four (4) years, an assistant director to serve as administrative officer for the thoroughbred racing commission and an assistant director to serve as administrative officer of the harness racing commission. Both assistant directors shall act under the general supervision of the executive director and may be removed only for just cause. In addition, the authority may employ such other administrative and clerical personnel as necessary, but consistent with budgetary limitations. Any employe referred to in this section shall be reimbursed for expenses paid or incurred in the discharge of official business approved by the authority or a respective commission.

(2) The authority shall establish and maintain a general office for the transaction of its business and may establish any branch offices it may deem necessary. The authority or the respective racing commissions may meet at any such office or at any other location they may deem convenient. All such meetings shall be open to the public and notification of such meeting shall be consistent with provisions of the Kentucky open meetings law.

(3) The executive director shall maintain a record of all meetings and these records, along with other records of the authority and the respective commissions shall be maintained at the general office and shall be subject to public inspection during regular working hours and consistent with the Kentucky open records law.

SECTION 3. A NEW SECTION OF KRS CHAPTER 230 IS CREATED TO READ AS FOLLOWS:

(1) Any person desiring to conduct thoroughbred racing, appaloosa racing at a thoroughbred race meeting or harness racing within the Commonwealth of Kentucky during any calendar year shall first apply to the Kentucky racing authority for a license to do so. The application shall be filed at the authority's general office on or before a day fixed by the authority. The application shall specify the location of the track and the days on which racing is desired to be conducted or held and shall be in the form and contain such other information and data as the authority may, by rule require.

(2) The authority shall as soon as practicable, but in no event later than November 30 of each odd numbered year, award dates for racing in the Commonwealth during the following two (2) fiscal years. Racing dates awarded by the authority shall be submitted to the Kentucky general assembly for approval at its next regular session. The general assembly may approve the dates as submitted or with amendments. If no action is taken by the general assembly, the dates shall become effective as submitted, upon sine die adjournment. The authority shall not award overlapping or concurrent racing dates for the same breed of horse unless such dates are agreed to by the associations affected. Racing dates awarded for calendar year 1984 and any succeeding year not in compliance with this section, shall be null and void and dates equivalent to those awarded for 1982 shall be substituted in lieu thereof. Any variance shall occur only if agreed to by any affected associations and approved by the authority. In the event scheduled racing is canceled by reason of flood, fire, inclement weather, or other emergencies, the authority may award additional racing dates to make up for those dates canceled by such flood, fire, inclement weather, or other emergencies. The authority may issue such license to conduct a race meeting to any association making the aforesaid application, if the authority finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employes, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the authority, the licensing of such association would serve to nurture, promote, develop, or improve the thoroughbred industry in the Commonwealth. As a condition precedent to the issuance of such license, the authority may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the

payment of operating expenses including purses and awards to owners of horses participating in races.

(3) Every license issued under this section shall specify among other things the name of the person to whom issued, the address and location of the track where the race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted.

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a race meeting at any track not specified therein. However, if the track specified becomes unsuitable for racing because of flood, fire or other catastrophe, the authority may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) Racing dates may be awarded and licenses issued authorizing racing on any day of the year. Racing shall be held or conducted only between sunrise and midnight.

(6) The authority may at any time require the removal of any official or employe of any association in those instances where it has reason to believe that the official or employe has been guilty of any dishonest practice in connection with racing or has failed to comply with any condition of his license or has violated any law or any rule or regulation of this authority or the respective racing commissions.

(7) No person shall hold or conduct any race meeting for any stake, purse or reward within the Commonwealth of Kentucky without securing the required license from the Kentucky racing authority. Any such race meeting is hereby declared to be a public nuisance and the authority may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

(8) The authority shall have authority to compel any racing association licensed under this section to file with the authority at the end of its fiscal year, a balance sheet, showing assets and liabilities, and an earnings statement, together with a list of its stockholders or other persons holding a beneficial interest in the association.

SECTION 4. A NEW SECTION OF KRS CHAPTER 230 IS CREATED TO READ AS FOLLOWS:

Section 8. KRS 230.260 is amended to read as follows:

The commission, in the interest of *racing* [~~breeding or the improvement of the breed of thoroughbred horses~~], shall have all powers necessary and proper to carry out fully and effectually the provisions of KRS 230.210 to 230.360 including, but without limitation, the following:

(1) The commission is vested with jurisdiction and supervision over all thoroughbred race meetings in this Commonwealth and over all associations and all persons on association grounds and may eject or exclude therefrom or any part thereof, any person, licensed or unlicensed, whose conduct or reputation is such that his presence on association grounds may, in the opinion of the commission, reflect on the honesty and integrity of thoroughbred racing or appaloosa racing or interfere with the orderly conduct of thoroughbred racing or appaloosa racing at thoroughbred race meetings; provided, however, no persons shall be excluded or ejected from association grounds solely on the ground of race, color, creed, national origin, ancestry, or sex;

(2) The commission, its representatives and employes, may visit, investigate and have free access to the office, track, facilities or other places of business of any licensee for the purpose of satisfying itself that KRS 230.210 to 230.3611 and its rules and regulations are strictly complied with;

(3) The commission shall have full authority to prescribe necessary and reasonable rules, regulations and conditions under which thoroughbred horse racing and appaloosa racing at a thoroughbred race meeting shall be conducted in this state and to fix and regulate the minimum amount of purses, stakes or awards to be offered for the conduct of any thoroughbred race meeting, except that the commission shall not prefer by regulation or otherwise any licensees in their contractual relations with one another;

(4) The commission shall meet a minimum of three (3) times a year in joint session with the Kentucky harness racing commission to discuss matters of mutual interest or concern.

(5) Applications for licenses shall be made in the form, in the manner and contain information as the commission may, by rule, require. Fees for all licenses issued under KRS 230.310 shall be prescribed by and paid to the commission;

(6)[~~(5)~~] Any of the foregoing rules, regulations and conditions may be altered, amended, repealed and published from time to time. All rules, regulations and conditions shall become effective thirty (30) days after the filing thereof with the legislative research commission unless the governor finds an emergency to exist in which event the same shall become effective immediately upon filing with the legislative research commission. The commission may, but shall not be required to, advertise any of its regulations either before or after filing;

(7)[~~(6)~~] The commission may issue subpoenas for the attendance of witnesses before it and administer oaths to such witnesses whenever, in the judgment of the commission, it is necessary to do so for the effectual discharge of its duties;

(8)[~~(7)~~] *The commission shall compel a licensed racing association to publish and file with the commission within thirty (30) days after any thoroughbred race meeting conducted by it, the criteria it will use in allocating or denying stalls to applicants at its next race meeting. Said criteria shall state specifically the type of application it will prefer as well as the type of application it will reject, unless a licensed racing association has a written agreement with all organizations that represent at least thirty-four percent (34%) of the owners and trainers who raced thoroughbred horses in Kentucky within the twelve (12) preceding months*

that states a different method to be used in lieu thereof.

(9) The allocation of stalls and the acceptance or rejection of entries or subscriptions for thoroughbred racing by licensed racing associations shall not require as a condition of stabling or entering in a thoroughbred race the waiver or conveyance of any property or performance rights by any applicant.

(10) No licensed racing association shall prefer any licensee over another unless expressly provided for by chapter 810 of the Kentucky administrative regulations or by chapter 230 of the Kentucky revised statutes.

(11) The commission shall have authority to compel any racing association licensed under KRS 230.210 to 230.360 to file with the commission at the end of its fiscal year, a balance sheet, showing assets and liabilities, and an earnings statement, together with a list of its stockholders or other persons holding a beneficial interest in the association.

Section 9. KRS 230.265 is amended to read as follows:

(1) There is hereby created a panel, to be known as the Kentucky equine drug research council, to advise the commission on the conduct of equine drug research and testing commissioned by the state racing commission. The council shall consist of *eight (8)* [~~seven (7)~~] members: a veterinarian appointed by the Kentucky association of equine veterinarians, a horseman appointed by the Kentucky division of the horsemen's benevolent and protective association, a pharmacologist appointed by the University of Kentucky, a thoroughbred breeder appointed by the Kentucky thoroughbred owners and breeders, inc., a legislator appointed by the legislative research commission, a representative of a licensed racing association, [~~and~~] a member of the state racing commission, appointed by the chairman of the state racing commission, to serve as chairman *and a representative of the harness racing commission, appointed by the chairman of the harness racing commission.* The council shall meet at the call of the chairman, a majority of the council or at the request of the commission. Members shall serve at the pleasure of their respective sponsoring organizations and shall receive no compensation for serving.

(2) The Kentucky equine drug research council shall review equine drug research and testing research being conducted at the University of Kentucky or with state funds and shall review and report to the commission on drug research and testing research being conducted elsewhere. The council shall advise the commission and make *all* recommendations for establishing an effective drug regulatory policy for Kentucky racing. In addition, the council shall report to *each* [~~the 1984~~] general assembly any needed changes regarding the regulation of drugs in thoroughbred *and harness* racing in the Commonwealth of Kentucky.

(3) The commission shall receive one-tenth of one percent (.1%) of the total amount wagered in Kentucky deducted from the pari-mutuel tax levied in KRS 138.510 to be used in financing drug research and testing research in Kentucky, *pursuant to recommendations by the council,* which shall be in addition to any funds appropriated to the commission for such purposes in the executive budget.

Section 10. KRS 230.300 is amended to read as follows:

(1) Any person desiring to conduct thoroughbred racing and Appaloosa racing at a thoroughbred race meeting within the Commonwealth of Kentucky during any calendar year shall first apply to the commission for a license to do so. The application shall be filed at the commission's general office on or before a day fixed by the commission. The application shall specify the location of the track and the days on which racing is desired to be conducted or held and shall be in the form and contain such other information and data as the commission may, by rule require.

(2) The commission shall as soon as practicable, but in no event later than March 1 in any calendar year award dates for racing in the Commonwealth during the year. *The commission shall not award overlapping or concurrent racing dates for the same breed of horse unless such dates are agreed to by the associations affected. Racing dates awarded for calendar year 1984 and any succeeding year not in compliance with this section shall be null and void and dates equivalent to those awarded for 1982 shall be substituted in lieu thereof. Any variance shall occur only if agreed to by any affected association and approved by the commission.* In the event scheduled racing is canceled by reason of flood, fire, or inclement weather, the commission may award after March 1 additional racing dates to make up for those dates canceled by such flood, fire, or inclement weather. The commission may issue such license to conduct a thoroughbred race meeting to any association making the aforesaid application if the commission finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employes, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the commission, the licensing of such association would serve to nurture, promote, develop, or improve the thoroughbred industry in the Commonwealth. As a condition precedent to the issuance of such license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the payment of operating expenses including purses and awards to owners of horses participating in races.

(3) Every license issued under KRS 230.210 to 230.360 shall specify among other things the name of the person to whom issued, the address and location of the track where the thoroughbred race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted.

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a thoroughbred race meeting at any track not specified therein. However, if the track specified becomes unsuitable for thoroughbred racing or Appaloosa racing because of flood, fire or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) Thoroughbred racing dates may be awarded and licenses issued authorizing thoroughbred racing and Appaloosa racing at a thoroughbred race meeting on any day of the year. Thoroughbred racing or Appaloosa racing at thoroughbred race meetings shall be held or conducted only between sunrise and midnight.

(6) The commission may at any time require the removal of any official or employe of any association in those instances where it has reason to believe that the official or employe has been guilty of any dishonest practice in connection with thoroughbred racing or Appaloosa racing at a thoroughbred race meeting or has failed to comply with any condition of his license or has violated any law or any rule or regulation of this commission.

(7) Every thoroughbred race not licensed under this section or Appaloosa race not licensed by this section or KRS 230.410 to 230.447 is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

Section 11. KRS 230.330 is amended to read as follows:

Any licensee or any applicant aggrieved by any order of the commission may appeal to the Franklin Circuit Court *or the circuit court in the county where the controversy, cause of action or some part thereof arose,* within the time and in the manner provided by KRS 243.560 to 243.590.

Section 12. KRS 230.361 is amended to read as follows:

(1) The commission shall adopt rules governing and regulating mutuel wagering on thoroughbred races and appaloosa races at a thoroughbred race meeting under what is known as the pari-mutuel system of wagering. Such wagering shall be conducted only by a person licensed under KRS 230.210 to 230.360 to conduct a thoroughbred race meeting and only upon the licensed premises. The pari-mutuel system of wagering shall be operated only by a totalizator or other mechanical equipment approved by the commission. The commission shall not require any particular make of equipment.

(2) Other provisions of the Kentucky Revised Statutes notwithstanding, the commission shall permit a licensed association to conduct pari-mutuel wagering on racing conducted at another licensed association in the Commonwealth. Such wagering shall form a common pool with wagering conducted by the association conducting the racing. The commission shall also permit licensed associations to conduct pari-mutuel wagering on special event races conducted in other states or foreign countries, which are determined to be of sufficient national or international significance or interest to warrant interstate wagering. All such wagering shall form a common pool and shall be conducted in accordance with applicable federal law. *Wagering conducted under this subsection shall be referred to as "multi-track wagering" and shall be subject to necessary and reasonable regulation by the commission.*

(3) *No multi-track wagering shall be permitted unless the track conducting the wagering has a written agreement giving consent to the use of multi-track wagering from all organizations which represent at least thirty-four percent (34%) of the owners and trainers that raced thoroughbred horses in Kentucky within the twelve (12) preceding months.*

(4) The take-out for pari-mutuel wagering conducted under subsection (2) of this section shall be an amount equal to that withheld under the provisions of KRS 138.515. Gross revenues retained from such wagering, after payment of the pari-mutuel tax only, shall be applied to purses *at the track conducting the wagering* in the same percent ratio as gross revenues from on-track pari-mutuel wagering, after payment of the pari-mutuel tax only, are applied to purses. Remaining revenues shall be apportioned by contractual agreement between the association conducting the racing and the association conducting the wagering under subsection (2). The pari-mutuel tax credit permitted in KRS 138.510 shall not apply to pari-mutuel wagering conducted under subsection (2) of this section.

(5)[~~(4)~~] In no event shall the operation of a pari-mutuel system for betting where authorized by law constitute grounds for the revocation or suspension of any license issued and held under KRS 230.350.

(6)[~~(5)~~] All reported but unclaimed pari-mutuel winning tickets held in this state by any person or association operating a pari-mutuel or similar system of betting at thoroughbred race meetings shall be presumed abandoned if not claimed by the person entitled thereto within two (2) years from the time the ticket became payable.

Section 13. KRS 230.400 is amended to read as follows:

(1) There is hereby created a trust and revolving fund for the Kentucky state racing commission, designated as the Kentucky thoroughbred development fund, consisting of money allocated to the fund under the provisions of KRS 138.510, together with such other money as may be contributed to or allocated to the fund from all other sources. Money to the credit of the Kentucky thoroughbred development fund shall be distributed by the treasurer for the purposes herein provided upon authorization of the Kentucky state racing commission and upon approval of the secretary of the finance and administration cabinet. Money from the Kentucky thoroughbred development fund shall be allocated to each licensed association in an amount equal to the amount the association contributed to the fund. Money to the credit of the Kentucky thoroughbred development fund at the end of each fiscal year shall not lapse, but shall be carried forward in such fund to the succeeding fiscal year.

(2) There is hereby established, under the general jurisdiction of the Kentucky state racing commission, a Kentucky thoroughbred development fund advisory committee. The advisory committee shall consist of five (5) members, all of whom shall be residents of Kentucky, to be appointed by the chairman of the Kentucky state racing commission by July 1 of each year. The committee shall consist of *one (1)* [~~two (2)~~] thoroughbred breeders recommended by the Kentucky thoroughbred owners and breeders, inc.; one (1) thoroughbred owner recommended by the Kentucky division of the horsemen's benevolent and protective association; one (1) officer or director of a licensed association conducting thoroughbred racing in Kentucky *averaging nine hundred thousand dollars ($900,000) or less per racing day in pari-mutuel handle; one (1) officer or director of a licensed association conducting thoroughbred racing in Kentucky averaging over nine hundred thousand dollars ($900,000) per racing day in pari-mutuel handle* [~~, recommended by action of all of the licensed associations conducting thoroughbred racing in Kentucky~~]; and one (1) member of the Kentucky state racing commission. If any member other than the commission member has not been recommended for appointment by July 1 of each year, the chairman of the Kentucky state racing commission shall make an appointment for the organization or organizations failing to so recommend a member of the committee. The members of the advisory committee shall serve without compensation, but shall be entitled to reimbursement for all expenses incurred in the discharge of official business. The advisory committee shall select from its membership annually a chairman and a vice chairman.

(3) (a) The Kentucky thoroughbred development fund committee shall advise and assist the Kentucky state racing commission in the development of the supplemental purse program provided herein for Kentucky bred thoroughbreds, shall make recommendations to the commission from time to time with respect to the establishment of guidelines, rules and regulations for the provision of such supplemental purses, the amount thereof, the races for which such purses are to be provided and the conditions thereof, manner and method of payment of such supplemental purses, registry of thoroughbred stallions standing within the Commonwealth of Kentucky, registry of Kentucky bred thoroughbreds for purposes of this section, nature and type of forms and reports to be employed and required in connection with the establishment, provision for, award and payment of such supplemental purses and with respect to all other matters necessary in connection with the carrying out of the intent and purposes of this section.

(b) The Kentucky state racing commission shall employ such qualified personnel as may be required to assist the commission and the advisory committee in carrying out the provisions of this section. Such persons shall serve at the pleasure of the commission and compensation for such personnel shall be fixed by the commission. The compensation of such personnel and the necessary expenses incurred by the commission or by the committee in carrying out the provisions of this section shall be paid out of the Kentucky thoroughbred development fund.

(4) The Kentucky state racing commission, with the advice and assistance of the Kentucky thoroughbred development fund advisory committee, shall use the Kentucky thoroughbred development fund to promote, enhance, improve and encourage the further and continued development of the thoroughbred breeding industry in Kentucky by providing, out of the Kentucky thoroughbred development fund, supplemental purses for [~~designated stakes, handicap,~~] allowance and non-claiming maiden races contested at licensed thoroughbred race meetings in Kentucky, the awarding and payment of which supplemental purses shall be conditioned upon the winning or placing in such races by Kentucky bred thoroughbred horses. Any supplemental purse provided for a designated race shall be apportioned among the winning and placing horses in the same proportion as the stake or purse provided for such race by the racing association. Winning or placing as used in this section shall include those horses finishing first, second, third and fourth in such races. That portion of the supplemental purse provided for any [~~such designated~~] race for a winning or placing finish shall be awarded and paid to the owner of the horse so finishing only if such horse is a Kentucky bred thoroughbred duly registered as such with the official registrar. Any portion of the supplemental purse which is not awarded and paid over shall be returned to the Kentucky thoroughbred development fund.

(5) (a) For purposes of this section, the term Kentucky thoroughbred stallion shall mean and include only a thoroughbred stallion standing the entire breeding season in Kentucky and registered as a Kentucky thoroughbred stallion with the official registrar of the Kentucky thoroughbred development fund.

(b) Except for thoroughbred horses foaled prior to January 1, 1980, the term Kentucky bred thoroughbreds for purposes of this section, shall mean and include only thoroughbred horses sired by

Kentucky thoroughbred stallions foaled in Kentucky and registered as a Kentucky bred thoroughbred with the official registrar of the Kentucky thoroughbred development fund.

(c) Any thoroughbred horse foaled prior to January 1, 1980, may qualify as a Kentucky bred thoroughbred for purposes of this section if such horse was foaled in Kentucky and if the sire of such thoroughbred was standing at stud within Kentucky at the time of conception of such thoroughbred, provided such thoroughbred is duly registered as a Kentucky bred thoroughbred with the official registrar of the Kentucky thoroughbred development fund.

(d) In order for an owner of a Kentucky sired thoroughbred to be eligible to demand, claim and receive a portion of a supplemental purse provided by the Kentucky thoroughbred development fund, the thoroughbred horse winning or placing in a designated race for which a supplemental purse has been provided by the Kentucky thoroughbred development fund must have been duly registered as a Kentucky bred thoroughbred with the official registrar of the Kentucky thoroughbred development fund prior to entry in such race.

(6) (a) *The* Kentucky *state racing commission* [~~Thoroughbred Owners and Breeders, Inc.,~~] is hereby recognized and designated as the sole official registrar of the Kentucky thoroughbred development fund for the purposes of registering Kentucky thoroughbred stallions and Kentucky bred thoroughbreds in accord with the terms of this section and such rules and regulations as may be promulgated by the Kentucky state racing commission. When a Kentucky bred thoroughbred is registered with the official registrar, the registrar shall be authorized to stamp the Jockey Club certificate issued for such thoroughbred with the seal of the registrar, certifying that the said thoroughbred is a duly qualified and registered Kentucky bred thoroughbred for purposes of this section. The *commission* [~~registrar~~] may establish and charge[~~, with the approval of the commission,~~] reasonable registration fees, *not to exceed twenty-five dollars ($25),* for its services in the registration of Kentucky thoroughbred stallions and in the registration of Kentucky bred thoroughbreds. Registration records of the *commission* [~~registrar~~] shall be public records and open to public inspection at all normal business hours and times.

(b) Any interested party aggrieved by the failure or refusal of the official registrar to register a stallion or thoroughbred as a Kentucky stallion or as a Kentucky bred thoroughbred shall have the right to file with the commission, within thirty (30) days of such failure or refusal of the *commission* [~~registrar~~], petition seeking *a rehearing on the matter* [~~registration of such thoroughbred~~]. The commission shall promptly hear the matter de novo and issue its order [~~directing the official registrar~~] to register or not to register [~~as it may be determined by the commission~~].

(7) The Kentucky state racing commission shall adopt such rules and regulations as may be necessary to carry out the provisions and purposes of this section, including the adoption of such rules and forms as may be appropriate for the proper registration of Kentucky stallions and Kentucky bred thoroughbreds with the official registrar, and shall administer the Kentucky bred thoroughbred program created hereby in a manner best designed to promote and aid in the further development of the thoroughbred breeding industry in Kentucky, to upgrade the quality of thoroughbred racing in Kentucky and to improve the quality of thoroughbred horses bred in Kentucky.

(8)[~~(7)~~] The present rules and regulations of the Kentucky trotting commission shall remain in effect as the initial rules and regulations of the Kentucky harness racing commission until revoked or modified by the Kentucky harness racing commission.

Further, it hereby is declared the policy and intent of the Commonwealth that all standardbred racing not licensed as provided herein is a public nuisance and may be enjoined as such. Further, it is hereby declared the policy and intent of the Commonwealth that the conduct of standardbred racing, or the participation in any way in standardbred racing, or the entrance to or presence where standardbred racing is conducted, is a privilege and not a personal right; and that this privilege may be granted or denied by the commission or its duly approved representatives acting in its behalf.

In addition to the general powers and duties vested in the commission, it is the intent hereby to vest in the commission the power to eject or exclude from association grounds, or any part thereof any person, licensed or unlicensed, whose conduct or reputation is such that his presence on association grounds may, in the opinion of the commission, reflect on the honesty and integrity of standardbred racing or interfere with the orderly conduct of standardbred racing. The Committee on Labor and Industry reported **HB 124,** with Committee Amendments attached thereto, with the expression of opinion that the same should not pass.

HB 124, AN ACT relating to motor vehicles.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

The general assembly recognizes that a motor vehicle is a major consumer purchase, and there is no doubt that a defective motor vehicle creates a hardship for the consumer. The general assembly further recognizes that a duly franchised motor vehicle dealer is an agent of the manufacturer. It is the intent of the general assembly that a good faith motor vehicle warranty complaint by a consumer should be resolved by the manufacturer, or its agent, within a specified period of time. It is further the intent of the general assembly to provide the statutory procedures whereby a consumer may receive a replacement motor vehicle, or a full refund, for a motor vehicle which cannot be brought into conformity with the express warranty issued by the manufacturer. However, nothing in this Act shall in any way limit the rights or remedies which are otherwise available to a consumer under any other law.

SECTION 2. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

As used in this Act, the following terms shall have the following meanings:

(1) "Consumer" means the purchaser, other than for purposes of resale, of a motor vehicle, primarily used for personal, family, or household purposes, and any person to whom such motor vehicle is transferred for the same purposes during the duration of an express warranty applicable to such motor vehicle, and any other person entitled by the terms of such warranty to enforce the obligations of the warranty.

(2) "Motor vehicle" means a motor vehicle which is sold in this state and is operated over the public streets and highways of this state and is used as a means of transporting persons or property. Motor vehicle as defined in this Act shall include only those vehicles propelled by power other than muscular power, but the term shall not include vehicles run only upon tracks, off-road vehicles, or mopeds. Motor vehicle shall include demonstrators or lease-purchase vehicles as long as a manufacturer's warranty was issued as a condition of sale.

(3) "Manufacturer" means a manufacturer, importer, distributor or other person covered by KRS 367.860 or KRS Chapter 190.

(4) "Purchase price" means the cash price paid by the consumer for the motor vehicle.

(5) "Express warranty" means any written affirmation of fact or promise made in connection with the sale of a motor vehicle by a supplier to a consumer which relates to the nature of the material or workmanship and affirms or promises that such material or workmanship is defect-free or will meet a specified level of performance over a specified period of time. For the purposes of this Act, express warranties do not include implied warranties.

(6) "Collateral charges" means those additional charges to a consumer not directly attributable to the manufacturer's suggested retail price label for the motor vehicle. For the purposes of this Act, collateral charges shall include, but not be limited to, dealer preparation charges, undercoating charges, transportation charges, towing charges, replacement car rental costs, and title charges.

(7) "Comparable motor vehicle" means an identical or reasonably equivalent motor vehicle.

SECTION 3. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

For the purposes of this Act, if a new motor vehicle does not conform to all applicable express warranties, and the consumer reports the nonconformity to the manufacturer, or its agent during the term of such express warranties, or during the period of one (1) year following the date of original delivery of the motor vehicle to the consumer, whichever period expires earlier, the manufacturer, or its agent, shall make such repairs as are necessary to conform the vehicle to such express warranties, notwithstanding the fact that such repairs are made after the expiration of such term or such one (1) year period.

SECTION 4. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

(1) If the manufacturer, or its agent, cannot conform the motor vehicle to any applicable express warranty by repairing or correcting any default or condition which impairs the use, market value, or safety of the motor vehicle to the consumer after a reasonable number of attempts, the manufacturer shall give the consumer the option of having the manufacturer either replace the motor vehicle with a comparable motor vehicle acceptable to the consumer, or take title of the vehicle from the consumer and refund to the consumer the full purchase price, including all reasonably incurred collateral charges, less a reasonable allowance for the consumer's use of the vehicle. The subtraction of a reasonable allowance for use shall apply when either a replacement or refund of the motor vehicle occurs. A reasonable allowance for use shall be that sum of money arrived at by multiplying the number of miles the motor vehicle has been driven by the consumer by twenty cents (20) per mile. It shall be presumed that six (6) or more minor defects, which although taken separately do not impair the use, or the value, or safety of the motor vehicle, do impair the market value and use of the motor vehicle.

(2) Refunds shall be made to the consumer and lienholder of record, if any, as their interests may appear.

(3) It shall be an affirmative defense to any claim under this Act that:

(a) An alleged nonconformity does not impair the use, market value, or safety of the motor vehicle;

(b) A nonconformity is the result of abuse, neglect, or unauthorized modifications or alterations of a motor vehicle by a consumer;

(c) A claim by a consumer was not filed in good faith; or

(d) Any other affirmative defense allowed by law.

(4) It shall be presumed that a reasonable number of attempts have been undertaken to conform a motor vehicle to the applicable express warranties if within the terms, conditions, or limitations of the express warranty, or during the period of one (1) year following the date of original delivery of the motor vehicle to a consumer, whichever expires earlier, either:

(a) Substantially the same nonconformity has been subject to repair three (3) or more times by the manufacturer, or its agents, and such nonconformity continues to exist; or

(b) The vehicle is out of service by reason of repair of the nonconformity by the manufacturer, or its agents, for a cumulative total of fifteen (15) or more working days, exclusive of down time for routine maintenance as prescribed by the owner's manual, since delivery of the vehicle to the consumer. The fifteen (15) day period may be extended by any period of time during which repair services are not available to the consumer because of conditions beyond the control of the manufacturer or its agents.

1. The terms, conditions, or limitations of the express warranty, or the period of one (1) year following the date of original delivery of the motor vehicle to a consumer, whichever expires earlier, may be extended if the motor vehicle warranty problem has been reported but has not been repaired by the manufacturer, or its agent, by the expiration of the applicable time period.

2. The manufacturer shall provide a list of the manufacturer's zone or regional service office addresses in the owner's manual provided with the motor vehicle. It shall be the responsibility of the consumer, or his representative, prior to availing himself of the provisions of this section, to give written notification to the manufacturer of the need for the repair of the nonconformity, in order to allow the manufacturer an opportunity to cure the alleged defect. The manufacturer shall immediately notify the consumer of a reasonably accessible repair facility to conform the vehicle to the express warranty. After delivery of the vehicle to the designated repair facility by the consumer, the manufacturer shall have ten (10) working days to conform the motor vehicle to the express warranty. Upon notification from the consumer that the vehicle has not been conformed to the express warranty, the manufacturer shall inform the consumer if an informal dispute settlement procedure has been established by the manufacturer in accordance with Section 6 of this Act, and provide the consumer with a copy of the provisions of this Act. However, if prior notice by the manufacturer of an informal dispute settlement procedure has been given, no further notice is required. If the manufacturer fails to notify the consumer of the availability of this informal dispute settlement procedure, the requirements of Section 6 of this Act shall not apply.

(5) Any action brought under this Act shall be commenced within six (6) months following expiration of the terms, conditions, or limitations of the express warranty, or within eighteen (18) months following the date of original delivery of the motor vehicle to a consumer, whichever is earlier, or, in the event that a consumer resorts to an informal dispute settlement procedure as provided in this Act, within ninety (90) days following the final action of the panel.

(6) If a consumer finally prevails in any action brought under this Act, he shall be allowed by the court to recover as part of the judgment a sum equal to the aggregate amount of costs and expenses, including reasonable attorney's fees based on actual time expended, determined by the court to have been reasonably incurred by the plaintiff for or in connection with the commencement and prosecution of such action.

SECTION 5. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

Any claim by a consumer which is found by the court to have been filed in bad faith, or solely for the purpose of harassment, or in complete absence of a justifiable issue of either law or fact raised by the consumer, shall result in the consumer being liable for all costs and reasonable attorney's fees incurred by the manufacturer, or its agent, as a direct result of the bad faith claim.

SECTION 6. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

If a manufacturer has established an informal dispute settlement procedure which complies in all respects with the provisions of 16 C.F.R. part 703, and KRS 367.860 to 367.870, the provisions of Section 4 of this Act concerning refunds or replacements shall not apply to any consumer who has not first resorted to such procedure. For the purposes of this section, at least one (1) member of the informal dispute settlement panel shall be designated by the attorney general.

The Committee Amendment No. 1 to **HB 124** is as follows:

Amend printed copy of **HB 124,** on page 9, after line 6, by adding the following sections:

"Section 7. KRS 367.865 is amended to read as follows:

(1) Effective January 1, 1983, each motor vehicle manufacturer shall offer to the buyer a comprehensive informal dispute resolution system. By transacting business in the Commonwealth of Kentucky, each manufacturer is deemed to have voluntarily consented to participate in the system. Each system shall operate pursuant to written rules and procedures which:

(a) Ensure that the system is impartial, accessible to the buyer, and expeditious, and shall operate at no cost to the buyer;

(b) Provide that if the buyer elects to submit the dispute to the system, the manufacturer shall not refuse to submit the dispute to the system as long as the subject of the dispute occurred during the first two (2) years or twenty-five thousand (25,000) miles, whichever occurs first, of the buyer's ownership of the motor vehicle involved in the dispute;

(c) Provide that the system shall provide for an oral hearing, unless the buyer agrees in writing that the system shall render a decision based solely on documents submitted to it;

(d) Shall include, but is not limited to, procedures for informing the buyer of the existence of the system, preparing the agreement between the buyer and the manufacturer whereby the dispute may be submitted to the system, selecting the members of the decision-making panel, notifying the parties of the complaint, investigating the complaint, providing for hearings, rendering a fair and expeditious decision, and informing parties of the decision.

(2) The decision of the system shall be legally binding on the *manufacturer* [~~parties~~]. *The decision of the system shall not be legally binding on the buyer, unless the manufacturer elects to have its system binding on all buyers who summit their disputes to the system. If the system is to be binding to both parties,* the written agreement between the buyer and the manufacturer whereby the dispute is submitted to the system shall include in conspicuous, bold-faced type the following statement:

> "YOU SHOULD REMEMBER THAT BY ENTERING INTO THIS AGREEMENT YOU ARE DECIDING TO USE THIS DISPUTE RESOLUTION SYSTEM TO SETTLE YOUR DISPUTE INSTEAD OF GOING TO COURT. AFTER A DECISION BY AN ARBITRATOR, NORMALLY A COURT WILL REFUSE TO HEAR THE FACTS IN A CASE IN ALL BUT THE MOST UNUSUAL SITUATIONS. YOUR SIGNATURE IS REQUIRED IMMEDIATELY BELOW TO INDICATE THAT YOU HAVE READ THIS DISCLOSURE.

----------------------------"

SIGNATURE OF BUYER

(3) Before a dispute may be submitted to *a* [~~the~~] system *which is legally binding on both parties,* the buyer shall sign the disclosure statement required by subsection (2) of this section.

(4) Each manufacturer shall take steps reasonably calculated to make the buyer aware of the existence of the system at the time the dispute arises.

(5) Each manufacturer shall take all steps necessary to ensure that the system is sufficiently insulated from the manufacturer so that the decisions of the system are not influenced by the manufacturer. The system's decision-making panel shall be composed of members at least fifty-one percent (51%) of whom have no involvement in the manufacture, distribution or sale of motor vehicles. Nor shall any member deciding a dispute shall be a party to the dispute; nor shall any member deciding a dispute be an employe or agent of a party to the dispute, unless solely for the purpose of impartially deciding disputes.

(6) Nothing herein shall prohibit the manufacturer from participating in a system sponsored or administered by an impartial third party having no direct involvement in the manufacture, distribution, sale, or service of motor vehicles.

(7) Each dispute resolution system shall provide to the office of the attorney general, upon request, the name and address of each buyer whose complaint is resolved through its system. The attorney general shall have the authority to monitor each dispute resolution system as well as review the records on each complaint, upon request. An annual report shall be prepared and published by the office of the attorney general evaluating the performance, effectiveness, and benefits of the system, and shall include in this report recommendations for continuing, modifying, or terminating the requirement of this section.

SECTION 8. A NEW SECTION OF KRS CHAPTER 367 IS CREATED TO READ AS FOLLOWS:

Notwithstanding the provisions of KRS 367.860 to 367.870, a dispute resolution system which is established pursuant to and in compliance with 16 C.F.R. Part 703 satisfies the requirements of this Act, as long as the dispute resolution system provides each party to the dispute with the right to an oral hearing."

The Committee Amendment No. 2 to **HB 124** is as follows:

HB 492, AN ACT relating to child support.

WHEREAS, growing numbers of parents who are capable of doing so are failing to provide adequate support for their children, thus increasing demands on our courts and on the treasury of the Commonwealth; and

WHEREAS, the current process of obtaining and enforcing child support orders through the judicial system can be lengthy, complicated, costly and, ultimately, ineffective; and

WHEREAS, other states, including our neighbor Virginia, have enacted legislation establishing and providing for the determination and enforcement of child support obligations through administrative process and have found initial expenditures to be repaid many times over, in terms both of child support collected and the avoidance of reliance upon public assistance; and

WHEREAS, the use of administrative process to determine and enforce child support obligations can benefit children, families, taxpayers and the Commonwealth; and

WHEREAS, the use of administrative process and other means of enforcing child support obligations can be construed with regard for the rights of both a child to be supported and a parent to receive due process;

Sections 4 through 17 of this Act may be cited as the "Kentucky Administrative Process for Child Support Act."

The Committee Substitute to **HB 492** is as follows:

HB 492, AN ACT relating to child support.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 405 IS CREATED TO READ AS FOLLOWS:

The general assembly of the Commonwealth of Kentucky finds and declares that:

(1) Growing numbers of parents, who are capable of doing so, are failing to provide adequate support for their children, thus increasing demands on our courts and on the treasury of the Commonwealth.

(2) The current process of obtaining and enforcing child support orders through the judicial system can be lengthy, complicated, costly, inefficient and, ultimately, ineffective.

(3) Children whose parents do not provide adequate support for them are supported directly and indirectly through various programs of public assistance paid for at least in part by the Commonwealth of Kentucky, thus adding to the taxpayer's burden and contributing to the potential for welfare dependence in future generations.

(4) Other states, including our neighbor Virginia, have enacted legislation providing for the determination and enforcement of child support obligations through administrative process and have found initial expenditures to be repaid many times over, in terms both of child support collected and the avoidance of reliance upon public assistance.

(5) The use of administrative process to determine and enforce child support obligations can benefit children, families, taxpayers and the Commonwealth.

(6) The use of administrative process and other means of enforcing child support obligations can be construed with regard for the rights of both a child to be supported and a parent to receive due process.

(7) Present remedies for nonsupport in Kentucky should be supplemented by administrative process, including remedies directed at parents' earnings and real and personal property.

Section 2. KRS 44.030 is amended to read as follows:

(1) No money shall be paid to any person on a claim against the state in his own right, or as an assignee of another, when he or his assignor is indebted*:*

(a) To the state*; or*

(b) To a third party for a duty of support as defined in KRS 407.100. Such a debt shall take priority over all other debts, except when the person also is indebted to the state under KRS 205.715, in which case the state and the third party shall share the money in proportion to their interest in it.

(2) The claim, to the extent it is allowed, shall be credited to the account of the person so indebted, and if there is any balance due him after settling the whole demand of the state such balance shall be paid to him.

SECTION 3. A NEW SECTION OF KRS CHAPTER 205 IS CREATED TO READ AS FOLLOWS:

(1) In addition to the procedures for judicial determination and enforcement of support obligations described in KRS 205.710 through 205.800, the cabinet may employ administrative process, as described in Sections 1 and 5 through 18 of this Act, to determine and enforce support obligations when paternity is not in question.

(2) When administrative process is used to determine a minimum monthly support obligation under KRS 205.710 through 205.800, the notice described in Section 7 of this Act shall be served upon the parent within ninety (90) days of the date the state begins paying public assistance to or on behalf of a dependent child. If the notice is not served within ninety (90) days, the cabinet shall lose the right to reimbursement for

payments made after the ninety (90) days and before notification, unless the cabinet has made reasonable attempts to locate a parent, in which case the ninety (90) days is tolled until the parent is located.

Section 4. KRS 205.740 is amended to read as follows:

(1) When the parent's support obligation has been determined by court order and the dependent child is receiving public assistance from the department, and the parent is not providing support in the amount due *and the full obligation is thirty-two (32) days delinquent*, the department may petition the circuit court to order, and, *upon a finding by the circuit court that the full obligation is thirty-two (32) days delinquent*, the circuit court *shall* [~~may~~] order, the parent to assign to the department that portion of salary or wages of the parent due and to be due in the future as will be sufficient to pay the amount ordered by a court for the support of the child.

(2) Such order shall be binding upon an employer upon the service by certified mail of a copy of the order upon such employer and until further order of the court. The employer may deduct the sum of *one dollar ($1.00)* [~~fifty cents (50)~~] for each payment made pursuant to such order to cover its administrative expenses. [~~Any such order may be modified or revoked at any time by the court upon prior notification by the court to the cabinet.~~]

(3) Any such assignment made pursuant to court order shall have priority as against any attachment, execution or other assignment, unless otherwise ordered by the court.

(4) No assignment under this section by an employe shall constitute grounds for dismissal of the employe.

In the case of trucks of gross weight in excess of ten thousand pounds (10,000 lbs.) the tax shall be levied upon ninety percent of the retail price of the vehicle.

(2) The tax shall be collected by the county clerk or other officer with whom the vehicle is required to be registered *and titled:*

(3) The tax collected by the county clerk under this section shall be reported and remitted to the department of revenue on forms provided by the department and on such forms as the department may prescribe. (6) No county clerk or other officer shall register *title* or issue any license tags to the owner of any motor vehicle subject to this tax, when the vehicle is then being offered for registration *or titling* for the first time, unless the seller or his agent delivers to the county clerk or other officer a certified or photostat copy of the manufacturer's price label for passenger cars or a certified or photostat copy of the itemized billing to the customer in the case of all other motor vehicles; and the clerk shall attach the certified or photostat copy to the copy of the certificate of registration and *certificate of title* [~~ownership~~] mailed to the department.

(7) Notwithstanding the provisions of KRS 138.450(4), in no case shall the tax be less than five dollars ($5.00) upon first registration of *and titling* or any transfer of ownership of a motor vehicle in this state, except where such vehicle is exempt from tax under KRS 138.470.

(8) Where a new motor vehicle is sold by a dealer in this state and the original purchaser returns the vehicle for any reason to the same dealer within sixty (60) days for a new vehicle replacement or a refund of the purchase price, the purchaser shall be entitled to a refund of the amount of usage tax received by the department of revenue as a result of the registration *and titling* of the returned vehicle. The registration *and titling* of the returned vehicle shall be cancelled and the vehicle shall be considered to have not been previously registered in Kentucky when resold by the dealer.

(9) When a manufacturer refunds the retail purchase price or replaces a new motor vehicle for the original purchaser within ninety (90) days because of malfunction or defect, the purchaser shall be entitled to a refund of the amount of motor vehicle usage tax received by the department of revenue as a result of the first registration *and titling*. No person shall be entitled to a refund unless he shall have filed with the department of revenue an affidavit from the manufacturer identifying the vehicle that was replaced and stating the date of replacement.

HR 61, A RESOLUTION relating to tobacco.

WHEREAS, the Commonwealth of Kentucky and her people feel the burden of these hard times; and

WHEREAS, the people recognize the need for a strong and vibrant agriculture; and

WHEREAS, the Secretary of Agriculture of the present federal administration has announced a 10 percent reduction in 1984 quotas for burley tobacco after the shortest crop on record; and

WHEREAS, the economic impact upon the Commonwealth of Kentucky, and her people will be devastating; and

WHEREAS, the present tobacco program, after many years of successfully serving its purpose to the people, has been altered to such an extent that it will destroy the livelihoods and hopes of a large segment of the people; and

WHEREAS, the imports of high-grade burley tobacco under the clever disguises of other lower quality grades as allowed by law are creating havoc within the Commonwealth of Kentucky's economy; and

WHEREAS, the imports of high-grade burley leaf are subsidized by the no-net cost program and bring to bear undue hardship upon our producers; and

WHEREAS, the Kentucky burley tobacco grower is being subjected to unfair treatment in the market by this deliberate attempt of the USDA to dismantle and destroy the tobacco program;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Section 1. That the 1984 General Assembly of the Commonwealth of Kentucky demand an accounting by those USDA officials and elective bodies responsible for this destructive and subversive attempt to destroy the number one cash crop of Kentucky farmers.

Section 2. That the 1984 General Assembly of the Commonwealth of Kentucky issue a plea to the USDA and Congress for an economic impact study upon the producers and their communities.

Section 3. That the 1984 General Assembly of the Commonwealth of Kentucky establish a task force to determine the impact the no-net cost program will have upon the producers, both short-term and long-term.

Section 4. That the 1984 General Assembly of the Commonwealth of Kentucky petition the General Accounting Office of the U.S. Government for documentation as to the volume of imports, grading procedures, pesticide and insecticide testing procedures of foreign leaf, country of origin, and whether slave or forced labor is used to produce tobacco by companies or countries.

SB 7, AN ACT relating to photographic evidence.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 422 IS CREATED TO READ AS

FOLLOWS:

(1) In a prosecution for any offense defined in KRS Chapter 514 or 515 the court shall receive, as competent evidence, a photograph of property over which the accused is alleged to have exerted unauthorized control or to have otherwise obtained unlawfully, if the photograph:

(a) Will serve the purpose of demonstrating the nature and identity of the property; and

(b) Is otherwise admissible into evidence under all other rules of law governing the admissibility of photographs into evidence.

The fact that it is impractical to introduce into evidence the actual property for any reason including its size, weight, or unavailability, need not be established for the court to find a photograph of that property to be competent evidence. If a photograph is found to be competent evidence under this section, it is admissible into evidence in place of the property and to the same extent as the property itself.

(2) A law enforcement agency that is holding as evidence property over which a person is alleged to have exerted unauthorized control or to have otherwise obtained unlawfully shall return that property to its owner if:

(a) The property has been photographed in a manner that will serve the purpose of demonstrating the nature and identity of the property, and if these photographs are filed with or retained by the law enforcement agency in place of the property;

(b) Receipt for the property is obtained from the owner upon delivery by the law enforcement agency;

(c) The prosecuting attorney who is prosecuting a case that involves the property has not requested the law enforcement agency to decline requests for return of the property to its owner; and

(d) The property may be lawfully possessed by the owner.

(3) Notwithstanding the provisions of subsection (2) of this section, a court may, if a motion so requesting is filed by a defendant within twenty (20) days of arrest, order the law enforcement agency to hold such property as evidence pending completion of the trial. However, the court may, for good cause, extend the time allowed for the defendant to file a motion to have the property held.

(a) It must be published in the publication area. A newspaper shall be deemed to be published in the area if it maintains its principal office in the area for the purpose of gathering news and soliciting advertisements and other general business of newspaper publications, and has a second-class mailing permit issued for that office. A newspaper published outside of Kentucky shall not be eligible to carry advertisements for any county or publication area within the county, other than for the city in which its main office is located, if there is a newspaper published in the county that has a substantial general circulation throughout the county and that otherwise meets the requirements of this section; and

(b) It must be of regular issue and have *a* [~~the largest~~] bona fide circulation in the publication area. A newspaper shall be deemed to be of regular issue if it is published regularly, as frequently as once a week, for at least fifty (50) weeks during the calendar year as prescribed by its mailing permit, and has been so published in the area for the immediately preceding two-year period. A newspaper shall be deemed to be of bona fide circulation in the publication area if it is circulated generally in the area, and maintains a definite price or consideration not less than fifty percent (50%) of its published price, and is paid for by not less than fifty percent (50%) of those to whom distribution is made; and

(c) It must bear a title or name, consist of not less than four (4) pages without a cover, and be of a type to which the general public resorts for passing events of a political, religious, commercial and social nature, and for current happenings, announcements, miscellaneous reading matter, advertisements, and other notices. (d) If, in a publication area there is more than one (1) newspaper which meets the above requirements, the newspaper having the largest bona fide circulation as shown by the *average number of copies of each issue during the preceding twelve (12) months as stated upon its* published statement of ownership for the publication area shall be the newspaper where advertisements required by law to be published shall be carried.

(e) For the purposes of KRS Chapter 424, publishing shall be considered as the total recurring processes of producing the newspaper, embracing all of the included contents of reading matter, illustrations, and advertising enumerated in paragraphs (a) through (d) of this subsection. A newspaper shall not be excluded from qualifying for the purposes of legal publications as provided in this chapter if its printing or reproduction processes take place outside the publication area.

(2) If, in the case of a publication area smaller than the county in which it is located, there is no newspaper published in the area, the publication shall be made in a newspaper published in the county that is qualified under this section to publish advertisements for the county. If, in any county there is no newspaper meeting the requirements of this section for publishing advertisements for such county, any advertisements required to be published for such county or for any publication area within the county shall be published in a newspaper of the largest bona fide circulation in that county, published in and qualified to publish advertisements for an adjoining county in Kentucky. This subsection is intended to supersede any statute that provides or contemplates that newspaper publication may be dispensed with if there is no newspaper printed or published or of general circulation in the particular publication area.

(3) The cabinet may conduct training to further the provisions of this Act.

SECTION 6. A NEW SECTION OF KRS CHAPTER 223 IS CREATED TO READ AS FOLLOWS:

(1) Application for a certificate, or for renewal thereof, shall be made to the cabinet in writing under oath or affirmation, upon forms prescribed and furnished by the cabinet. Such applications shall include:

(a) The name and address of the applicant;

(b) Prior experience, if any, in the field for which the applicant is applying;

(c) Any other information that the cabinet deems necessary in order to carry out the provisions of this Act;

(d) All past and current licenses held in this or any other state relating to the provisions of this Act.

(2) The cabinet may issue a water well driller certificate to any applicant who meets all of the provisions of this Act and:

(a) Is at least eighteen (18) years of age; and

(b) Is a citizen of the United States or has declared an intention to become a citizen of the United States; and

(c) Has worked for two (2) years under the supervision of a certified water well driller; for those in business on the effective date of this Act, the two (2) year experience requirement shall be deemed satisfied if the driller has engaged in water well drilling, over the two (2) previous years; and

(d) Has a passing grade on the examination as determined by the cabinet.

(3) Those persons in business for two (2) years on the effective date of this Act shall be deemed exempt from the examination requirements of this chapter and shall apply for and obtain a certificate by July 1, 1985.

(4) The term of each certificate shall be one (1) year. Each certificate shall carry with it the right to

successive renewal upon application and payment of fee, unless the board finds that the certified individual has failed to comply satisfactorily with this Act or the regulations promulgated pursuant to this Act.

SECTION 7. A NEW SECTION OF KRS CHAPTER 223 IS CREATED TO READ AS FOLLOWS:

(1) Each application for issuance or renewal of a certificate shall be accompanied by a proof of liability coverage for bodily injury of at least twenty-five thousand dollars ($25,000) per person with an aggregate of at least fifty thousand dollars ($50,000) and for property damage of at least fifty thousand dollars ($50,000) per accident with an aggregate of at least one hundred thousand dollars ($100,000). Notice shall be given by certified mail to the executive secretary and treasurer of the board by the insurer upon lapse of coverage by the insurance company for any reason, including nonpayment of premiums.

(2) Prior to the issuance of a driller certificate, proof of a surety bond must be filed along with the application for a certificate. The penal sum of this bond shall be five thousand dollars ($5,000), with the applicant designated as the principal obligor and the Commonwealth designated as the obligee. The surety may be called on by the secretary if the certified individual knowingly or wilfully violates any administrative regulation promulgated pursuant to this Act or provision of this Act. Notice of lapse of coverage for any reason by the surety shall be given by certified mail to the executive secretary and treasurer of the board by the surety.

SECTION 8. A NEW SECTION OF KRS CHAPTER 223 IS CREATED TO READ AS FOLLOWS:

The secretary, upon recommendation of the board, shall promulgate administrative regulations establishing standards of practice for water well construction. The secretary shall utilize the manual of water well construction practices as the guidance document in the development of standards and regulations. These standards and regulations shall be proposed within one (1) year of the effective date of this Act and shall be included as a component of the certification program.

SECTION 9. A NEW SECTION OF KRS CHAPTER 223 IS CREATED TO READ AS FOLLOWS:

(1) Any person certified under this Act, shall keep a record of each well constructed, altered or sealed after the effective date of this Act, and shall furnish a signed copy of such record to the cabinet within thirty (30) days after the completion of the construction or alteration. A copy of the record shall be furnished to the property owner by the driller within thirty (30) days of completion of the well. Each record required under this section shall be in a form prescribed by the cabinet and shall show:

(a) The name and address of the owner of the well and the persons constructing or altering the well;

(b) A sketch showing the distance from any road, intersection, septic tank drain fields and permanent structures;

(c) The dates of commencement and completion of the construction or alteration of the well;

(d) The depth, diameter, and type of casing;

(e) The kind of joint couplings;

(f) Information on screens and type of completion;

(g) The discharge in gallons per minute and the shut-in pressure in pounds per square inch of a flowing well;

(h) The static water level with reference to the land surface and estimation of well yield, and the drawdown with respect to the amount of water yielded per minute;

(i) The kind, nature, approximate thickness and water-bearing capacity of the material in each stratum penetrated that shows the presence of water, with at least one (1) entry for each change in rock types; and

(j) The type and amount of disinfectant used and the date of disinfection.

(2) Where the well is for potable use the well driller shall be responsible for having the well tested for fecal coliform and the initial disinfection of the well. The driller shall provide the well owner and the cabinet with the written results of any and all testing and a written assurance that the well has been properly disinfected, within thirty (30) days of well completion.

(3) A copy of the record shall be furnished by the cabinet to the Kentucky geological survey.

SECTION 10. A NEW SECTION OF KRS CHAPTER 223 IS CREATED TO READ AS FOLLOWS:

The secretary, upon recommendation of the board, shall establish by regulation a system of fees, provided that the fees shall not exceed reasonable costs of administering the certification, certificate renewal, testing, inspection, certificate suspension and revocation activities provided for in this Act. All fees obtained under this program shall be deposited in a trust and agency account for the sole use of the board and the cabinet in administering the certification program, and shall not become part of the general fund.

SECTION 11. A NEW SECTION OF KRS CHAPTER 223 IS CREATED TO READ AS FOLLOWS:

All water well drillers, before doing any water well related work in Kentucky, must comply with this Act notwithstanding comparable state provisions in states other than Kentucky.

SECTION 12. A NEW SECTION OF KRS CHAPTER 223 IS CREATED TO READ AS FOLLOWS:

The cabinet may make such unannounced inspections as it deems necessary to determine compliance of certified individuals with the provisions of this Act. The cabinet shall also have the right to enter after written notice upon any and all property for the purpose of obtaining information about water well construction, whether idle, in use or abandoned.

SECTION 13. A NEW SECTION OF KRS CHAPTER 223 IS CREATED TO READ AS FOLLOWS:

Any person who is injured in his person or property through the violation of any rule, regulation, order, or determination issued pursuant to this Act may bring an action for damages, including reasonable attorney and expert witness fees, in the circuit court of the county in which the water well related activity complained of is located.

Section 14. KRS 223.991 is amended to read as follows:

(1) Any person, firm or corporation (municipal or private) who violates any provisions of KRS 223.160 to 223.220 or the rules and regulations adopted thereunder shall be liable to a civil penalty not to exceed the sum of one thousand dollars ($1,000) for said violation and an additional civil penalty not to exceed one thousand dollars ($1,000) for each day of operation in violation of KRS 223.160 to 223.220 or of the rules and regulations adopted thereunder. In addition, the person, firm or corporation may be enjoined in the manner set forth in KRS Chapter 224 from continuing such violations.

(2) Any person who fails to comply with the certification provisions of this Act in violation of Section 2 of this Act shall be liable for a civil penalty not to exceed the sum of one thousand dollars ($1,000) for each day during which such violation continues, and in addition may be concurrently enjoined from any such violations as hereinafter provided.

(3) Any person certified under the provisions of this Act, who violates this Act or fails to perform any duties imposed by these sections, or who violates any determination, rule, regulation or order or determination of the secretary promulgated pursuant thereto may be subject to proceedings for certificate suspension or revocation, or non-renewal of a certificate.

(4) It shall be the duty of the cabinet to institute an action for the recovery of the penalties herein provided for, and to bring an action for an injunction against any person violating or threatening to violate the certification provisions of this Act or violating or threatening to violate any order or determination of the cabinet promulgated pursuant thereto. In any such action any findings of the cabinet shall be prima facie evidence of the fact or facts found therein.

(5) Any person found guilty of violating the certification provisions of this Act or the rules and regulations adopted thereunder shall be guilty of a misdemeanor and may be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500) for each violation or imprisoned not more than thirty (30) days or both. Each day the violation continues shall be considered a separate violation.

(6) Civil and criminal penalties shall not be deemed mutually exclusive.

(7) All enforcement proceedings shall be conducted pursuant to KRS Chapter 224, and all certificate revocation and enforcement actions shall be subject to the administrative and judicial procedures contained in KRS Chapter 224.

HB 514, AN ACT relating to surface mining and declaring an emergency.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.032 is amended to read as follows:

(1) In case of refusal to obey a subpoena issued to any person, any circuit court of competent jurisdiction, upon application by any party, may issue to that person an order requiring him to appear before the cabinet, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question; and any failure to obey the order of the court may be punished by the court as a contempt of court.

(2) Any person aggrieved by a final order of the cabinet may obtain a review of the order by filing in the Franklin Circuit Court, within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside in whole or in part. A copy of the petition shall be forthwith served upon the cabinet, and thereupon the cabinet shall certify and file in court a copy of the record before the cabinet, including therein all pleadings, orders, documentary exhibits and the stenographic transcript of the testimony taken before the cabinet. When these have been filed, the court shall have exclusive jurisdiction to affirm, modify, enforce or set aside the order, in whole or in part. No objection to the order may be considered by the court unless it was urged before the cabinet or there were reasonable grounds for failure to do so. The findings of the cabinet as to the facts, if supported by substantial evidence, are conclusive. If either party applies to the

court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for failure to adduce the evidence in the hearings before the cabinet, the court may order that additional evidence be taken before the cabinet in such manner and upon such condition as the court may consider proper. The cabinet may modify its findings as to the facts, by reason of the additional evidence so taken; and it shall file any modified or new findings with the court, which if supported by substantial evidence shall be conclusive, and any recommendation for the modification or setting aside of the original order. The commencement of the proceedings under this section does not, unless specifically ordered by the court, operate as a stay of the cabinet's order. An appeal may be taken from the judgment of the Franklin Circuit Court to the Court of Appeals on the same terms and conditions as an appeal is taken in any civil action.

(3) In the case of a proceeding to review any order or decision issued by the secretary under this chapter pertaining to surface coal mining operations, the court may, under such conditions as it may prescribe, grant such temporary relief as it deems appropriate pending final determination of the proceedings if:

(a) All parties to the proceedings have been notified and given an opportunity to be heard on a request for temporary relief;

(b) The person requesting such relief shows that there is a substantial likelihood that he will prevail on the merits of the final determination of the proceeding; and

(c) Such relief will not adversely affect the public health or safety or cause significant imminent environmental harm to land, air, or water resources.

Section 2. KRS 350.060 is amended to read as follows:

(1) No person shall engage in surface coal mining and reclamation operations without having first obtained from the cabinet a permit designating the area of land affected by the operation. Permits shall authorize the operator to engage in surface coal mining and reclamation operations upon the area of land described in his application for a period of not to exceed five (5) years; provided that if an applicant demonstrates that a specified longer term is reasonably needed to obtain necessary financing for equipment and the opening of the operation and if the application is full and complete for such specified longer term, the cabinet may grant a permit for such longer term. No mining shall be permitted beyond the time period obligations of the initial or extended bond coverage.

(2) All operators who wish to engage in surface coal mining and reclamation operations and who have a valid permit from the cabinet and who are in expectation of operating such mines after the expiration of eight (8) months from the approval by the secretary of the interior of the permanent regulatory program shall within two (2) months of the effective date of such approval apply for a new permit for such mines in compliance with the requirements of this section. The cabinet for natural resources and environmental protection shall establish procedures and programs consistent with this chapter to issue or deny such permits within eight (8) months of such approval. The general assembly finds the fact that, due to the large number of permitted operations within the Commonwealth, the eight-month period may be administratively impracticable, and hereby authorizes the secretary to devise procedures to comply with this section in the most expeditious and reasonable manner possible, and a filing shall be deemed timely for the purposes of this subsection and surface coal mining operations may continue under an existing permit if that filing is in substantially complete form and submitted within the time limits set forth herein.

(3) Any permit validly issued by the cabinet under the interim regulatory program in effect on March 21, 1980 and which would expire at any time after May 1, 1980 and before eight (8) months after approval of the permanent regulatory program by the United States secretary of the interior, shall be extended and remain in effect until eight (8) months after approval of the permanent regulatory program. Any interim permit so extended shall continue as a valid existing permit for purposes of this subsection if the permittee so requests and files an application for a permit with the cabinet within two (2) months of the date of approval of the permanent regulatory program. The permittee may conduct operations under that existing permit beyond the eight (8) month period if an application has been filed in accordance with this subsection, but the initial administrative decision has not been rendered.

(4) No permit or revision application shall be approved unless the application affirmatively demonstrates and the cabinet finds in writing on the basis of the information set forth in the application or from information otherwise available, that the permit application is accurate and complete and that all the requirements of this chapter have been complied with.

(5) An operator desiring a permit to engage in surface coal mining operations shall file an application which shall state:

(a) The location and area of land to be affected by the operation, with a description of access to the area from the nearest public highways;

(b) The owner or owners of the surface of the area of land to be affected by the permit and the owner or owners of all surface area adjacent to any part of the affected area;

(c) The owner or owners of the coal to be mined;

(d) The source of the applicant's legal right to mine the coal on the land affected by the permit;

(e) The permanent and temporary post-office addresses of the applicant;

(f) Whether the applicant or any person, partnership or corporation associated with the applicant holds or has held any other permits under this chapter, and an identification of such permits;

(g) Whether or not the applicant is in compliance with subsection (3) of KRS 350.130 and whether or not every officer, partner, director or any individual owning of record or beneficially (alone or with associates) [~~a~~] ten percent (10%) or more *of any class of voting stock* [~~interest~~] of the applicant, is subject to any of the provisions of subsection (3) of KRS 350.130 and he shall so certify;

(h) A listing of any and all violations of this chapter, P.L. 95-87, and any law, rule or regulation in effect for the protection of air or water resources incurred by the applicant in connection with any surface coal mining and reclamation operation during the three-year period prior to the date of an application. Such a list shall indicate the final resolution of the violations; and

(i) Whether the area of land to be affected by the operation has been previously mined and is not in compliance with current reclamation standards, if so then identify the needed reclamation work.

(6) The application for a permit shall be accompanied by an official document (and an affidavit attesting to the document's authenticity) which will evidence what particular business entity the applicant is, whether a foreign or domestic corporation, a partnership, an entity doing business as another, or, if sole proprietorship, then an affidavit so stating.

(7) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of a United States geological survey topographic map or such other map acceptable to the cabinet on which the operator has indicated the location of the operation, the course which would be taken by drainage from the operation to the stream or streams to which such drainage would normally flow, the name of the applicant and date, and the name of the person who located the operation on the map.

(8) The application for a permit shall be accompanied by copies, in numbers satisfactory to the cabinet, of an enlarged United States geological survey topographic map or such other map acceptable to the cabinet meeting the requirements of the subsections below. The map shall:

(a) Be prepared and certified by a professional engineer, registered under the provisions of KRS Chapter 322. The certification shall be in the form as provided in subsection (10) below, except that the engineer shall not be required to certify the true ownership of property under paragraph (d) of this subsection;

(b) Identify the area to correspond with the application;

(c) Show adjacent deep mining;

(d) Show the boundaries of surface properties and names of owners on the affected area and adjacent to any part of the affected area;

(e) Be of a scale of 1:24,000 or larger;

(f) Show the names, and locations of all streams, creeks, or other bodies of public water, roads, buildings, cemeteries, oil and gas wells, and utility lines on the area of land affected and within five hundred (500) feet of such area;

(g) Show by appropriate markings the boundaries of the area of land affected, the cropline of the seam or deposit of coal to be mined, and the total number of acres involved in the area of land affected;

(h) Show the date on which the map was prepared, the north point and the quadrangle name; and

(i) Show the drainage plan on and away from the area of land affected. Such plan shall indicate the directional flow of water, constructed drainways, natural waterways used for drainage, and the streams or tributaries receiving the discharge.

(9) Each application shall include a determination of the probable hydrologic consequences of the mining and reclamation operations, both on and off the mine site, with respect to the hydrologic regime, quantity and quality of water in surface and groundwater systems, including the dissolved and suspended solids under seasonal flow conditions and the collection of sufficient data for the mine site and surrounding areas so that an assessment can be made by the cabinet of the probable cumulative impacts of all anticipated mining in the area upon the hydrology of the area and particularly upon water availability; provided, however, that this determination shall not be required until such time as hydrologic information on the general area prior to mining is made available from an appropriate federal or state agency. Provided further, that the permit shall not be approved until such information is available and is incorporated into the application.

(10) All certifications required by this chapter to be made by professional engineers shall be done in the form prescribed by the cabinet and shall be reasonably specific as to the work being certified. The cabinet may reject any document or map as incomplete if it is not properly certified.

(11) The application shall be accompanied by a transportation plan which shall set forth the portions of the state primary road system, if any, over which the applicant proposes to transport minerals extracted in the mining operation. The transportation plan shall specify the legal weight limits for each portion of any such highway or bridge over which the applicant proposes to transport minerals. The transportation plan shall include any proposal by the applicant to obtain a special permit pursuant to the provisions of KRS 189.271 to exceed the weight limits on any highway or bridge. The transportation plan shall contain a

certification by a duly authorized official of the cabinet of transportation attesting the accuracy of the transportation plan in regard to the locations and identities of highways and bridges on the state primary road system and the accuracy of the specifications of weight limits on such highways and bridges. All trucks hauling coal on a fully controlled limited access highway shall be covered by a tarp or equivalent cover to prevent spillage.

(12) In addition to the information and maps required above, each application for a permit shall be accompanied by detailed plans or proposals showing the method of operation, the manner, time and distance for backfilling, grading work and a reclamation plan for the affected area, which proposals shall meet the requirements of this chapter and rules and regulations adopted pursuant thereto.

(13) The application for a permit shall be accompanied by proof that the applicant has public liability insurance coverage satisfactory to the cabinet for the surface mining and reclamation operations for which the permit is sought, or proof that the applicant has satisfied self-insurance requirements as provided by regulations of the cabinet. Such coverage shall be maintained in full force and effect during the terms of the permit and any renewal thereof, and until reclamation operations are completed.

(14) A basic fee set by regulation, and bearing a reasonable relationship to the cost of processing the permit application but not to exceed three hundred seventy-five dollars ($375) plus a fee set by regulation but not to exceed seventy-five dollars ($75) for each acre or fraction thereof of the area of land to be affected by the operation, shall be paid before the permit required herein shall be issued. The operator shall file with the cabinet a bond payable to the Commonwealth of Kentucky with surety satisfactory to the cabinet in the penal sum to be determined by the cabinet for each acre or fraction thereof of the area of land affected, with a minimum bond of ten thousand dollars ($10,000), conditioned upon the faithful performance of the requirements set forth in this chapter and of the rules and regulations of the cabinet. In determining the amount of the bond the cabinet shall take into consideration the character and nature of the overburden, the future suitable use of the land involved and the cost of backfilling, grading and reclamation to be required and the probable difficulty of reclamation giving consideration to such factors as topography, geology, hydrology, and revegetation potential. The bond amount shall initially be computed to be sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture. The cabinet shall promulgate regulations setting forth bonding requirements including, but not limited to, requirements for the amount, duration, release, and forfeiture of such bonds. Where the circumstances are such as to warrant an exception, the cabinet, in its discretion, may reduce the amount of the bond for a two (2) acre operation to less than the required minimum.

(15) Surface coal mining and reclamation operations which affect two (2) acres or less shall be exempt from the requirements of this chapter, except that the cabinet shall promulgate reasonable minimal regulations for permitting, bonding, controlling offsite water quality, revegetation, refuse piles, and use of explosives; and shall prohibit disposal of soil over the outslope in an uncontrolled manner. Such regulations shall recognize the distinct difference between two (2) acre operations and other surface coal mining operations and shall be less stringent than those imposed on other surface coal mining operations affecting more than two (2) acres, and in no event shall the cabinet require that the highwalls left by such operations be eliminated. In no event shall the bond be more than one thousand dollars ($1,000) per acre. The cabinet shall promulgate a short form application which will require the basic business information and a brief description of the method of operation. These applications shall be processed within thirty (30) calendar days. All procedural provisions and the penalty provisions of KRS 350.990 shall, however, apply to operations conducted and permits granted pursuant to this subsection. The cabinet shall enforce this subsection consistent with KRS Chapter 350 except that the cabinet shall not issue orders requiring cessation of operations for mere failure to abate a violation.

(16) The cabinet shall promulgate rules and regulations for the permitting of operations with surface effects of underground mining and other surface coal mining and reclamation operations consistent with this section. The cabinet shall recognize the distinct differences between the surface effects of underground mining and strip mining, as also provided in KRS 350.151, in promulgating permitting requirements for these operations; provided, that the cabinet shall require, for underground mines that are greater than two (2) acres under subsection (15) of this section, that all of the areas overlying underground workings be permitted but that the areas overlying underground workings not affected by operations and facilities occurring on the surface shall not be subject to the payment of acreage fees or bond requirements of subsection (14) of this section or of KRS 350.151; provided, however, that applications for operations of two (2) acres or less filed under subsection (15) of this section shall clearly identify the boundaries of the proposed deep mine operation.

(17) Any valid permit issued pursuant to this chapter shall carry with it the right of successive renewal upon expiration with respect to areas within the boundaries of the existing permit. The holders of the permit may apply for renewal and such renewal shall be issued (provided that on application for renewal the burden shall be on the opponents of renewal), subsequent to the fulfillment of the public notice requirements of this chapter unless it is established and written findings by the cabinet are made that:

(a) The terms and conditions of the existing permit are not being satisfactorily met;

(b) The present surface coal mining and reclamation operation is not in compliance with the environmental protection standards of this chapter;

(c) The renewal requested substantially jeopardizes the operator's continuing responsibility on existing permit areas;

(d) The operator has not provided evidence that the performance bond in effect for said operation will continue in full force and effect for any renewal requested in such application as well as any additional bond the cabinet might require; or

(e) Any additional revised or updated information required by the cabinet has not been provided;
Prior to the approval of any renewal of permit the cabinet shall provide notice to the appropriate public authorities.

(18) If an application for renewal of a valid permit includes a proposal to extend the mining operation beyond the boundaries authorized in the existing permit, the portion of the application for renewal of a valid permit which addresses any new areas of surface disturbance shall be subject to the full standards applicable to new applications under this chapter.

(19) Any permit renewal shall be for a term not to exceed the period of the original permit. Application for permit renewal shall be made at least one hundred and twenty (120) days prior to the expiration of the valid permit.

(20) Notwithstanding any of the provisions of this section, a permit shall terminate if the permittee has not commenced the surface coal mining operations covered by such permit within three (3) years of the issuance of the permit. However, the cabinet may grant reasonable extensions of time upon a showing that such extensions are necessary by reason of litigation precluding commencement of operations, or threatening substantial economic loss to the permittee, or by reason of conditions beyond the control and without the fault or negligence of the permittee. With respect to coal to be mined for use in a synthetic fuel facility or specific major electric generating facility, the permittee shall be deemed to have commenced surface mining operations at such time as the construction of the synthetic fuel or generating facility is initiated.

(21) Each application for a permit or revision for auger mining on a previously mined area must contain information to describe the area to be affected, to show that the proposed method of operation will result in stable post-mining conditions, and reduce or eliminate adverse environmental conditions created by previous mining activities. If the cabinet determines that the affected area cannot be stabilized and reclaimed subsequent to augering or that the operation will result in an adverse impact to the proposed or adjacent area, the permit or revision shall not be issued. The cabinet shall, consistent with all applicable requirements of KRS Chapter 350, issue a permit or revision if the applicant demonstrates that the proposed coal mining operations will provide for reduction or elimination of the highwall, or reduction or abatement of adverse impacts resulting from past mining activities, or stabilization or enhancement of a previously mined area. The cabinet shall insure that all reasonably available spoil material will be used to backfill the highwall to the extent practical and feasible; provided, however, that in all cases the holes be properly sealed and backfilled to a minimum of four (4) feet above the coal seam being mined.

(22) All operations involving the crushing, screening, or loading of coal which do not separate the coal from its impurities, and which are not located at or near the mine site, shall be exempt from the requirements of this chapter.

Section 3. KRS 350.093 is amended to read as follows:

(1) As determined by regulations of the cabinet, time *and distance* limits shall be established requiring backfilling, grading and planting to be kept current, such that all reclamation efforts proceed in an environmentally sound manner and as contemporaneously as practicable under regulations promulgated by the cabinet. All backfilling and grading shall be completed before necessary equipment is moved from the operation; provided however that the cabinet may for good cause approve the moving of equipment before all backfilling and grading is completed.

(2) *(a)* The cabinet may allow an operator to defer *the time criteria of* contemporaneous reclamation requirements on specified areas if the operator can demonstrate that said deferment is necessary to address at least one (1) of the following:

1.[~~(a)~~] Adverse condition including weather, labor and other conditions clearly beyond the operator's control;

2.[~~(b)~~] Other bona fide mining operations carried out on a strip mined area, pursuant to KRS 350.080;

3.[~~(c)~~] Coal marketing problems.

(b) Application for a deferment pursuant to this section shall be in the form prescribed by the cabinet. *The applicant has the burden in establishing the need for such deferment. The applicant must demonstrate that reclamation on the site is contemporaneous as of the date of the request for deferment and that distance requirements for contemporaneous reclamation will be met during the period of the deferment.* Approval of the deferment request shall be made in writing. The approval shall state that the deferment is justified and that no environmental damage will occur during the period of deferment. Reclamation deferments may be approved for a period reasonably related to the specified conditions justifying the deferment, but in no event

shall the aggregate deferral period exceed thirty (30) months, nor shall the deferral extend beyond the expiration date of the permit. The cabinet shall periodically reexamine and update the amount of the bond on the permit area so that the amount of the bond is sufficient to assure completion of reclamation if the work had to be performed by the cabinet in the event of forfeiture.

(3) If the operator or other person desires to conduct drift mining or other underground mining upon the premises or use the openings for haulageways or other lawful purposes, the operator may designate locations to be used for such purposes at which places it will not be necessary to backfill as herein provided for until such drift or other underground mining or other use is completed, during which time the bond on file for that portion of the operation shall not be released. That portion of such locations shall be described and designated on the map attached thereto; provided, that where the operator or other person wishes to combine surface operations with underground mining operations to assure maximum practical recovery of coal resources, the cabinet may grant a variance, pursuant to regulations promulgated by the cabinet, for specific areas within the reclamation plan from the requirement that reclamation efforts proceed pursuant to subsection (1) of this section so as to permit underground mining operations prior to reclamation.

(4) The cabinet may release in whole or in part the reclamation bond or deposit for a particular operation if the cabinet is satisfied that the reclamation covered by the bond or deposit or portion thereof has been accomplished as required by this chapter. Such bond releases shall be made in accordance with the following schedule:

(a) When the operator completes the backfilling, regrading, and drainage control of a bonded area in accordance with his approved reclamation plan, the release of sixty percent (60%) of the bond or collateral for the applicable permit area.

(b) After revegetation has been established on the regraded mined lands in accordance with the approved reclamation plan. When determining the amount of bond to be released after successful revegetation has been established, the cabinet shall retain that amount of the bond for the revegetated area which would be sufficient for a third party to cover the cost of reestablishing revegetation; such amount shall be retained for the period specified for operator responsibility for reestablishing revegetation. No part of the bond or deposit shall be released under this subsection so long as the lands to which the release would be applicable are contributing suspended solids to streamflow or runoff outside the permit area in excess of requirements set by this chapter or until soil productivity for prime farm lands has returned to levels of yield equivalent to those of unmined land of the same soil type in the surrounding area under equivalent management practices as determined from such soil surveys as may be required to be included in the permit application. Where a sedimentation pond is to be retained as a permanent impoundment, the portion of bond may be released under this subsection so long as provisions for sound future maintenance by the operator or the landowner have been made with the cabinet.

(c) When the operator has completed successfully all surface coal mining and reclamation activities, the release of the remaining portion of the bond, but not before the expiration of the period specified for operator responsibility. (3) Any person who is or may be adversely affected by the violation by any person of any rule, regulation, order or permit issued pursuant to this chapter may bring a civil action *for injunctive relief or for damages or both* (including reasonable attorney and expert witness fees) in the circuit court of the county in which the surface coal mining operation complained of is located. *Nothing in this subsection shall be construed to be a waiver of sovereign immunity by the Commonwealth.*

(4) In such action under this section, the cabinet, if not a party, may intervene as a matter of right.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 18A.110 is amended to read as follows:

The commissioner shall prepare and submit to the board proposed rules for the classified service. Such rules shall have the force and effect of law, when approved by the board, after public notice and public hearing, and after filing with the legislative research commission in accordance with KRS Chapter 13 and procedures adopted thereunder. If not disapproved by the board within forty-five (45) days after the submission thereof, they shall have the same force and effect as if approved. Amendments thereto may be made in the same manner, or on the initiative of the board. The rules shall provide:

(1) For the preparation, maintenance and revision of a position classification plan for all positions in the classified service, based upon similarity of duties performed and responsibilities assumed, so that the same qualifications may reasonably be required for and the same schedule of pay may be equitably applied to all positions in the same class. After such classification has been approved by the board, the commissioner shall allocate the position of every employe in the classified service to one (1) of the classes in the plan. Any employe affected by the allocation of a position to a class shall, after filing with the commissioner a written request for reconsideration thereof in such manner and form as the commissioner may prescribe, be given a reasonable opportunity to be heard thereon by the commissioner;

(2) For a pay plan for all employes in the classified service, after consultation with appointing authorities and the secretary of the department of finance. The plan shall take into account such factors as (a) the relative levels of duties and responsibilities of various classes of positions; (b) rates paid for comparable positions elsewhere; and (c) the state's financial resources. Such pay plan shall become effective only after it has been approved by the governor after submission to him by the board. Amendments to the pay plan may be made in the same manner. Each employe shall be paid at one (1) of the rates set forth in the pay plan for the class of position in which he is employed;

(3) For open competitive examinations to test the relative fitness of applicants for the respective positions. Such examinations shall be announced publicly at least fifteen (15) days in advance of the date fixed for the filing of applications therefor, and may be advertised through the press, radio and other media. The commissioner shall continue to receive applications and examine candidates on a continuous basis long enough to assure a sufficient number of eligibles to meet the needs of the service, and shall add the names of successful candidates to existing eligible lists in accordance with their respective ratings. The commissioner shall be free to use any investigation of education and experience and any test of capacity, knowledge, manual skill, character, personal traits, or physical fitness which in his judgment serves the need to discover the relative fitness of applicants;

(4) For promotions which shall give appropriate consideration to the applicant's qualifications, record of performance, conduct and seniority[~~. Vacancies shall be filled by promotion whenever practicable and in the best interest of the service~~];

(5) *For notice of all vacancies in the state classified service to be conspicuously posted in each agency for a period of ten (10) days. State employes desiring to apply for vacant positions shall contact the department and place their names on a job bank register. The department shall review each application to determine if the state employe meets the minimum qualifications for the vacant position. The list of eligible employes from the job bank register shall be sent by the department to the agency where the vacancy exists. Each eligible state employe shall be interviewed. First priority in hiring should be given to persons within the agency where the vacancy exists, next priority to other persons within the cabinet, next to others in state government, then to applicants without employment status. Decisions to select a particular person and to reject others shall be justified and documented, and the information kept on file for review and analysis by the department of personnel;*

(6)[~~(5)~~] For the establishment of eligible lists for appointment, upon which lists shall be placed the names of successful candidates in the order of their relative excellence in the respective examinations.

Eligibility lists shall expire automatically at the end of two (2) years, unless the life of a list is extended by action of the board for a period not to exceed one (1) additional year;

(7)[~~(6)~~] For the rejection of candidates or eligibles who fail to comply with reasonable requirements of the commissioner in regard to such factors as age, physical condition, training and experience, or who have been guilty of infamous or disgraceful conduct; who are addicted to alcohol to excess or to narcotics, or who have attempted any deception or fraud in connection with an examination;

(8)[~~(7)~~] For the appointment of a person whose score is included in the five (5) highest scores earned on the examination;

(9)[~~(8)~~] For a period of probation not to exceed one (1) year before appointment or promotion may be made complete, and during which period a probationer may be discharged or reduced in class or rank, or replaced on the eligible list. Unless the appointing authority notifies the employe prior to the end of the probationary period that the employe's services are not satisfactory, the employe shall have status in the classified service. The notice shall be in writing and as provided by personnel rules;

(10)[~~(9)~~] For emergency employment for not more than thirty (30) working days with or without examination, with the consent of the commissioner;

(11)[~~(10)~~] For provisional employment without competitive examination when there is no appropriate eligible list available. No such provisional employment shall continue longer than six (6) months, nor shall successive provisional appointment be allowed to the same position;

(12)[~~(11)~~] For transfer from a position in one (1) department to a similar position in another department involving similar qualifications, duties, responsibilities, and salary ranges;

(13)[~~(12)~~] For reinstatement within not more than five (5) years, only with the approval of the commissioner, of persons who resign in good standing or who are laid off from their positions without fault or delinquency on their part;

(14)[~~(13)~~] For developing, in cooperation with the appointing authorities, uniform standards and methods of appraising work performance of all employes and for the use of such methods of appraisal in personnel actions;

(15)[~~(14)~~] For lay-offs by reasons of lack of funds or work, or abolishment of a position, or material change in duties or organization, and for reinstatement of employes so laid off, giving consideration in both lay-offs and reemployment to qualifications, performance records, conduct and seniority in service;

(16)[~~(15)~~] For imposition as disciplinary measures of a fine of not more than ten (10) working days' pay or for suspension from the service without pay for not longer than thirty (30) working days and for the manner of notification of the employe of the discipline and his right of appeal;

(17)[~~(16)~~] For discharge or reduction in rank or grade only for cause, after the person to be discharged or reduced has been presented with the reasons for such discharge or reduction stated in writing, and has been allowed a reasonable time to reply thereto in writing, or, upon request, to appear personally with counsel and reply to the head of the department or his deputy. The statement of reasons and the reply shall be filed as a public record with the commissioner;

(18)[~~(17)~~] For establishment of a plan for resolving employe grievances and complaints;

(19)[~~(18)~~] For annual, sick and special leaves of absence, with or without pay, or reduced pay, after approval by the governor as provided in subsection (2) of KRS 18A.075;

(20)[~~(19)~~] For the development and operation of programs to improve the work effectiveness of employes in the state service, including training, whether in-service or compensated educational leave, safety, health, welfare, counseling, recreation, and employe relations;

(21)[~~(20)~~] For promotion of career employes to positions in the unclassified service without loss of status to the individual employes so promoted;

(6) Notwithstanding any other provisions of this section, upon written notification to the board, a member shall have the option to defer his election to receive his retirement allowance. The retirement allowance payable under a deferred option shall be increased to reflect the deferred receipt of benefits.

(7) In lieu of any other benefits due under KRS 16.510 to 16.652 a member who has attained age fifty-five (55) may elect to receive an annual retirement allowance, payable monthly or less frequently as determined by the board, which shall be determined by multiplying his accumulated contributions by two (2) and converting this amount to an annual retirement allowance based on an annuity rate adopted by the board which would pay the actuarial equivalent of twice his accumulated contributions over the lifetime of the retired member.

The employer's share of sixty-five (65) percent of such computed actuarial cost shall be paid from the state treasury to the Kentucky employes retirement system upon presentation of a properly documented claim to the finance and administration cabinet. If any such member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph (c), and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the state treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is twenty-five cents (25) greater or less than the amount of the initial retirement payment.

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky:

Rule 1. Hours of Meeting. The House shall meet at times set by the Committee on Committees.

Rule 2. Quorum. A majority of the members elected to the House shall constitute a quorum. If a quorum is not present at the time fixed for a meeting of the House, five members may adjourn or recess from day to day or from time to time and fifteen members may order a call of the House and send for absent members.

Rule 3. Call of the House. Upon a call of the House, the Clerk shall call the roll. Absentees are then only noted, but no excuses shall be made until the full roll is called. The clerk shall then call the absentees again. Excuses will be heard at this time. The doors of the House Chamber shall then be closed and the absentees not excused by the House may be sent for and arrested by the Sergeant-at-Arms and the House shall determine upon what conditions they shall be discharged from arrest. Members who voluntarily appear shall be immediately admitted to the floor of the House and names returned upon the Journal as present unless the House otherwise directs. Excuses for leaves of absence must receive a consent approval of 2/3 of the members elected.

ORDER OF BUSINESS

Rule 4. Order of Business. The order of business shall be as follows:

1. Invocation.
2. Roll Call.
3. Reading and approval of the Journal.
4. Introduction and Reading of New Bills and Resolutions Introduced by Title and Sponsor.
5. Report of Reference of Bills to Committees.
6. Report of Committees.
7. First Reading of Bills.
8. Second Reading of Bills.
9. Orders of the Day.
10. Motions, Petitions and Communications.
11. Announcements.
12. Adjournment.

No more than thirty minutes shall be allotted to Motions, Petitions and Communications.

Rule 5. Unfinished Business. Unfinished business which was being considered upon adjournment shall have precedence in the class of business to which it properly belongs upon the next succeeding legislative day.

MOTIONS

Rule 6. Reading of Motions. When a motion has been made and seconded, it shall be stated by the Speaker, or, being in written form, it shall be read by the Clerk before debate, amendment or motion concerning it shall be in order.

Rule 7. Withdrawal of Motions. Every oral motion after it has been stated by the Speaker, and every written motion, bill, resolution or other paper, after it has been read by the Clerk, shall be the property and in the possession of the House and shall not be withdrawn without consent of the House. Every written motion, report or measure may be committed or recommitted at the pleasure of the House.

Rule 8. Order of Questions. All questions, whether in Committee of the Whole or in the House, when not privileged questions, shall be propounded in the order in which they were moved, except that in filing blanks the smallest sum and the most remote date shall be put first.

Rule 9. Precedence of Motions. When a question is under consideration, no motion shall be in order except:

1. To call the House when there is no quorum present.
2. To fix the time to which the House shall adjourn.
3. To adjourn.
4. To take recess.
5. To lay on the table.
6. For the previous question.

7. To limit or extend limits of debate.
8. To postpone to a fixed time.
9. To lay on the Clerk's Desk.
10. To refer or commit.
11. To amend.
12. To postpone indefinitely.

The above several motions shall have precedence in the order in which they are arranged and the first seven of them shall not be debatable.

A second motion to adjourn, to take a recess, to lay on the table, for the previous question, to limit or extend limits of debate, to postpone to a time certain, to lay on the Clerk's desk, to refer or commit or to postpone indefinitely shall not be in order on the same day, upon the same question, and at the same status unless other business intervenes; provided, however, that amendments may be made to the time to which it is proposed to adjourn, to take a recess or to postpone to a fixed time.

Rule 10. Motion to Adjourn. A motion to adjourn, to take a recess, or a motion to adjourn to a time certain, shall always be in order, except when a member is speaking, while a vote is being taken or when the Committee on Committees is reporting; subject, however, to the limitations set out in Rule 9. A motion to adjourn or a motion to adjourn to a time certain shall be taken by roll call vote.

Rule 11. Motion to Table. The adoption of the motion to table, under these rules, defeats the subject matter under consideration. The reconsideration of the motion to table shall require approval of a majority of the members elected.

Rule 12. Previous Question. When the previous question has been ordered, a vote shall be taken immediately upon the pending measure and such pending amendments as are in order. The effect of the previous question shall be to put an end to all debate; to prevent the offering of additional amendments and to bring the House to an immediate vote upon the measure and amendments aforesaid. The previous question may be ordered by a majority of the members elected. On the call of the roll, no member shall be allowed to speak more than three minutes to explain his vote and shall not speak at all if the question is not a debatable question. After the previous question has been ordered, and before the vote upon the main question, the opponents of the measure shall have ten minutes, and proponents of the measure shall have ten minutes.

Rule 13. Motion to Set the Limits on Debate. A motion to set a time limit for debate on a measure, in excess of that permitted under Rule 12, shall be in order unless the previous question shall have been ordered on the measure. The time limit set for debate under this rule shall be allotted by the Speaker evenly between the opponents of the measure and the proponents of the measure. Adoption of a motion under this rule does not prevent the offering of additional amendments.

Rule 14. Motion to Reconsider. A motion to reconsider a vote shall not be in order unless made by a member who voted upon the prevailing side of the question; nor shall such motion be in order unless made within two legislative days in which the House is in session next after the date the vote was taken; however, the motion to reconsider when coupled with the additional motion to lay that motion upon the table may be made by any member.

Rule 15. Motion to Lay on Clerk's Desk. The effect of the adoption of a motion to lay on the Clerk's desk under these rules is to place in charge of the Clerk the pending question and everything adhering to it. A motion laid on the Clerk's desk may be taken from the desk and proceeded with at any time in the same order as when laid on the Clerk's desk.

Rule 16. Motion to Strike Out Enacting Clause. A motion to amend by striking out the enacting words of a bill or resolution shall have precedence over a motion to amend; and, if adopted, shall have the same effect as though the bill or resolution were regularly voted upon and rejected.

Rule 17. Motion to Separate Part of a Measure. A motion to commit, recommit, or postpone a part of a measure so as to separate that part of the measure from the remainder shall not be in order.

Rule 18. Postponement of Measure. When a measure shall have been postponed indefinitely it shall not be in order again during the session.

Rule 19. Reading of Pending Papers. Any pending bill, resolution, motion or report shall be read by the Clerk upon the demand of any member, but it shall not again be read on the same day unless so ordered by the House.

The original shall be the official bill, and shall be retained by the Legislative Research Commission staff for the use of the House until engrossed and sent to the Senate. One copy shall be used by committees; one copy shall be for the use of the press and shall be given to a person designated by the press club; and one copy shall be retained by the Legislative Research Commission for its work file. Each copy shall be backed with a protective cover, as provided for this purpose by the Legislative Research Commission. The title of the bill, or a portion thereof, and the signature of the member introducing the bill shall be placed on each cover.

In all bills, as introduced and as printed, which seek to amend existing sections of the Kentucky Revised Statutes, any new matter contained therein shall be underscored; and when an amendment proposes the omission or elimination of matter in an existing law, such omission or elimination shall be indicated on the typewritten bill and on the printed bill by placing the material proposed to be eliminated in brackets. The Legislative Research Commission staff shall see that all bills introduced conform with the Automated Legal Text Entry and Revision System method of preparation. The Enrolling Clerk in enrolling a bill which contains deleted material appearing in brackets shall strike over such deleted matter.

Rule 51. Introduction of Bills. Bills and resolutions may be introduced by filing them with the Bill Registry Clerk in the Clerk's office at any time the Clerk's office is open. The Bill Registry Clerk shall number bills in the order received, record their introduction, and transmit a copy immediately to the Committee on Committees for reference to committee. No bill or resolution having the force of law shall be introduced after the thirty-eighth legislative day of the session. The last two legislative days preceding the veto recess shall be reserved by the House exclusively for the business of concurring in amended House bills.

Rule 52. Fiscal Note Required. A sponsor of a measure may at any time prior to the filing of a request for posting form require a fiscal analysis to be made by the Legislative Research Commission upon the same and a fiscal note attached thereto.

The chairman of the committee to which the measure has been referred may, at any time after a request for posting form is filed with the committee by the sponsor, determine that a fiscal analysis is required on any measure not carrying a fiscal note. The chairman upon such determination shall cause a fiscal analysis to be made by the Legislative Research Commission and a fiscal note attached prior to posting the measure for consideration.

After posting the measure a majority of the committee may determine that a fiscal analysis is required on any measure not already carrying a fiscal note and shall direct the same to be accomplished and fiscal note attached with all dispatch. A committee may consider any measure on the date for which it is posted even if it is determined by the committee on that date that a fiscal analysis is required, however, no final action shall be taken by the committee upon said measure until a fiscal note is presented to the committee and attached to the measure.

Any member proposing to amend from the floor a bill or resolution which carries a fiscal note or if the proposed amendment itself carries a fiscal implication, the member proposing the amendment shall cause a fiscal analysis of the amendment to be made and a fiscal note attached to the proposed amendment at the time of introduction. In the event an amendment is introduced without a fiscal note, any member may raise the question of fiscal implication to the amendment by a motion and by majority vote require a fiscal analysis to be made and a fiscal note attached to the amendment. If a fiscal analysis and note is required by the membership, action on the bill or resolution to be amended along with the proposed amendment shall be passed over in the Orders of the Day but retained in the Orders of the Day. A fiscal note required by the membership shall be filed and attached to the amendment prior to the convening of the session of the next legislative day. In the event it is impossible to complete the analysis and prepare a fiscal note before the convening of the session on the next legislative day, the Director of the Legislative Research Commission shall so advise the membership by letter and state a time in which the same can be completed and filed with the House.

If the Director of the Legislative Research Commission certifies that the fiscal note cannot be completed within the prescribed time, the amendment shall not be in order unless the members, by majority vote, determine either: (1) act on the amendment and the bill or resolution without the benefit of the fiscal note, or to (2) pass over the bill or resolution in the Orders of the Day and allow it to be retained in the Orders of the Day until the fiscal note is filed.

Rule 52A. Local Mandate Impact Statement. Any bill which relates to any aspect of local government or any service provided thereby shall be analyzed by the LRC for its fiscal impact upon local governments and if determined to contain a local mandate shall have a local mandate impact statement attached prior to final consideration.

No measure which contains a local mandate shall be placed in the Orders of the Day until the local mandate impact statement is attached unless the requirement of the statement has been waived by a vote of two-thirds (2/3) of all members of the House/Senate.

Any member proposing to amend from the floor a bill which contains a local mandate or if the proposed amendment itself contains a local mandate, shall cause a fiscal analysis of the amendment to be made and a local mandate impact statement attached to the proposed amendment. Until such time as the local mandate impact statement is prepared and attached to the amendment, action on the bill to be amended along with the proposed amendment shall be passed over in the Orders of the Day but retained in the Orders of the Day.

Rule 53. Proposed Administrative Regulations. (1) Before committee consideration of any bill originating in the House, which contains the authority for any agency, board or political subdivision of state government to promulgate regulations, the bill shall have attached a copy of a statement of legislative intent for the bill, including a summary of guidelines to be followed in preparing regulations pursuant to the bill.

Every committee shall have the exclusive right to determine whether the summary submitted meets the requirements of this rule. The committee may waive the provisions of this rule by majority vote, and shall acknowledge on its committee report the receipt of and consideration of the matters submitted with the bill pursuant to this rule.

The purpose of the requirements of this rule is to inform the House of the general scope of the regulations authorized by the bill and to provide a permanent record of legislative intent; and pursuant thereto, when any bill subject to the provisions of this rule becomes law the Director of the Legislative Research Commission shall cause to be filed with the Administrative Regulation Review Subcommittee of the Legislative Research Commission the summary of the regulations submitted with the bill to be used by the Administrative Regulation Review Subcommittee when reviewing regulations promulgated pursuant to the bill. The Administrative Regulation Review Subcommittee shall use the material submitted with the bill to determine legislative intent.

Nothing contained in this rule shall preclude the promulgation of regulations differing from those filed or summarized and submitted with the bill.

(2) This amendment of the Rules of the House of Representatives shall apply only to bills introduced after February 5, 1980.

Rule 54. Rejected Administrative Regulations. When an administrative regulation has been referred by the Clerk to a standing committee of the House, the committee shall review the regulation and take such action as it deems appropriate. If the committee recommends rejection it must set forth in its report the reasons for its rejection which shall be for either of the following reasons, or both: (1) The administrative regulation does not conform to statutory authority. (2) It does not carry out legislative intent.

Unless the House and Senate committees both recommend rejection of the regulation in their committee reports and the committee reports are thereafter adopted by at least two-fifths of the members elected to each house, and a majority of the members voting, the regulation shall become effective.

When a House committee report recommending rejection has been adopted by the House as set forth above, the House clerk shall so notify the clerk of the Senate.

If both the Senate and the House have approved committee reports recommending rejection of a regulation, a report to that effect shall be signed by both clerks and sent to the promulgating agency and the regulations compiler. A copy of this report shall be on file in the office of the Clerk of the Senate and in the office of the Clerk of the House.

Proposed regulations that have been properly laid before the general assembly shall become effective upon sine die adjournment of the general assembly unless the general assembly in regular session shall disapprove the proposed regulation.

Rule 55. Reference of Bills. The Committee on Committees shall refer all bills to the proper standing committee not later than the second day in which the House is in session after the date of introduction. When a House bill has been amended in the Senate and has been returned to the House for concurrence in the amendment, it may be referred to a committee in the same manner as original bills are referred. Bills originating in and passed by the Senate when reported to the House shall be referred to the Committee on Committees and shall take the same course as other bills.

Rule 56. Printing of Bills. Upon receipt of a bill, the Legislative Research Commission shall examine the form of the bill to ensure that it is free from errors of form or typography and has been assigned the proper KRS section or chapter numbers. If a formal change is necessary the Commission shall request the sponsor of the bill to sign a form approving the specified changes. If a bill is found to be correct, or corrections have been approved, the Commission shall authorize its printing.

The Legislative Research Commission shall have printed at least two hundred copies of each bill or resolution carrying the force and effect of law introduced in the House and of each bill or resolution carrying the force and effect of law acted on by the Senate and reported to the House. Bills shall be printed in the order in which they are introduced and shall be distributed to members immediately upon receipt from the printer.

Rule 57. Readings of Bills. If a bill be reported with the expression of opinion that it should not pass a vote may then be taken on whether it shall be read at length and be placed on the Calendar, if a majority of the members elected to the House shall concur therein. When reported favorably by the committee, the bill shall then be given its first reading at length and shall be placed by the Commission staff upon the Calendar to be kept by the staff, and shall then be entitled to its second reading the next succeeding legislative day.

Every bill shall be read at length on three different legislative days; but the second and third readings thereof at length may be dispensed with by a majority of all the members elected to the House and the bill read by its title.

Rule 58. Calendar; Consent Calendar. (1) In order to reduce the time required for final passage of bills posted in the Orders of the Day, a consent procedure for the consideration of uncontested bills shall be established and designated as follows:

(a) The Commission staff shall keep a Regular Calendar and a Consent Calendar for each legislative day showing the bills receiving their second reading.

(b) The Commission staff shall also keep a Regular Orders and a Consent Orders showing bills posted for final passage by the Rules Committee.

(2) Bills reported by a Standing Committee with a regular "should pass" or "should pass with committee amendment/substitute attached" recommendation shall be shown in the Regular Calendar on the day on which they are entitled to a second reading.

(3) A Standing Committee may at the time of favorably reporting any House or Senate Bill, recommend that it be placed in the Consent Calendar provided:

(a) The primary sponsor has so requested when it is a House Bill, and

(b) The bill receives a "should pass" or "should pass with committee amendment/substitute attached" recommendation from such committee by a unanimous vote of the members present.

Any House or Senate Bill thus reported shall be first placed in the Consent Calendar on the day on which it is entitled to a second reading and shall continue to be shown in said Calendar until taken therefrom by the Rules Committee and posted in the Consent Orders. Bills receiving a second reading should be so designated to distinguish them from bills which have already received their second reading.

(4) A certificate shall be attached to each bill recommended for the Consent Calendar showing the request of the sponsor of any House Bill, and the unanimous recommendation of the members present signed by the Chairman.

(5) After a sufficient number of bills have accumulated in the Consent Calendar, the Rules Committee may post any or all of said bills to the Consent Orders for a day certain. On that day certain the Consent Orders shall be called before the Regular Orders.

(6) Upon the call of the Consent Orders each bill in said Orders shall be given a third reading by title only. The Speaker shall then allow a reasonable time for questions from the floor and any explanation necessary by the sponsor or committee chairman. Consent Order bills may not be amended from the floor.

(7) The Commission staff shall attach a roll call to each bill in the Consent Calendar and any member may at any time prior to passage of the Consent Orders record with the Commission staff his "nay" or "pass" vote on any bill within the Consent Calendar or Consent Orders.

(8) The vote on the Consent Orders shall be taken by use of the Electrical Voting System.

(9) Upon the written petition of any five members objecting to the placement or retention of any bill in the Consent Calendar or Consent Orders, such bill shall cease to be so considered and shall be placed in the Regular Calendar or Regular Orders as provided in these rules.

Rule 59. Orders of the Day. When a bill has had its second reading it shall be placed in the Orders of the Day, or be recommitted, and when next reached in the House it shall be ready for recommitment, or to be read a third time and placed upon its passage, and the Speaker shall so announce to the House.

A bill may be recommitted or amended in accordance with these rules at any time before its passage. Bills shall be placed in the Orders of the Day in the order in which they have been given their second reading, and shall be taken therefrom in accordance with Rule 41. When a House bill is in the Orders of the Day, it shall be in order on motion of the author to substitute for it an identical Senate bill which is in the Calendar of the House.

No bill shall be taken from the Orders of the Day unless it shall have been printed and previously distributed to members.

Rule 60. Final Passage. When a House bill has been amended in the Senate and the House has concurred in the amendment, the bill as amended shall immediately be placed upon its passage.

Rule 61. Amendments to Bills. All amendments offered shall be on sheets with a proper heading printed in black, furnished by the Commission staff, and shall bear the signature of the members offering the same. All amendments shall give the proper page and line of the printed bill. Three copies of each amendment shall be introduced. No amendment shall be in order that is not germane to the matter under consideration and unless it shall have been printed and previously distributed by the Clerk to members at least one legislative day prior to consideration of the bill or resolution and unless it complies with Rule 51 relative to fiscal analysis; and the Speaker, when the question is raised, shall rule as to the admissibility of the proposed amendment, subject to appeal to the House.

Rule 62. Engrossment of Bills. Every House bill and joint resolution, together with the amendments thereto, which has been passed by the House and not subject to further amendment or motion, shall be engrossed by the Commission staff and so certified by the Clerk, endorsing thereon the day of passage or adoption. The bill shall be delivered to the Senate in open session by the Clerk or someone designated by him, and Senate concurrence asked therein. A like procedure shall be observed toward Senate bills.

When engrossing a bill, the Commission staff may incorporate amendments by means of typing only. When an amendment strikes out any part of the original it shall be indicated in the engrossed copy by one parallel line over the part to be stricken out, in such a way as not to render illegible the original words.

Rule 63. Enrollment of Bills. All House bills and resolutions which have passed both the Senate and the House shall be delivered by the Commission staff to the Enrolling Clerk, taking a receipt therefor, in the order in which passed. The Commission staff shall keep the number and title of all bills and joint and concurrent resolutions carrying the force and effect of law, passed by the House of Representatives and the Senate in a suitable record book attesting the fact and date of passage.

In the event a bill which originates in the House is amended by the Senate and the House concurs in the amendments proposed and adopted by the Senate, the Commission staff shall engross said amendments in the original copy of the House bill, attested by the Clerk, before delivering the bill to the Enrolling Clerk of the House. The Enrolling Clerk shall then cause the original bill as attested by the Chief Clerk and the safety copy of the bill as delivered from the Senate to conform to each other by typing in indelible typewriter ink or by writing in red ink the amendments engrossed in the original bill in the safety copy. In cases of extreme emergency and during the last three days prior to sine die adjournment, where no correct printed copy is available, the Enrolling Clerk may enroll such bill or resolution by typing the same on safety paper or by enrolling the same in long-hand.

The original bill or resolution and a printed copy upon safety paper in the exact form as finally passed shall be certified to by the Enrolling Clerk and delivered to the Committee on Enrollment. The Committee on Enrollment and the Enrolling Clerk shall jointly compare the original bill with the enrolled copy, and if the enrollment is ascertained to be correctly done, the Committee shall report the same to the House. If any bill or resolution is found not correctly enrolled, it shall be returned to the Enrolling Clerk to be properly enrolled and delivered to the Committee on Enrollment as is first provided herein.

Rule 64. Signing of Bills. The Enrolling Clerk of the House shall deliver the original and enrolled copies of House bills and resolutions signed by the Speaker to the Chairman of the Enrollment Committee of the Senate for presentation to the President of the Senate for his signature. When signed by the President of the Senate, the enrolled bill or resolution and the original copy thereof shall be returned by the Enrolling Clerk to the Clerk of the House who shall present the enrolled bill or resolution to the Governor for his approval and take his receipt for same.

Rule 65. Resolutions. Resolutions having the force and effect of law shall be treated and considered as bills in all respects under these rules. However, simple resolutions expressing the will of the House and all resolutions recommending a study by an interim committee may be considered for adoption after receiving a recommendation from a standing committee and being posted for passage by the Rules Committee. All resolutions recommending a study by an interim committee shall include an approximate cost of the proposed study.

Rule 66. Legislative Citations. For the purpose of extending the commendations, condolences or congratulations of the General Assembly to a particular person, or to recognize a particular event or occasion, there may be issued a "Legislative Citation." Citations may not be used for procedural matters, matters of a controversial or partisan political nature, nor in place of resolutions memorializing the U.S. Congress, but only when appropriate to express the feeling of the House or of the General Assembly with reference to a person or event.

Each such citation shall be prepared in single copy on an artistically designed form, suitable for framing, shall bear the signature of the sponsor and the name of the person or event cited, and upon adoption shall be spread at length upon the Journal. Citations shall be considered in the order of business "Motions, Petitions and Communications," and without objection shall be adopted *en bloc* after reading individually by title. Citations shall be offered for consideration through presentation to the Clerk.

A resolution shall not be accepted for introduction if offered in lieu of a Legislative Citation.

HB 700, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.20-045 is amended to read as follows:

(1) No insurer shall increase the premium on an automobile liability insurance policy solely as a result of a claim for an automobile accident filed by an insured if the insured was not at fault nor contributorily negligent, *or solely as a result of a property damage claim in the amount of five hundred dollars ($500) or less, exclusive of any applicable deductible.*

(2) An insured may notify in writing the commissioner of insurance if the insured believes that an insurer has increased his premium in violation of subsection (1) of this section. The commissioner shall investigate the complaint, take appropriate action, and send written notice of his actions to the insured.

HB 721, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 304.18-110 is amended to read as follows:

(1) Any group policy as defined in KRS 304.18-020 *affecting the rights of a Kentucky insured and bearing a reasonable relation to Kentucky* [~~delivered or issued for delivery in this state~~] which provides hospital or surgical expense benefits, other than for specific disease or accidental injury only, shall provide that with respect to employes or members having been covered under the group policy for at least three (3) months, such employes or members shall have the right upon termination of employment or membership in the group to have the existing group coverage continued for themselves and their eligible dependents. *For purposes of this section, a Kentucky insured is a resident of this state covered under a policy of insurance, whether such policy is delivered or issued for delivery in this state or in any other state.* Written notice of employe's right to continue existing group coverage shall be given by the insurance company in each master policy, certificate and group policy issued after July 15, 1982. The insurance company shall furnish each employer or group policyholder an adequate supply of attachments for each master policy, certificate or group policy already in effect. An employe or member electing continuation of coverage shall provide the insurance company written notice of election together with the first monthly premium contribution within thirty-one (31) days of the date coverage would otherwise terminate. The group rate premium shall be paid by the employe directly to the insurance company. The premium rate shall be that required for the coverage being continued and shall not exceed the applicable group rate. Continuation of coverage shall not be available for any employe or member who is or could be covered by medicare, nor who is or could be covered by any other group coverage insured or uninsured providing similar benefits. Continuation of coverage shall terminate on the earlier of:

(a) The date nine (9) months after the date on which the group coverage would otherwise have terminated because of termination of employment or membership,

(b) If the employe or member fails to make timely payment of premium to the insurance company, the end of the period for which premium payment was made, or

(c) the date the group policy is terminated and is not replaced by another group policy within thirty-one (31) days.

(2) Any group policy described in subsection (1) of this section shall also provide that an employe or member having elected continuation of coverage pursuant to subsection (1) of this section and any covered spouse of an employe or member upon the death or divorce of such employe or member, shall be entitled to have issued to them without evidence of insurability, a health insurance policy on a form then available for conversion from the group coverage, by making written application therefor, accompanied by the first quarterly, semiannual or annual premium, at the option of the person or members, to the insurer not later than thirty-one (31) days after such termination of coverage. Such premium shall be in accordance with the insurer's table of premium rates in effect on the later of*:*

(a) The effective date of the converted policy*;* or

(b) The date of application therefor, and applicable to the class of risk to which the covered persons belong, their ages, the form, and the amount of insurance provided.

(3) Any group policy as defined in KRS 304.18-020 delivered or issued for delivery in this state which provides hospital or surgical benefits other than for specific diseases or accidental injury only, shall provide that if coverage terminates for any reason and if the individual has been continuously insured under a group policy and under any group policy it replaces for at least three (3) months immediately preceding the termination of coverage, he shall be entitled to have issued to him by the insurer, without evidence of insurability, a health insurance policy on a form providing substantially similar benefits, which shall include the option to continue any existing maternity benefits, by making written application therefor, accompanied by the first quarterly, semiannual or annual premium, at the option of the person or member, to the insurer not later than thirty-one (31) days after such termination of coverage. Such premium shall be in accordance with the insurer's table of premium rates in effect on the later of*:*

(a) The effective date of the converted policy*;* or

(b) The date of application therefor, and applicable to the class of risk to which the covered persons belong and to their ages and to the form and amount of insurance provided.

(4) The converted policy shall cover the person or member and his eligible dependents covered by the group policy on the date the group policy terminated. The effective date of any such converted policy shall be the date of termination of insurance under the group policy.

(5) The insurer shall not be required to issue a converted policy covering any person if such person is or could be covered by medicare (Title XVIII of the United States Social Security Act as added by the Social Security Amendments of 1965 or as later amended or superseded). Furthermore, the insurer shall not be required to issue a converted policy covering any person if:

(a) Such person is covered for similar benefits by another hospital or surgical or medical expense insurance policy or hospital or medical service subscriber contract or medical practice or other prepayment plan or by any other plan or program or

(b) Similar benefits are provided for, or available to, such person pursuant to, or in accordance with the requirements of, any statute, and the benefits provided or available under any of the sources referred to in paragraph (a) *of this subsection* and this paragraph for such person, together with the converted policy, would result in over insurance according to the insurer's standards relating to policies converted from group policies. A converted policy made available pursuant hereto shall provide substantially similar benefits but in no event be less than the minimum standards contained in KRS 304.18-120 if delivery of such converted policy is to be made in this state; and, if delivery of such converted policy is to be made elsewhere, it may be on such form as the insurer may then be offering for such conversion in the jurisdiction where such delivery is to be made and which provides substantially in compliance with that required by KRS 304.18-120.

(6) In the event coverage would be continued under the group policy on a person or member following his retirement prior to the time he is or could be covered by medicare, he may elect, in lieu of such continuation of group insurance, to have the same conversion rights as would apply had his insurance terminated at retirement by reason of termination of employment.

(7) The conversion privilege shall also be available:

(a) To the surviving spouse, at the death of the person or member, with respect to the spouse and such children whose coverage under the group policy terminates by reason of the death of the person or member; or

(b) To a child solely with respect to himself upon termination of his coverage by reason of operation of the limiting age of coverage under the group policy while covered as a dependent thereunder; or

(c) To a former spouse for himself and such children of whom he is awarded custody when coverage under the group policy terminates by reason of termination of dependency as defined in the group policy and resulting from an order dissolving the marriage entered by a court of competent jurisdiction.

(8) This section shall not apply to group major medical expense insurance which supplements basic hospital, medical and surgical coverage under one (1) or more group policies, group contracts or group remittance contracts from which a converted policy or a continuation of coverage is available providing benefits equivalent to the minimum benefits for a converted policy under this section.

(9) If a person or member becomes entitled to obtain a converted policy pursuant to the foregoing provisions, and if such person or member has not been given written notice of the existence of the conversion privilege stated above, within thirty-one (31) days of termination of the group coverage, then in such event the person or member shall have an additional period within which to exercise the conversion privilege. This additional period shall expire fifteen (15) days after the person or member shall have been given said notice but in no event shall the additional period extend beyond sixty (60) days after the expiration of the thirty-one (31) day conversion period stated above. Written notice presented to the person or member or mailed by the policyholder to the last known address of the person or member or mailed by the insurer to the last known address of the person or member as furnished by the policyholder shall constitute the giving of notice for the purpose of this subsection. If an additional period is allowed the person or member for exercise of the conversion privilege as provided herein, and if written application for the converted policy, accompanied by the first quarterly or semiannual or annual premium, is made after the expiration of the thirty-one (31) day

conversion period stated above, but within the additional period allowed an employe or member in accordance with this subsection, the effective date of the converted policy shall be the date of termination from the group.

(2) Effective July 1, 1980, and annually on July 1 thereafter, the retirement allowance of each retired member and of each beneficiary of a retirement option shall be increased in the amount of one percent (1%).

(3) Any member qualifying for retirement under a life annuity with refundable balance shall be entitled to receive an annual allowance amounting to not less than eighty-eight dollars ($88) multiplied by the service credit years of the teacher, except that no retired teacher who was sixty (60) years of age or older at retirement, and who has five (5) years or more service credit in a position covered by the teachers' retirement system shall receive a monthly benefit of less than seventy-five dollars ($75). The above minimums shall be effective July 1, 1978, and shall apply to those members retiring on or subsequent to that date.

(4) The minimum provided in this section shall apply in the case of teachers retired or retiring under an option other than a life annuity with refundable balance in the same proportion to the benefits of the teacher and his beneficiary or beneficiaries as provided in the duly adopted option tables at the time of the member's retirement.

(5) Effective July 1, 1982, the monthly allowance of each member retired on or before July 1, 1981, and each recipient of a retirement option of such retired members shall be increased in the amount of one percent (1%) of the monthly allowance for each year the member has been retired up to a maximum of five (5) years. (7) Effective July 1, 1980, monthly payments of two hundred dollars ($200) shall be payable for the benefit of an adult child of a member retired for service when the child's mental condition is sufficient to cause dependency on the member at the time of retirement. Eligibility for this payment shall continue for the life of such child or until such time as the mental condition creating the dependency no longer exists. [~~Benefits under this subsection shall not apply to adopted children.~~] The board of trustees shall be the sole judge of eligibility or dependency and may require formal application or information relating thereto.

The lien on the land or improvements shall be superior to any mortgage or encumbrance created subsequent to the beginning of the labor or the furnishing of the materials, and the lien, if asserted as hereinafter provided, shall relate back and take effect from the time of the commencement of the labor or the furnishing of the materials. The lien shall not be for a greater amount in the aggregate than the contract price of the original contractor, and should the aggregate amount of the liens exceed the price agreed upon between the original contractor and the owner there shall be a pro rata distribution of the original contract price among the lienholders.

(2) The lien shall not take precedence over a mortgage or other contract lien or bona fide conveyance for value without notice, duly recorded or lodged for record according to law, unless the person claiming the prior lien shall, before the recording of the mortgage or other contract lien or conveyance, file in the office of the county clerk of the county wherein he has furnished or expects to furnish labor or materials, a statement showing that he has furnished or expects to furnish labor or materials, and the amount in full thereof. The lien shall not, as against the holder of a mortgage or other contract lien or conveyance, exceed the amount of the lien claimed or expected to be claimed as set forth in the statement. The statement shall, in other respects, be in the form prescribed by KRS 376.080.

It shall be sufficient to prove that the notice was mailed to the last known address of the owner of the property upon which the lien is claimed, or to his duly authorized agent within the county in which the property to be held liable is located.

(4) No person who has not contracted directly with the owner-occupant or his authorized agent shall acquire a lien under this section on an owner-occupied single or double family dwelling or the appurtenances or additions thereto unless he notifies in writing the owner-occupant of the property to be held liable or his authorized agent not more than ten (10) days after the first item of material or labor is furnished, of the delivery of the material or performance of labor and of his intention to hold the property liable and the amount for which he will claim a lien. It shall be sufficient to prove that the notice was mailed to the last known address of the owner-occupant of the property upon which the lien is claimed, or to his duly authorized agent. This notice is in lieu of the notice provided for in subsection (3). Notwithstanding the foregoing provisions of this subsection, the lien provided for under this section shall not be applicable to the extent that an owner-occupant of a single or double family dwelling has, prior to receipt of the notice provided for in this subsection, paid the contractor, subcontractor, architect or authorized agent for work performed or materials furnished prior to such payment. The contractor or subcontractor cannot be the

authorized agent under this subsection.

The House of Representatives of the Commonwealth of Kentucky hereby congratulates Mrs. Lillian Long Kapheke of Louisville, Kentucky, for your laudable and well-deserved recognition as "Kentucky Mother of the Year" by the Kentucky Mothers Association at Barren River State Park on February 18, 1984. God blessed you with His priceless gift of love - one son and eight daughters, including two sets of twins, of which you have willingly and unselfishly given of your time and talents. Especially noteworthy is the fact that you and your husband, William Thomas Klapheke, have provided college educations for six children (five of which have now obtained advanced degrees) and have three children now enrolled at the University of Louisville. Your compassionate spirit, your genuine and loving friendship, your self denials and self sacrifices, spending long hours of tireless efforts, always willing to go the extra mile, always finding the time to listen to the multiple problems children have and very discreetly offering encouraging solutions, truly has earned for you "Mother of the Year." As a fourth grade teacher at Laukhuf Elementary School you have influenced and inspired the lives of thousands of young people. This auspicious body extends our best wishes to you as you represent Kentucky at the National Conference of American Mothers, Inc., May 2-5 in New Orleans, Louisiana.

We are very proud of you; your dedication, perserverance and your noble example have proven very rewarding. (Sponsored by Representative Burch)

If an agreement is not entered into between the board and the lienor or approved by the court, and a public auction is required to be held, the public auction shall be conducted by the sheriff of the county in which the property is seized. The sheriff shall receive and be allowed the same fees as allowed for sales under execution.

(3) The expenses of keeping and selling such property, and the amount of all valid recorded liens that

are established by intervention as being bona fide, shall be paid out of the proceeds of the sales, whether they are private or public. The balance shall be paid into the state treasury and be credited to the general fund.

(4) If the defendant is acquitted, no property seized as contraband in connection with the arrest of the defendant shall be ordered returned or restored unless the person from whose possession the property was taken proves that he was in lawful possession of the property, and if no other person appears and proves that he owns the property or has a valid recorded lien on the property and that the property was being used without his knowledge and consent, title shall vest in the board at the end of ninety (90) days.

(5) If the owners or lienholders of any contraband seized by state administrators or field representatives of the department or turned over to the department by other officials, cannot be located within ninety (90) days, and during that time fail to appear and claim the contraband, or if the owner or lienholder appears and agrees, title to the contraband shall immediately vest in the board, in which event it may sell the contraband at a private sale.

Section 3. KRS 61.592 is amended to read as follows:

(1) "Hazardous position" means any position whose principal duties involve active law enforcement, (including the position of probation and parole officer), active fire suppression or prevention, or other positions, including but not limited to pilots of the department of transportation, with duties that require frequent exposure to a high degree of danger or peril and also require a high degree of physical conditioning. *Hazardous positions shall include positions in state correctional institutions with duties that require daily face-to-face contact with inmates, including but not limited to uniformed correctional officers, case managers, food service, medical, maintenance and recreational personnel and teachers.*

(2) Each employer shall certify to the board in the manner prescribed by the board, the names of all employes deemed by the employer to be working in a hazardous position as defined in subsection (1) of this section. The certification of the employer shall bear the approval of the agent or agency responsible for the budget of the department or county indicating that the required employer contributions have been provided for in the budget of the employing department or county. The board shall determine whether the employes whose names have been certified by the employer are working in positions meeting the definition of a hazardous position as provided by subsection (1) of this section.

(3) (a) An employe determined by the board to be working in a hazardous position in accordance with subsection (2) of this section shall contribute for each pay period for which he receives compensation, seven percent (7%) of his creditable compensation;

(b) Each employer shall pay employer contributions based on the creditable compensation of the employes determined by the board to be working in a hazardous position at the employer contribution rate as determined by the board. Such rate will be determined by actuarial methods consistent with the provisions of KRS 61.565;

(c) In the event the employer participated in the system prior to electing hazardous duty coverage, then said employer may pay to the system an additional lump sum payment in order that the nonhazardous service be credited as hazardous service. Should the employer elect not to make the additional payment, then the employe may make the lump sum payment in his own behalf. If neither the employer nor employe makes the payment, the service prior to hazardous coverage shall remain nonhazardous.

(4) The normal retirement age, retirement allowance and other benefits, eligibility requirements, rights and responsibilities of a member in a hazardous position, as prescribed by subsections (1), (2) and (3) of this section, and the responsibilities, rights and requirements of his employer shall be as prescribed for a member and employer participating in the state police retirement system as provided for by KRS 16.510 to 16.652, except the mandatory retirement provisions of KRS 16.576(1) and the maximum employment age in KRS 16.520(2) shall not be applicable.

(5) Any person employed in a hazardous position after July 1, 1972 shall be required to undergo a thorough medical examination by a licensed physician, and a copy of the medical report of the physician shall be retained on file by the employe's department or county and made available to the board upon request.

(6) In the event of doubt regarding the benefits payable to a hazardous position employe under this section, the board shall determine the benefits payable under KRS 61.510 to 61.705 or 78.510 to 78.852 or 16.510 to 16.652.

"Section 3. KRS 61.595 is amended to read as follows:

(1) Upon retirement at normal retirement date, or subsequent thereto, a member may receive an annual retirement allowance, payable monthly during his lifetime, which shall consist of an amount equal to one and six-tenths per cent (1.6%) of final compensation multiplied by the number of years of service credit, except that:

(a) The annual normal retirement allowance for members of the general assembly, who serve during the 1974 or 1976 general assembly, and will have eight (8) years or more of total legislative service as of January 6, 1978, shall not be less than $240 multiplied by the number of years of service as a member of the general assembly;

(b) The annual normal retirement allowance for members of the general assembly who will have fewer than eight (8) years of service as of December 31, 1975, shall be as prescribed in Chapter 116, section 36(1), Acts of the 1972 general assembly for legislative service prior to January 1, 1974;

(c) Former members of the general assembly who have eight (8) or more years of legislative service prior to the 1976 regular session are eligible for an increased retirement allowance of $240 times the years of legislative service, provided such member pays to the Kentucky employes retirement system thirty-five (35) percent of the actuarial cost of the higher benefit, as determined by the board, except that a former member with sixteen (16) or more years of legislative service, or his beneficiary, who is receiving a retirement allowance, also is eligible under this section and may apply for a recomputation of his retirement allowance. The employer's share of sixty-five (65) percent of such computed actuarial cost shall be paid from the state treasury to the Kentucky employes retirement system upon presentation of a properly documented claim to the [~~executive department for~~] finance and administration *cabinet*. If any such member with sixteen (16) or more years of legislative service previously applied for and is receiving a retirement allowance, he may reapply and his retirement allowance shall be recomputed in accordance with this paragraph (c), and he shall thereafter be paid in accordance with the option selected by him at the time of the reapplication;

(d) The annual normal retirement allowance for a member with ten (10) or more years of service, in the Kentucky employes retirement system, at least one (1) of which is current service, shall not be less than $512.

(2) Upon service retirement prior to normal retirement date, a member may receive an annual retirement allowance payable monthly during his lifetime which shall be determined in the same manner as for retirement at his normal retirement date with years of service and final compensation being determined as of the date of his actual retirement, but the amount of the retirement allowance so determined shall be reduced to reflect the earlier commencement of benefits except that there shall be no reduction in the retirement allowance of the member who has *twenty-five (25)* [~~thirty (30)~~] or more years of service credit at least fifteen (15) of which are current service.

(3) The retirement allowance shall be calculated by using the member's known creditable compensation prior to his last month's employment and an estimate of his creditable compensation during the last month he was employed. Based upon this calculation, the state treasurer shall be requested to issue the initial retirement payment.

(4) A new calculation shall be made when the official report has been received of the member's creditable compensation during his last month's employment. However, the retirement allowance determined in accordance with subsection (3) of this section shall be the official retirement allowance unless the new calculation derives an amount which is twenty-five cents (25) greater or less than the amount of the initial retirement payment.

Section 4. KRS 61.560 is amended to read as follows:

(1) Each employe shall, commencing on July 1, 1966, contribute for each pay period for which he receives compensation four *and one-half percent (4.5%)* [~~percent (4%)~~] of his creditable compensation, except that members of the general assembly, who elect the survivorship option provided in subsections (10) and (11) of KRS 61.635, shall each contribute six and six-tenths percent (6.6%) of creditable compensation commencing with the payroll period immediately following his election of the option. Any other provisions of KRS 61.510 through 61.702 notwithstanding, any reemployed retiree, as described in KRS 61.637, shall contribute four *and one-half percent (4.5%)* [~~percent (4%)~~] of his creditable compensation, or the amount

required by KRS 61.592(3) if applicable, if he anticipates that he will receive more than the maximum permissible earnings, as provided by the federal social security act, in compensation as a result of reemployment during the calendar year.

(2) Each employer shall cause to be deducted from the creditable compensation of each employe for each and every payroll period the contribution payable by each such employe as provided in KRS 61.510 to 61.705.

(3) The deductions provided for herein shall be made notwithstanding that the minimum compensation provided by law for any employe shall be reduced thereby. Every employe shall be deemed to consent and agree to the deductions made as provided herein; and payment of salary or compensation less such deductions shall be a full and complete discharge of all claims for services rendered by such person during the period covered by such payment, except as to any benefits provided by KRS 61.510 to 61.705.

(4) Each employer shall, solely for the purpose of compliance with Section 414(h) of the United States Internal Revenue Code, pick up the employe contributions required by this section for all compensation earned after August 1, 1982, and the contributions so picked up shall be treated as employer contributions in determining tax treatment under the United States Internal Revenue Code and KRS 141.010(9). However, each employer shall continue to withhold federal and state income taxes based upon these contributions and hold them in a separate account until the Internal Revenue Service or the federal courts rule that, pursuant to Section 414(h) of the United States Internal Revenue Code, these contributions shall not be included as gross income of the employe until such time as the contributions are distributed or made available to the employe. The picked up employe contribution shall satisfy all obligations to the retirement system satisfied prior to August 1, 1982 by the employe contribution, and the picked up employe contribution shall be in lieu of an employe contribution. Each employer shall pay these picked up employe contributions from the same source of funds which is used to pay earnings to the employe. The employe shall have no option to receive the contributed amounts directly instead of having them paid by the employer to the system. Employe contributions picked up after August 1, 1982 shall be treated for all purposes of KRS 61.510 to 61.705 in the same manner and to the same extent as employe contributions made prior to August 1, 1982."

The department of revenue is authorized to make grade classification changes corresponding to any approved for department employes in comparable positions so long as such changes do not violate the integrity of the classification system and, except further, subject to availability of funds, that the department may extend cost-of-living increases approved for department employes to the property valuation administrators by advancement in grade.

(5) Deputy property valuation administrators and other authorized personnel likewise may be advanced one step in grade upon completion of twelve (12) months continuous service and given such other benefits relating to reclassification of position or cost-of-living adjustments as are provided in subsection (4) of this section for property valuation administrators.

(6) The property valuation administrator's office shall be allowed by the state as compensation for deputies, other authorized personnel, and for other authorized expenditures, one and one-quarter cents on each one hundred dollars ($100) of the property assessed, including motor vehicles and the amount of assessment on which taxes are deferred under the agricultural and horticultural land act but exclusive of livestock and farm machinery, on the first two hundred fifty million dollars ($250,000,000) and one cent (1) on each one hundred dollars ($100) of the property assessed over two hundred fifty million dollars ($250,000,000); but the total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the department of revenue.

However, each property valuation administrator's office shall be allowed as a minimum such funds that are required to meet the federal minimum wage requirements for one full time deputy. Each property valuation administrator shall submit each fiscal year to the department of revenue a budget for his office which shall be based upon the state, county and city funds available to his office and show the amount to be expended for deputy and other authorized personnel including employer's share of FICA and state retirement, and other authorized expenses of the office. Each property valuation administrator may appoint any persons approved by the department of revenue to assist him in the discharge of his duties. Each deputy must be more than twenty-one (21) years of age and may be removed at the pleasure of the property valuation administrator. The salaries of deputies and other authorized personnel shall be fixed by the property valuation administrator in accordance with the grade classification system established by the department of revenue and shall be subject to the approval of the department of revenue. Any deputy property valuation administrator employed, or promoted to a higher position may be examined by the department of revenue in accordance with standards of the department of personnel, for the position to which he is being appointed or promoted. No state funds available to any property valuation administrator's office as compensation for deputies and other authorized personnel or for other authorized expenditures shall be paid without authorization of the department of revenue prior to the employment by the property valuation administrator of deputies or other authorized personnel or the incurring of other authorized expenditures.

(7) Each county fiscal court shall annually appropriate and pay each fiscal year to the office of the property valuation administrator as its cost for use of the assessment, as required by KRS 132.280 an amount determined as follows:

Assessment Subject to County Tax of:

$100,000,000	150,000,000	$.004 for each $100 of the first $100,000,000 and $.002 for each $100 over $100,000,000.
150,000,000	300,000,000	$.004 for each $100 of the first $150,000,000 and $.003 for each $100 over $150,000,000.
300,000,000	--	$.004 for each $100.

(8) The total sum to be paid by the fiscal court to any property valuation administrator's office under the provisions of subsection (7) of this section shall not exceed the limits set forth in the following table:

At Least	But Less Than	Limit

1,000,000,000	2,000,000,000	50,000
2,000,000,000	2,500,000,000	75,000
2,500,000,000	5,000,000,000	100,000

This allowance shall be based on the assessment as of the previous January 1 and shall be used for deputy and other personnel allowance, supplies, maps and equipment, travel allowance for the property valuation administrator and his deputies and other authorized personnel, and other authorized expenses of the office.

(9) Annually, after appropriation by the county of funds required of it by KRS 132.590(7), the property valuation administrator shall file a claim with the county for that amount of the appropriation specified in his approved budget for compensation of deputies and assistants, including employer's shares of FICA and state retirement, for the fiscal year. The amount so requested shall be paid by the county into the state treasury and shall be expended by the department of revenue only for compensation of approved deputies and assistants and the employer's share of FICA and state retirement in the appropriating county. Any funds paid into the state treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated, shall be returned to the county from which they were received and shall be subject to the provision of subsection (10) of this section. Each property valuation administrator shall at the end of each month file a claim with the fiscal court for expenses of his office other than personnel incurred during the month which are payable from county funds. The court shall order payment made provided the total of all claims filed with the court does not exceed the total sum available under this section. During county election years the property valuation administrator shall not be allowed to expend in excess of forty percent of the allowances available to his office from county funds during the first five months of the fiscal year in which the general election is held.

(10) Any county funds appropriated under the provisions of this section but unexpended by the close of each fiscal year for which such funds are appropriated shall carry over and be added to the amount required to be appropriated for the next fiscal year except that the department of revenue may release such funds or any part thereof that the department deems not necessary for operations of the property valuation administrator's office.

(11) The provisions of this section shall apply to urban-county governments. In an urban-county government, all the rights and obligations conferred on fiscal courts by the provisions of this section, shall be exercised by the urban-county government.

(12) When an urban-county form of government is established through merger of existing city and county governments as provided in KRS Chapter 67A, the annual county assessment shall be presumed to have been adopted as if the city had exercised the option to adopt as provided in KRS 132.285, and the annual amount to be appropriated to the property valuation administrator's office shall be the combined amount that is required of the county under this section and that required of the city under KRS 132.285, except that the total shall not exceed one hundred thousand dollars ($100,000) for any urban-county government with an assessment subject to county wide tax of less than three billion dollars ($3,000,000,000), one hundred twenty-five thousand dollars ($125,000) for an urban-county government with an assessment subject to county-wide tax between three billion dollars ($3,000,000,000) and five billion dollars ($5,000,000,000) and two hundred thousand dollars ($200,000) for an urban-county government with an assessment subject to county-wide tax in excess of five billion dollars ($5,000,000,000). For purposes of this subsection the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

(13) Notwithstanding the provisions of subsection (1) of this section, any property valuation

administrator whose county classification would be reduced from that existing as of June 17, 1978 shall not have his compensation reduced but shall continue to be compensated at his then current salary until such time as an increase in points earned by his county or a departmental adjustment, under subsection (4) of this section, qualify him for an increase in compensation.

(14) The county classification system provided in subsections (1) and (2) of this section shall in no way affect reclassification approved prior to this enactment nor shall they be construed to affect any future reclassifications provided under subsection (4) of this section.

Section 2. Each property valuation administrator who receives an increment in grade as a result of this Act shall, effective July 15, 1984, receive two (2) five percent (5%) increments in salary for each increment in grade. Salary increments shall be compounded to arrive at the proper compensation level of each property valuation administrator, but no property valuation administrator shall, as a result of this Act, receive a salary which exceeds the mid-point of the salary range for his grade classification. No property valuation administrator's salary shall be reduced as a result of this Act.

Section 3. There is appropriated to fund the salary increases required by this Act four hundred and ninety-five thousand dollars ($495,000) for fiscal year 1984-1985, and four hundred and ninety-five thousand dollars ($495,000) for fiscal year 1985-1986.

(6) The property valuation administrator's office shall be allowed by the state as compensation for deputies, other authorized personnel, and for other authorized expenditures, one and one-quarter cents on each one hundred dollars ($100) of the property assessed, including motor vehicles and the amount of assessment on which taxes are deferred under the agricultural and horticultural land act but exclusive of livestock and farm machinery, on the first two hundred fifty million dollars ($250,000,000) and one cent (1) on each one hundred dollars ($100) of the property assessed over two hundred fifty million dollars ($250,000,000); but the total sum allowed by the state to any property valuation administrator's office as compensation for deputies, other authorized personnel, and for other authorized expenditures shall not exceed the amount fixed by the department of revenue.

However, each property valuation administrator's office shall be allowed as a minimum such funds that are required to meet the federal minimum wage requirements for one full time deputy. Each property valuation administrator shall submit each fiscal year to the department of revenue a budget for his office which shall be based upon the state, county and city funds available to his office and show the amount to be expended for deputy and other authorized personnel including employer's share of FICA and state retirement, and other authorized expenses of the office. Any funds paid into the state treasury in accordance with this provision but unexpended by the close of the fiscal year for which they were appropriated, shall be returned to the county from which they were received and shall be subject to the provision of subsection (10) of this section. Each property valuation administrator shall at the end of each month file a claim with the fiscal court for expenses of his office other than personnel incurred during the month which are payable from county funds. The court shall order payment made provided the total of all claims filed with the court does not exceed the total sum available under this section. (11) The provisions of this section shall apply to urban-county governments. In an urban-county government, all the rights and obligations conferred on fiscal courts by the provisions of this section, shall be exercised by the urban-county government.

For purposes of this subsection the amount to be considered as the assessment for purposes of KRS 132.285 shall be the amount subject to taxation for full urban services.

section:

(a) If a district lies wholly within a single county[~~, or operates as a single-county district as provided in paragraph (c) of this subsection~~], the board of commissioners shall consist of three (3) *commissioners. The board of commissioners of a district with boundaries that are coterminous with those of a single county shall be composed of either three (3) or five (5) members as the county judge/executive shall determine. Members of the board shall be* residents of the district, or of any incorporated or unincorporated area served by the district in the county in which the district was originally established, who shall be appointed by the county judge/executive with the approval of the fiscal court. In the event of a merger of water districts as described in KRS 74.361, the county judge/executive may appoint up to five (5) commissioners with the approval of the fiscal court. Initial appointments shall be for terms of two (2), three (3) and four (4) years, as designated by the court. [~~Commissioners serving under appointments June 16, 1966 shall continue to serve until the end of their respective terms.~~]

If less than twenty-five percent (25%) of the total assets of the distribution system are located within the county outside of the boundaries of the district, it will be conclusively presumed that said district comes within the terms of this subsection.

(2) A commissioner may be removed from office as provided by KRS 65.007.

(3) Vacancies shall be filled by the same appointing authority which is empowered to make the original appointment. Vacancies resulting from cause other than expiration of the term shall be filled for the unexpired term only.

In fixing and approving the salary of the commissioners, the county judge/executive and the fiscal court shall take into consideration the financial condition of the district, and its ability to meet its obligations as they mature.

HB 735, AN ACT relating to workers' compensation.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 342.450 is amended to read as follows:

(1) Every insurance carrier including the parties to any inter-indemnity contract or reciprocal plan or scheme, insuring employes in this state against liability for personal injuries to their employes, or death caused thereby under this chapter, shall pay a tax upon the premium received, whether in cash or notes, in this state or on account of business done in this state, for such insurance in this state at the rate of two percent (2%) of the amount of such premium and any additional assessment made pursuant to subsection (2) of this section. Such insurance carriers shall be credited with all cancelled or returned premiums, including dividends paid or credited to policyholders, and the premiums received for reinsurance assumed from companies authorized and licensed to transact business in this state.

(2) If the secretary of finance and administration and the secretary of labor find that the tax on premiums levied pursuant to KRS 342.475 and subsection (1) of this section, are insufficient to meet the maintenance fund level of appropriations and expenditures for all programs in the labor cabinet, the Kentucky occupational safety and health review commission and the uninsured employers' fund as reflected in the enacted budget of the Commonwealth and the joint budget bill enacted by the general assembly, they shall advise the commissioner of revenue in writing of such fact prior to the end of each fiscal year. The commissioner of revenue may then levy one (1) additional assessment per fiscal year against all insurance companies writing workers' compensation insurance in Kentucky, all self-insurance groups operating under this chapter, and every employer carrying his own risk. The amount of each assessment shall be in the proportion that each assessment payers' "adjusted cost" bears to the total "adjusted cost" of all assessment payers.

(3) Every such insurance carrier shall make an annual return verified by the affidavit of its president and secretary, or other chief officer or agents, to the department of revenue, stating the amount of all such premiums and credits during the period covered by that return. Every insurance carrier required to make such return shall file it by March 1, and shall at the same time pay *the* [a] tax of two dollars ($2.00) on each one

hundred dollars ($100) of such premiums ascertained as provided in *subsection (1) of this section* hereof [~~KRS 342.445~~], less returned premiums, including dividends paid or credited to policyholders, and reinsurance received from other companies licensed to transact business in this state, *and shall thereafter pay any additional assessment made pursuant to subsection (2) of this section, at the time and in the manner prescribed by the commissioner of revenue.*

Section 2. KRS 342.475 is amended to read as follows:

Every employer carrying his own risk under KRS 342.340 shall, under oath, report to the department of revenue his "adjusted cost" of operating under the provisions of this chapter during the period covered by such report. Such report shall be made in form prescribed by the department of revenue and at the time provided for premium reports by the insurance carriers. The department of revenue shall assess against such "adjusted costs" so reported a maintenance fund tax of two per cent (2%), *and shall made an additional assessment if required by Section 1 of this Act. Such amount shall not exceed the maintenance fund level of appropriations and expenditures for all programs in the labor cabinet, the Kentucky occupational safety and health review commission and the uninsured employers' fund as reflected in the enacted budget of the Commonwealth enacted by the general assembly.*

[~~(1)~~] Except as may otherwise be provided by this chapter, every employer shall pay to each of his employes wages at a rate of not less than two dollars sixty cents ($2.60) an hour.

[~~(2) For any employe engaged in an occupation in which he customarily and regularly receives more than twenty dollars ($20.00) per month in tips from patrons or others, the employer may pay as a minimum fifty percent (50%) of the wage prescribed in subsection (1) of this section if he can establish by his records that for each week where credit is taken, when adding tips received to wages paid, not less than the minimum rate prescribed in subsection (1) was received by the employe. No employer shall use all or part of any tips or gratuities received by employes toward the payment of the statutory minimum hourly wage as required by this section. Nothing, however, shall prevent employes from entering into an agreement to divide tips or gratuities among themselves.~~]

Section 2. KRS 337.295 is amended to read as follows:

Regulations issued by the commissioner under KRS 337.275 to 337.325, 337.345, and 337.385 to 337.405 may include, but are not limited to, regulations defining and governing bona fide executive, administrative or professional employes; regulations governing learners, apprentices, handicapped workers, sheltered workshop employes, and students, regulations governing outside salesmen; bonuses; part-time rates; special pay for special or extra work; allowances as part of the wage rates applicable under KRS 337.275 for board *and*[~~,~~] lodging [~~and gratuities~~]; other facilities or services furnished by employers and used by employes; and other special items usual in a particular employer-employe relationship.

(1) In addition to the provision contained in KRS 338.171, when a manufacturer, producer, formulator or employer considers the identity of or other information concerning a toxic chemical substance to be a protectable trade secret or a proprietary process whose disclosure would compromise his competitive advantage, he may register this information with the commissioner. The commissioner shall consider trade secret information secret and confidential.

(2) Manufacturers, producers, formulators and employers who register a substance, process or

product with the commissioner must inform in writing, employers who request information relating to such substance, and employes and their representatives, that such substance or process constitutes a registered trade secret or proprietary process and that information regarding the toxic effects of such substance is only available without identifying information.

(h) Appropriate emergency treatment;

(i) Proper conditions for safe use and exposure to such toxic substance;

(j) Procedures for cleanup of leaks and spills of such toxic substance; and

(k) The level at which exposure to such toxic substance is hazardous and the method of testing for same has been published.

SECTION 7. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

Employers, subject to the provisions of this Act, shall keep a record of the name and address of every employe who handles or uses toxic substances, all requests for information regarding toxic substance, the dates of such requests for information and the responses to the requests. Employe exposure records and request for information shall be maintained by the employer for a period of five (5) years following the departure of each employe from the employer's establishment.

SECTION 8. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

(1) Employes or their representatives may request in writing from employers and shall receive all information relating to toxic substances as required in this Act.

As used in this Act unless the context requires otherwise:

(1) "Hazardous substance" means any substance:

(a) Which is listed in the latest edition of the American Conference of Governmental Industrial Hygienists' Threshold Limit Values for Chemical Substances and Physical Agents in the Work Environment; or

(c) Which is a mixture that contains one percent (1%) or greater (by weight or volume) of any

hazardous substances as defined in paragraphs (a), (b), (e) and (f) of this subsection. However, if a mixture has been tested as a whole to determine its toxicity, the results of such testing shall be used to determine whether the mixture is hazardous. Except that any mixture which contains point one percent (0.1%) or greater of any carcinogen as defined in subsection (2) of this section shall be a hazardous substance for purposes of this Act; or

(d) Which is a carcinogen; or

(e) Which is a health hazard or physical hazard as defined in this section; or

In determining whether a substance is hazardous for purposes of this Act, the commissioner shall apply the criteria contained in the Appendices of the federal Hazard Communication Standard (29 CFR 1910.1200) and any other available scientific evidence which substantially indicates a substance or mixture of substances is hazardous.

(g) However, for purposes of this Act, hazardous substance shall not include any substance which is covered by any other state or federal rule, regulation or statute, if the commissioner determines that the rule, regulation, or statute provides substantially similar or greater protection for the employe.

(2) "Carcinogen" means any substance which:

(7) "Exposed or exposure" means that an employe is subjected to a hazardous substance in the course of employment through any route of entry and includes potential exposure.

(8) "Trade secret" means any confidential formula, pattern, process, device, information or compilation of information (including chemical name or other unique chemical identifier) that is used in an employer's business and that gives the employer an opportunity to obtain an advantage over competitors who do not know or use it.

(17) "Health hazard" means a substance for which there is statistically significant evidence based on at least one (1) study conducted in accordance with established scientific principles that acute or chronic personal injury or illness may occur in exposed employes. The term "health hazard" includes substances which are toxic or highly toxic agents, reproductive toxins, irritants, corrosives, sensitizers, hepatotoxins,

nethrotoxins, neurotoxins, agents which act on the hemotopoietic system, and agents which damage the lungs, skins, eyes, or mucous membranes. Appendix A of the federal Hazard Communication Standard (29 CFR 1910.1200) provides further definitions and explanations of the scope of health hazards covered by this definition.

(18) "Physical hazard" means a substance for which there is scientifically valid evidence that it is a combustible liquid, a compressed gas, explosive, flammable, an organic peroxide, an oxidizer, pyrophoric, unstable (reactive) or water-reactive as such terms are defined in the federal Hazard Communication Standard (29 CFR 1910.1200).

(19) "Hazard warning" means any words, pictures, symbols, or combination thereof appearing on a label or other appropriate form of warning which conveys the hazards of the substance in the container.

(20) "OSHA" means the federal Occupational Safety and Health Administration.

(21) "Kentucky OSH Program" means the Kentucky occupational safety and health program.

SECTION 2. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

(1) This Act applies to any manufacturer, distributor or importer of any hazardous substance used or produced in this Commonwealth and covered by this Act, and any employer, as defined in this chapter, who uses any hazardous substance covered by this Act in the workplace except as provided in subsection (2) and (3) of this section.

(2) This Act does not apply to laboratories, except that employers shall:

(a) Ensure that labels on incoming containers of hazardous substances are not removed or defaced;

(b) Maintain any material safety data sheets that are received with incoming shipments of hazardous substances, and ensure that they are readily accessible to laboratory employes; and

(c) Ensure that laboratory employes are apprised of the hazards of the substances in their workplace in accordance with Section 4 of this Act.

(3) This Act does not apply to:

(a) Tobacco and tobacco products;

(b) Wood or wood products;

(c) Articles;

(d) Consumer products or food stuffs packaged for distribution to, and intended for use by, the general public. This includes any product used by an employer in the same physical form, approximate amount, concentration and manner as used by consumers, and to which, in the employer's knowledge, employe exposure is not significantly greater than that of the consumer in foreseeable consumer uses of the product; and

(e) The wholesale and retail sale of automotive, aviation and heating fuel; and

(f) Any hazardous waste as such term is defined by the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976, as amended (42 U.S.C. sec. 6901 et seq.), when subject to regulations issued under that act by the Environmental Protection Agency.

SECTION 3. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

(1) Chemical manufacturers, distributors, and importers shall ensure that each container of hazardous substances leaving the workplace is labeled, tagged or marked with the following information:

(a) Identity of substance;

(b) Appropriate hazard warnings; and

(c) Name and address of the chemical manufacturer, importer or other responsible party.

(2) Chemical manufacturers, distributors or importers shall ensure that each container of hazardous substances leaving the workplace is labeled, tagged or marked in accordance with this section in a manner which does not conflict with the requirements of the Hazardous Materials Transportation Act (18 U.S.C. sec. 1801 et seq.) and regulations issued under that act by the U.S. Department of Transportation.

(3) If a hazardous substance is regulated by the Occupational Safety and Health Administration in a substance specific health standard, the chemical manufacturer, distributor, importer or employer shall ensure that the labels or other forms of warning used are in accordance with the requirements of that standard.

(4) Except as provided in subsections (5) and (6) of this section, the employer shall ensure that each container of hazardous substances used in the workplace is labeled, tagged or marked with the following information:

(a) Identity of the hazardous substance contained therein; and

(b) Appropriate hazard warnings.

(5) The employer may use signs, placards, process sheets, batch tickets, operating procedures, or other such written materials in lieu of affixing labels to individual stationary process containers, as long as the alternative method identifies the containers, to which it is applicable and conveys the information required by subsection (4) of this section. The written materials shall be readily accessible to the employes in their work area throughout each work shift.

(6) The employer is not required to label portable containers into which hazardous substances are

transferred from labeled containers and which are intended only for the immediate use of the employe who performs the transfer.

(7) The employer shall not remove or deface existing labels on incoming containers of hazardous substances unless the container is immediately marked with the required information.

(8) The employer shall ensure that labels or other forms of warning are legible, in English, and prominently displayed on the container or readily available in the work area throughout each work shift. Employers having employes who speak other languages may add the information in their language to the material presented as long as the information is presented in English as well.

(9) The chemical manufacturer, distributor, importer or employer need not affix new labels to comply with this section if existing labels already convey the required information.

(10) This Act does not require additional labeling of any of the following:

(a) Any pesticide as such term is defined in the Federal Insecticide, Fungicide, and Rodenticide Act (7 U.S.C. sec. 136 et seq.), when subject to the labeling requirements of that act and labeling regulations issued under the act by the Environmental Protection Agency;

(b) Any food, food additive, color additive, drug, or cosmetic, including materials intended for use as ingredients in such products (e.g. flavors and fragrances), as such terms are defined in the Federal Food, Drug and Cosmetic Act (21 U.S.C. sec. 301 et seq.) and regulations issued under that act, when they are subject to the labeling requirements of that act and labeling regulations issued under that act by the Food and Drug Administration;

(c) Any distilled spirits (beverage alcohols, wine, or malt beverage intended for nonindustrial use), as such terms are defined in the Federal Alcohol Administration Act (27 U.S.C. sec. 201 et seq.) and regulations issued under that act, when subject to the labeling requirements of that act and labeling regulations issued under that act by the Bureau of Alcohol, Tobacco, and Firearms; and

(d) Any consumer product or hazardous substance as those terms are defined in the Consumer Product Safety Act (15 U.S.C. sec. 2051 et seq.) and Federal Hazardous Substance Act (15 U.S.C. Sec. 1261 et seq.) respectively, when subject to a consumer product safety standard or labeling requirement of those acts or regulations issued under those acts by the Consumer Product Safety Commission.

(11) The Kentucky OSH board shall promulgate any regulations necessary to ensure that the labeling requirements of this section do not unduly burden interstate commerce in a manner which would conflict with the federal Hazard Communication Standard (29 CFR 1910.1200).

SECTION 4. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

(1) Every employer shall provide an information and training program for employes exposed to hazardous substances.

(2) The information and training program shall be provided on or before the first day that the employe begins working in a work area where he will be exposed to hazardous substances and whenever a new hazardous substance is introduced into the work area. An information and training program shall be repeated at least annually thereafter.

(3) The information and training program shall include, but need not be limited to, the following:

(a) The disclosures of any operations in an employe's work area where hazardous substances are present;

(b) The location and availability of the written hazard communication program as described in Section 6 of this Act, including the required lists of hazardous substances, and material safety data sheets required by this Act;

(c) Methods and observations that may be used to detect the presence or release of a hazardous substance in the work area (such as monitoring conducted by the employer, continuous monitoring devices, visual appearance or odor of hazardous substances when being released);

(d) The physical and health hazards of the hazardous substances in the work area;

(e) The measures employes can take to protect themselves from these hazards, including specific procedures the employer has implemented to protect employes from exposure to hazardous substances, such as appropriate work practices, emergency procedures, and personal protective equipment to be used; and

(f) The details of the hazard communication program developed by the employer, including an explanation of the requirements of this Act, the labeling system and the material safety data sheet, and how employes can obtain and use the appropriate hazard information.

SECTION 5. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

(1) Chemical manufacturers, importers, and distributors, shall obtain or develop a material safety data sheet for each hazardous substance they produce or import. Employers shall have a material safety data sheet for each hazardous substance which they use.

(2) Each material safety data sheet shall be in English and shall contain at least the following information:

(a) The identity used on the label, and, except as provided for in Section 7 of this Act on trade

secrets:

1. If the hazardous substance is a single substance, its chemical and common name;

2. If the hazardous substance is a mixture which has been tested as a whole to determine its hazards, the chemical and common name of the ingredients which contribute to these known hazards, and the common name of the mixture itself; or,

3. If the hazardous substance is a mixture which has not been tested as a whole:

a. The chemical and common name of all ingredients which have been determined to be health hazards, and which comprise one percent (1%) or greater of the composition, except that chemicals identified as carcinogens under Section 1 of this Act shall be listed if the concentrations are point one percent (0.1%) or greater; and,

b. The chemical and common name of all ingredients which have been determined to present a physical hazard when present in the mixture;

(b) Physical and chemical characteristics of the hazardous substance (such as vapor pressure, flash point);

(c) The physical hazards of the hazardous substance, including the potential for fire, explosion, and reactivity;

(d) The health hazards of the hazardous substance including signs and symptoms of exposure, and any medical conditions which are generally recognized as being aggravated by exposure to the substance;

(e) The primary route of entry;

(f) The OSHA permissible exposure limit, American Conference of Governmental Industrial Hygienists' Threshold Limit Value, and any other exposure limit used or recommended by the chemical manufacturer, distributor or importer preparing the material safety data sheet, where available;

(g) Whether the hazardous substance is listed in the latest edition of the National Toxicology Program (NTP) Annual Report on Carcinogens or has been found to be a potential carcinogen in the latest edition of International Agency for Research on Cancer (IARC) Monographs, or by the Occupational Safety and Health Administration program;

(h) Any generally applicable precautions for safe handling and use which are known to the chemical manufacturer, distributor or importer preparing the material safety data sheet, including appropriate hygienic practices, protective measures during repair and maintenance of contaminated equipment, and procedures for clean-up of spills and leaks;

(i) Any generally applicable control measures which are known to the chemical manufacturer, distributor or importer preparing the material safety data sheet, such as appropriate engineering controls, work practices, or personal protective equipment;

(j) Emergency and first aid procedures;

(k) The date of preparation of the material safety data sheet or the last change to it; and

(l) The name, address and telephone number of the chemical manufacturer, distributor, importer, employer or other responsible party preparing or distributing the material safety data sheet, who can provide additional information on the hazardous substance and appropriate emergency procedures, if necessary.

(3) If no relevant information is found for any given category on the material safety data sheet, the chemical manufacturer, distributor or importer preparing the material safety data sheet shall mark it to indicate that no applicable information was found.

(4) Where complex mixtures have similar hazards and contents (i.e. the chemical ingredients are essentially the same, but the specific composition varies from mixture to mixture), the chemical manufacturer, distributor, importer or employer may prepare one (1) material safety data sheet to apply to all of these similar mixtures.

(5) The chemical manufacturer, distributor or importer preparing the material safety data sheet shall ensure that the information recorded accurately reflects the scientific evidence used in making the hazard determination. If the chemical manufacturer, distributor or importer becomes newly aware of significant information regarding the hazards of a substance, or ways to protect against the hazards, this new information shall be added to the material safety data sheet within three (3) months. If the hazardous substance is not currently being produced or imported the chemical manufacturer, distributor or importer shall add the information to the material safety data sheet before the hazardous substance is introduced into the workplace again.

(6) Chemical manufacturers or importers shall ensure that distributors and purchasers of hazardous substances are provided an appropriate material safety data sheet with their initial shipment, and with the first shipment after a material safety data sheet is updated. The chemical manufacturer, distributor, or importer shall either provide material safety data sheets with the shipped containers or send them to the purchaser prior to or at the time of the shipment. If the material safety data sheet is not provided with the shipment, the purchaser shall obtain one (1) from the chemical manufacturer, distributor or importer as soon as possible.

(7) Distributors shall ensure that material safety data sheets and updated information, are provided to other distributors and purchasers of hazardous substances.

(8) The employer shall maintain copies of the required material safety data sheets for each hazardous substance in the workplace, and shall ensure that they are readily accessible during each work shift to employes when they are in their work area.

(9) Material safety data sheets may be kept in any form including operating procedures, and may be designed to cover groups of hazardous substances in a work area where it may be more appropriate to address the hazards of a process rather than individual hazardous substances. However, the employer shall ensure that in all cases the required information is provided for each hazardous substance, and is readily accessible during each work shift to employes when they are in their work area.

(10) Material safety data sheets shall also be made readily available, upon request to the commissioner, in accordance with the requirements of this Act.

SECTION 6. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

(1) Employers shall develop and implement a written hazard communication program for their workplaces which at least describes how the criteria specified in Sections 3, 4, and 5 of this Act for labels and other other forms of warning, material safety data sheets, and employe information and training will be met, and which also includes the following:

(a) A list of the hazardous substances known to be present using an identity that is referenced on the appropriate material safety data sheet (the list may be compiled for the workplace as a whole or for individual work areas);

(b) The methods the employer will use to inform employes of the hazards of non-routine tasks (for example, the cleaning of reactor vessels), and the hazards associated with substances contained in unlabeled pipes in their work areas; and

(c) The methods the employer will use to inform any contractor employers with employes working in the employer's workplace of the hazardous substances their employes may be exposed to while performing their work, and any suggestions for appropriate protective measures.

(2) The employer may rely on an existing hazard communication program to comply with these requirements, provided that it meets the criteria established in this section.

(3) The employer shall make the written hazard communication program available upon request, to employes, their designated representative and the commissioner.

SECTION 7. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

(1) The chemical manufacturer, importer or employer may withhold the specific chemical identity, including the chemical name and other specific identification of a hazardous substance, from the material safety data sheet, provided that:

(a) The claim that the information withheld is a trade secret can be supported;

(b) Information contained in the material safety data sheet concerning the properties and effects of the hazardous substances is disclosed;

(c) The material safety data sheet indicates that the specific chemical identity is being withheld as a trade secret; and

(d) The specific chemical identity is made available to health professionals, in accordance with the applicable provisions of this section.

(2) Where a treating physician or nurse determines that a medical emergency exists and the specific chemical identity of a hazardous substance is necessary for emergency or first-aid treatment, the chemical manufacturer, importer, or employer shall immediately disclose the specific chemical identity of a trade secret chemical to that treating physician or nurse, regardless of the existence of a written statement of need or a confidentiality agreement. The chemical manufacturer, distributor, importer, or employer may require a written statement of need and confidentiality agreement, in accordance with the provisions of subsections (3) and (4) of this section, as soon as circumstances permit.

(3) In non-emergency situations, a chemical manufacturer, distributor, importer, or employer shall, upon request, disclose a specific chemical identity, otherwise permitted to be withheld under subsection (1) of this section, to a health professional (i.e. physician, industrial hygienist, toxicologist, or epidemiologist) providing medical or other occupational health services to exposed employes if:

(a) The request is in writing;

(b) The request describes with reasonable detail one (1) or more of the following occupational health needs for the information:

1. *To assess the hazards of the substances to which employes will be exposed;*
2. *To conduct or assess sampling of the workplace atmosphere to determine employe exposure levels;*
3. *To conduct pre-assignment or periodic medical surveillance of exposed employes;*
4. *To provide medical treatment to exposed employes;*
5. *To select or assess appropriate personal protective equipment for exposed employes;*
6. *To design or assess engineering controls or other protective measures for exposed employes; and*

7. To conduct studies to determine the health effects of exposure;

(c) The request explains in detail why the disclosure of the specific chemical identity is essential and that, in lieu thereof, the disclosure of the following information would not enable the health professional to provide the occupational health services described in paragraph (b) of this subsection:

1. The properties and effects of the hazardous substance;

2. Measures for controlling workers' exposure to the hazardous substance;

3. Methods of monitoring and analyzing worker exposure to the hazardous substance; and

4. Methods of diagnosing and treating harmful exposures to the hazardous substance;

(d) The request includes a description of the procedures to be used to maintain the confidentiality of the disclosed information; and

(e) The health professional, and the employer or contractor of the health professional's services (i.e., downstream employer, labor organization, or individual employer), agree in a written confidentiality agreement that the health professional will not use the trade secret information for any purpose other than the health needs asserted and agreed not to release the information under any circumstances other than to the Kentucky OSH program, as provided in subsection (6) of this section, except as authorized by the terms of the agreement or by the chemical manufacturer, distributor, importer, or employer.

(4) The confidentiality agreement authorized by subsection (3)(d) of this section:

(a) May restrict the use of the information to the health purposes indicated in the written statement of need;

(b) May provide for appropriate legal remedies in the event of a breach of the agreement, including stipulation of a reasonable pre-estimate of likely damages; and

(c) May not include requirements for the posting of a penalty bond.

(5) Nothing in this Act is meant to preclude the parties from pursuing non-contractual remedies to the extent permitted by law.

(6) If the health professional receiving the trade secret information decides that there is a need to disclose it to the Kentucky OSH program, the chemical manufacturer, distributor, importer, or employer who provided the information shall be informed by the health professional prior to, or at the same time as, such disclosure.

(7) If the chemical manufacturer, distributor, importer, or employer denies a written request for disclosure of a specific chemical identity, the denial must:

(a) Be provided to the health professional within thirty (30) days of the request;

(b) Be in writing;

(c) Include evidence to support the claim that the specific chemical identity is a trade secret;

(d) State the specific reasons why the request is being denied; and

(e) Explain in detail how alternate information may satisfy the specific medical or occupational health need without revealing the specific chemical identity.

(8) The health professional whose request for information is denied under subsection (3) of this section may refer the request and the written denial of the request to Kentucky OSH program for consideration.

(9) When a health professional refers the denial to the Kentucky OSH program under subsection (8) of this section, the Kentucky OSH program shall consider the evidence to determine if:

(a) The chemical manufacturer, distributor, importer, or employer has supported the claim that the specific chemical identity is a trade secret;

(b) The health professional has supported the claim that there is a medical or occupational health need for the information; and

(c) The health professional has demonstrated adequate means to protect the confidentiality.

(10) (a) If the Kentucky OSH program determines that the specific chemical identity requested under subsection (3) of this section is not a bona fide trade secret, or that it is a trade secret but the requesting health professional has a legitimate medical or occupational health need for the information, has executed a written confidentiality agreement, and has shown adequate means to protect the confidentiality of the information, the chemical manufacturer, distributor, importer, or employer will be subject to citation by Kentucky OSH program.

(b) If a chemical manufacturer, distributor, importer or employer demonstrates to the Kentucky OSH program that the execution of a confidentiality agreement would not provide sufficient protection against the potential harm from the unauthorized disclosure of a trade secret specific chemical identity, the commissioner may issue such orders or impose such additional limitations or conditions upon the disclosure of the requested chemical information as may be appropriate to assure that the occupational health services are provided without an undue risk of harm to the chemical manufacturer, distributor, importer, or employer.

(11) If, following the issuance of a citation and any protective orders, the chemical manufacturer, distributor, importer, or employer continues to withhold the information, the matter is referrable to the Kentucky occupational safety and health review commission for enforcement of the citation. In accordance

with department regulations, the commissioner may review the citation and supporting documentation in camera or issue appropriate protective orders.

(12) Notwithstanding the existence of a trade secret claim, a chemical manufacturer, distributor, importer, or employer shall, upon request, disclose to the commissioner any information which this section requires the chemical manufacturer, importer, or employer to make available. Where there is a trade secret claim, such claim shall be made no later than at the time the information is provided to the commissioner so that suitable determinations of trade secret status can be made and the necessary protections can be implemented.

(13) Nothing in this section shall be construed as requiring the disclosure under any circumstances of process or percentage of mixture information which is a trade secret.

SECTION 8. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

In the event that any provision of this Act is determined by the U.S. Department of Labor not to be at least as effective as the federal Hazard Communication Standard (29 CFR 1910.1200), the federal standard shall prevail with regard to that matter.

Section 9. KRS 338.171 is amended to read as follows:

Except as provided in Section 7 of this Act, all information obtained by the commissioner in connection with any inspection or proceeding under this chapter which might reveal a trade secret shall be considered confidential except that such information may be disclosed to those persons concerned with carrying out this chapter or when relevant in any proceedings under this chapter. In any such proceedings, the commissioner, review commission or courts shall issue such orders as may be appropriate to protect the confidentiality of trade secrets.

Section 10. KRS 338.181 is amended to read as follows:

The Kentucky department of labor is empowered to administer the provisions of this chapter to employers, employes, [~~and~~] places of employment, *and persons covered by Section 2 of this Act* under the jurisdiction of the United States government pursuant to any agreement between the Commonwealth and the United States government. Pursuant to such agreement, the department of labor is empowered to make employer reports and data available to the United States government.

SECTION 11. A NEW SECTION OF KRS CHAPTER 338 IS CREATED TO READ AS FOLLOWS:

All entities covered by this Act shall be in compliance with this Act within the following time periods:

(1) Chemical manufacturers and importers covered by this Act shall label containers of hazardous substances leaving their workplaces, and provide material safety data sheets with initial shipments by November 25, 1985.

(2) Distributors covered by this Act shall be in compliance with all sections of this Act applicable to them by November 25, 1985.

(3) All employers covered by this Act shall be in compliance with all sections of this Act by May 25, 1986, including initial training for all current employes.

The automated motor vehicle and trailer registration system shall be designed to enable Kentucky's county clerks

to produce motor vehicle and trailer certificates of registration in their offices, and certificates of title in Frankfort, by automated means utilizing telecommunication terminals and associated devices supplied by the Commonwealth, to inhibit registration and transfer of stolen motor vehicles or trailers, to improve the capability of detecting and recovering such vehicles, to ensure development of a common vehicle information data base to improve efficiency in auditing motor vehicle usage tax, license fee collections, and in collecting personal property tax to provide information to the traffic record system, and to provide improved security interest protection to potential creditors throughout Kentucky while simultaneously reducing the number of forms that must be processed and stored each year in Kentucky.

(2) The transportation cabinet is hereby directed to, as expeditiously as practicable, develop an automated motor vehicle and trailer registration and titling system, *and a boat titling system* having, as a minimum, the capabilities or functions described in this chapter, and to acquire and assure the installation of such equipment or services as are necessary to enable the system as described in this chapter to be operated in all counties of the Commonwealth.

(3) All departments of state government affected by the system are hereby directed to cooperate with the transportation cabinet for purposes of assuring orderly implementation of this chapter.

Section 4. KRS 186A.095 is amended to read as follows:

(1) An owner of a vehicle for which a certificate of registration or title, and license plate must be obtained shall be allowed a fifteen (15) day grace period from the date on which he purchased a vehicle or brings a vehicle into the Commonwealth from another state, during which time the owner shall apply for and obtain a certificate of registration or title and a license plate in his name.

(2) An owner of a boat for which registration must be obtained shall be allowed a fifteen (15) day grace period from the date on which he purchased a boat or brings a boat into the Commonwealth from another state, during which time the owner shall apply for and obtain a certificate of title in his name, except that he is a resident of another state and possesses a current certificate of title from that state.

Section 5. KRS 186A.165 is amended to read as follows:

Not later than 3 p.m. on the next business day after an application for a first certificate of registration or title for a vehicle *or boat* is received by him, the county clerk shall prepare on forms supplied by the department of vehicle regulation, an application transmittal record.

(1) The clerk shall indicate thereon in the spaces provided, the name of his county, the date or time period the transmittal relates to and, in the order they are to be attached to the transmittal record, a notation for each application attached consisting of the applicant's last name and initials or if the applicant is other than an individual, the name commonly used by the applicant and any other information required upon the form as indicated thereon.

(2) The clerk shall ensure that the original of all applications noted on the transmittal, together with the original of all required supporting documents are attached to the transmittal record in the order shown thereon, and shall thereafter sign and date the original of the transmittal record as of the date the transmittal is being forwarded to Frankfort.

(3) The county clerk shall place the original of each application record, with the original of each application shown thereon, and its required supporting documents, together with the acknowledgment of the transmittal record, in the envelope or other container provided by the department of vehicle regulation and forward to the division of motor vehicle licensing in Frankfort.

Section 6. KRS 186A.170 is amended to read as follows:

(a) Within five (5) working days following receipt by it of an application for a certificate of title in proper form, process the application and its supporting documents in the manner provided in this section, and unless it finds discrepancies with respect to it or its supporting documents, issue a certificate of title in the name of the owner and send it postpaid to such owner.

(b) The department of vehicle regulation shall provide by regulation, a procedure for direct delivery, as distinguished from delivery by mail, of a certificate of title to an owner or owner's agent, and may establish a fee deemed reasonable by it for such service.

(2) Upon receiving an application packet from a county clerk, the application receipt clerk of the department of vehicle regulation shall:

(a) Cause the date and time of receipt to be stamped on both the department's copy and the acknowledgment copy of the application transmittal record and accompanying documents;

(b) Cause at least duplicate sets of microfilm images to be made of each transmittal record application and supporting document by a means that will provide rapid, selective, automated retrieval of individual document images by appropriate indexing methods or keys; *and*

(c) Compare the application transmittal record with the documents accompanying it, and, if all applications shown upon the record are accompanying the record, endorse the department's copy of the transmittal record and the acknowledgment copy, and forward the acknowledgment copy to the clerk who issued it.

(3) In the event there is a discrepancy between the application transmittal record and the application

attached to it, the department of vehicle regulation shall note the discrepancy upon the department's copy and the acknowledgment copy, and shall promptly contact the issuing clerk and resolve the discrepancy. After resolving the discrepancy, the department shall note the nature of the disposition of the discrepancy and endorse the respective copies and forward the acknowledgment copy with the discrepancy disposition noted thereon to the issuing clerk.

(4) After executing the acknowledgment of receipt of applications, the department of vehicle regulation shall carry out the following action with respect to each application:

(a) Examine the owner's application for legibility and proper execution, presence of required information, including required supporting documents, and the presence of required signatures. The department of vehicle regulation shall ensure also that the required supporting documents are consistent in pertinent part with the information shown on the owner's application;

(b) The documents supporting an owner's application shall be examined as to authenticity and to determine if fraudulent alteration has occurred;

(c) Assure that the vehicle identification number of the subject vehicle is apparently legitimate;

(d) Ensure that the vehicle identification number and any other appropriate information with respect to a vehicle for which a certificate of title has been applied for is compared against the national crime information center (NCIC) computerized listings of vehicles reported stolen, unless NCIC is not operational and the department has official notification that it is not expected to be operational within four (4) working days following the day on which an application for a certificate of title is received by it;

(e) Compare the computer produced certificate of title for consistency with the owner's application and supporting documents.

(5) When the title application has been completed, and the application examiner at each significant stage has indicated, by placing his unique symbol upon the application in the space provided thereon, that an application has passed the required examinations, the application shall be examined by a title examination certifier.

(6) The title application certifier shall ensure that each application has received the required examinations as indicated by the presence of each required examiner's symbol. Upon satisfying himself that an application has passed the required examinations, the title examination certifier shall place his unique symbol together with the date upon the application.

(7) The department of vehicle regulation shall withhold issuance of a title, until its questions are resolved to its satisfaction, when it finds material discrepancies or has information giving probable cause to believe:

(a) That an applicant is not the lawful owner of a vehicle for which he seeks a title;

(b) His application is not in order;

(c) The documentation supporting an application is insufficient or fraudulent;

(d) The vehicle has an illegitimate vehicle identification number;

(e) The vehicle is stolen; or

(f) That the computer produced certificate of title is not consistent with the owner's application.

(8) When the department of vehicle regulation finds that a certificate of title should be issued for a vehicle *or boat*, the endorsement of the commissioner of the department of vehicle regulation shall be engrossed upon the certificate of title following a preprinted statement which shall read: I certify that the department of vehicle regulation has exercised due diligence in examining an application for a certificate of title for the above-described vehicle, and to the best of our knowledge and belief, the applicant whose name appears above is the lawful owner of the apparently legitimate vehicle described herein. -------------- (signature), commissioner, department of vehicle regulation, Kentucky transportation cabinet.

(9) The department of vehicle regulation may omit the procedures described in paragraphs (4)(c) and (d) and (7)(d) of this section when reviewing an application for title of a boat.

Section 7. KRS 186A.175 is amended to read as follows:

(1) Each certificate of title issued by the department of vehicle regulation shall contain:

(a) The date of its issue;

(b) The name, social security account number or federal employer identification number and current mailing address of the owner, to include zip code;

(c) The names and addresses of any lienholders, not exceeding two (2);

(d) The title number;

(e) A description of the vehicle including the following data: year, make, model name, model number, vehicle identification number, type of body, number of cylinders, color or colors not exceeding one upper and one lower color, and if the vehicle is a truck, its gross weight, *or if the certificate of title is for a boat, the following data: make of boat, hull identification number, if any, length, beam, model and horsepower of motor, maximum capacity and type of hull material*;

(f) If last titled in another state, the name of the state and the title number;

(g) Forms for assignment and warranty of title by the owner, and for assignments and warranty of title by dealers;

(h) Any other information the department requires;

(2) A certificate of title issued by the department is prima facie evidence of the facts appearing on it.

Section 8. KRS 186A.190 is amended to read as follows:

(1) Financing statements relating to vehicles *or boats* required to be titled in Kentucky through the county clerk shall be filed in the office of the county clerk of the county in which the debtor resides or, if the debtor is a nonresident, in the office of the county clerk in which the vehicle *or boat* is principally operated. Notwithstanding the existence of any filed financing statement relating to any vehicle *or boat* registered or titled in Kentucky, the sole means of determining priority of security interests in such vehicle *or boat* shall be the notation of the security interest on such vehicle's *or boat's* registration or title.

(2) Before ownership of a vehicle subject to a lien evidenced by a financing statement executed pursuant to KRS Chapter 355 may be transferred, the transferor shall obtain the release of the prior liens in his name against the vehicle *or boat* being transferred.

(3) No more than two (2) active financing statements as provided by KRS Chapter 355 may be recorded upon a certificate of title.

(4) In recording the filing of a financing statement upon a certificate of title, the county clerk shall ensure that the certificate of title bears the lienholder's name, mailing address and zip code, the date the lien was filed, its file number and the county in which the financing statement is on file.

(5) A copy of the application, certified by the county clerk, indicating the lien will be filed shall be forwarded to the lender.

Section 9. KRS 186A.195 is amended to read as follows:

(1) If a financing statement and the required fees accompany the application for first title of a vehicle *or boat* in the name of an owner, the county clerk shall enter the information required by KRS 186A.190(4) into the automated system so as to produce a certificate of title in Frankfort bearing in addition to any other required information, the information designated by KRS 186A.190(4). The clerk shall thereby produce, in accordance with design of the automated system, a certificate of registration, if required.

(2) If a financing statement and the required fees are not received at the time of application for first title of a vehicle *or boat* in the name of the owner due to owner's residency in another county, the county clerk shall enter into the automated vehicle informational system (AVIS) the name and address of the lienholder and the county where the lien is to be filed. The clerk shall indicate a title is not to be issued until the lien has been filed and fees paid in the county of the owner's residence or in thirty (30) days. The county clerk shall then issue the registration. The county clerk in the county of the owner's residence shall, after receiving the financing statement and required fees, enter into the automated vehicle information system (AVIS) the date of lien filing and the file number thus enabling the system to produce the title in Frankfort.

Section 10. KRS 186A.200 is amended to read as follows:

(1) With respect to a vehicle *or boat*, previously titled in the name of its debtor, the secured party shall, within fifteen (15) days after execution of the security agreement, obtain the current certificate of title in the name of the debtor, with no more than one prior lien indicated thereon, and present it together with the financing statement and the required fees to the county clerk.

(2) For failure to present both the title and financing statement within the time prescribed by subsection (1) of this section, the secured party shall pay a penalty of two dollars ($2.00) to the county clerk as a prerequisite for noting the security interest on the title.

(3) The county clerk shall enter the information required by KRS 186A.190(4) into the automated system.

(4) The county clerk shall record upon the title in the appropriate section the information designated by KRS 186A.190(4).

Section 11. KRS 186A.210 is amended to read as follows:

Whenever a security interest to a vehicle *or boat* has been discharged as provided by KRS 186.045(5), the county clerk of a county that is operating under automated procedures shall, upon receiving a termination statement, promptly enter the record of termination into the automated system. The clerk shall then release the lien recorded upon the title in the manner directed by the department of vehicle regulation, and take such other action with respect to a termination as is directed by the department of vehicle regulation.

Section 12. KRS 186A.215 is amended to read as follows:

(1) If an owner transfers his interest in a vehicle *or boat*, he shall, at the time of the delivery of the vehicle *or boat*, execute an assignment and warranty of title to the transferee in the space provided therefor on the certificate of title, and execute the applicable portions of the [~~vehicle~~] transaction record provided for by this chapter, and cause the [~~vehicle~~] transaction record with the certificate of title attached to be delivered to the transferee.

(2) Except as otherwise provided in this chapter, the transferee shall, promptly after delivery to him of the vehicle *or boat*, execute the application for a new certificate of title and registration by executing the applicable portions of the [~~vehicle~~] transaction record provided to him by his transferor.

(3) The [~~vehicle~~] transaction record with its supporting documentation attached shall promptly be

submitted to the county clerk as provided in KRS 186A.115, together with the required fees.

(4) This section shall not apply to a motor vehicle which has had the title surrendered to a county clerk or a hulk vehicle. Hulk vehicle shall mean a motor vehicle or part thereof that is:

(a) In a rusted, wrecked, discarded, worn out, extensively damaged, dismantled and mechanically inoperative condition; or

(b) Of an apparent value of less than two hundred dollars ($200).

Section 13. KRS 186A.225 is amended to read as follows:

The department of vehicle regulation shall establish appropriate forms and procedures to be utilized in connection with the transfer of a motor vehicle, *boat* or trailer by operation of law.

The Committee Substitute to **HB 430** is as follows:

HB 430, AN ACT relating to boats.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 235 IS CREATED TO READ AS FOLLOWS:

(1) Financing statements relating to boats required to be registered in Kentucky by the circuit clerk shall be filed in the office of the circuit clerk of the county in which the debtor resides, or, if the debtor is a nonresident, in the office of the circuit clerk in which the boat is principally operated.

(2) (a) When a financing statement required by KRS Chapter 355 relating to any boat registered or required to be registered in Kentucky is presented to a circuit clerk for filing, the clerk shall also immediately note information required by the department relative thereto on the owner's copy of the certificate of registration, which the secured party must obtain and present to the circuit clerk, along with the financing statement within fifteen (15) days, exclusive of Sundays and holidays, after the execution of the security agreement. The clerk shall note the information on the clerk's copy of the certificate of registration and shall return the registration to the owner within five (5) days after making the notation.

(b) When a financing statement effecting a boat is presented to a circuit clerk for filing in any county other than the county in which the current receipt was issued, the circuit clerk shall, in addition to the other requirements of this section, mail a notice of the security interest, on a form furnished by the department, to the circuit clerk of the county in which the current registration was issued. Upon receipt of the notice, the circuit clerk shall attach it to the copy of the current receipt on file, maintained in numerical order, in the circuit clerk's office and note the security interest on the circuit clerk's copy of the receipt.

(3) For failure to present both the current receipt and financing statement within the time prescribed by subsection (2)(a) of this section, the secured party shall pay a penalty of two dollars ($2.00) to the circuit clerk as a prerequisite for noting the security interest on the current receipt.

(4) When a perfected security interest is assigned, the assignor shall immediately give a statement of assignment to the assignee and at the same time deliver another copy of the statement to the debtor. The assignee shall, within thirty (30) days thereafter, present a copy of the statement of assignment to the circuit clerk in whose office the financing statement is on file. Upon receipt of the assignment, the circuit clerk shall mark it as provided in subsection (2) of KRS 355.9-405 and attach it to the original financing statement.

(5) When a security interest has been discharged, other than by proceedings under KRS 355.9-501 through 355.9-507 or similar proceedings, the secured party shall, within fifteen (15) days thereafter, deliver a termination statement in the manner required by KRS 355.9-404 to the circuit clerk of the county in which the financing statement is filed. Within five (5) days after the receipt of such documents, the circuit clerk shall note the filing in the index and, in addition, note on the clerk's copy of the current receipt maintained in his office in numerical order, in language prescribed by the cabinet that the termination statement has been filed. Upon presentation of the owner's copy of the receipt showing the security interest, the clerk shall also note on the receipt that the termination statement has been filed and place the seal of the circuit clerk thereon. The clerk shall return the owner's receipt to the owner. The circuit clerk shall remove the financing statement from his files, mark "terminated" thereon and send or deliver it to the secured party along with any continuation statement, statement of assignment or statement of release pertaining thereto. The circuit clerk shall then file the termination statement in the place from which the financing statement was removed. Termination statements must be retained in the clerk's files for a period of two (2) years subsequent to the date of filing the statement, at which time they may be destroyed. Once a security interest has been noted on the owner's copy of a certificate of number, no subsequent certificate of number may be issued by any circuit clerk free of the notation unless the owner's copy of the current receipt is presented to the clerk and it has noted thereon by the proper circuit clerk that the termination statement therefor has been filed. If this requirement is met, information relating to any security interest shown on the receipt as having been

terminated may be omitted from the receipt to be issued by the clerk.

(6) When any secured party repossesses a boat registered with a circuit clerk, for which a financing statement has been filed, and disposes of the boat pursuant to the provisions of KRS Chapter 355, he must present, within fifteen (15) days after such disposition, an affidavit in form prescribed by the department and a termination statement or proof that such termination statement has been filed. The new owner shall pay all applicable fees for registering and transferring the boat to the circuit clerk. Upon receipt of such documents, the circuit clerk who issued the current receipt shall then omit from the certificate of number he issues any information relating to the security interest under which the boat was repossessed or any security interest subordinate thereto. However, any security interest, as shown by such clerk's copy of the current receipt, which is superior to the one under which the boat was repossessed, must be shown on the receipt issued by the clerk, unless the prior secured party has terminated the security interest in the clerk's office or proof of termination is submitted in case the prior security interest was discharged in another clerk's office.

(7) When any boat brought into this state is required to be registered with a circuit clerk and the boat is then subject to a security interest in another state as shown by the out of state documents presented to the clerk, the circuit clerk is prohibited from registering the boat unless the owner obtains from the secured party a financing statement and presents it to the clerk along with all fees due. Such a financing statement must conform to the requirements of subsection (3) of KRS 355.9-402. The clerk shall note the out of state security interest on the new registration receipt and on the clerk's copy thereof.

(8) The circuit clerk is prohibited from filing any financing statement on any boat subject to the provisions of this section if a certificate of number therefor is presented to him which has all the spaces provided thereon for noting security interests fully exhausted. The owner must see to it that a termination statement is filed for each discharged security interest and then a duplicate receipt must be obtained from the clerk by the owner of the boat.

(9) Security interests in boats sold to or owned by residents of other states must be perfected in the state of the nonresident and repossession of the boat must be taken pursuant to the laws of such state, unless the boat is principally operated in Kentucky and is properly registered herein under KRS 235.040 and the security interest is authorized to be filed with the circuit clerk under KRS 355.9-401. However, a security interest on any boat not required to be registered may be filed with the circuit clerk as otherwise permitted under KRS Chapter 355.

SECTION 2. A NEW SECTION OF KRS CHAPTER 235 IS CREATED TO READ AS FOLLOWS:

When any financing statement lapses under the provisions of KRS 355.9-403, the circuit clerk of the county in whose office the financing statement is filed shall, upon presentation of the owner's certificate of number, note on the certificate that the financing statement has lapsed. Thereafter, any clerk may omit information regarding the lapsed financing statement from any new certificate of number for the boat.

Section 3. KRS 235.070 is amended to read as follows:

(1) Every person seeking a license or certificate of number or renewal for operation of a motorboat shall apply in person to the circuit court clerk of the county as provided in KRS 235.050 and make application on a form furnished by the department. The application shall contain the full name and signature, citizenship of applicant, date of birth, sex, present resident address, the make of the boat, hull identification number (HIN), if any, length, beam, model and horsepower of motor, maximum capacity, type of hull material, intended use of the boat, and whether the fuel is gasoline, diesel or other*; and space for recording not more than two (2) financing statements as provided by Section 1 of this Act*. The application shall state whether the motorboat is equipped with toilet facilities and shall describe the number and type of such facilities and shall state whether the storage container or treatment or disposal system for such facilities is a type approved by regulations promulgated pursuant to this chapter. It shall also state whether the applicant has been previously licensed or registered as an owner, and if so, when and by what state or county, whether any license registration or certificate number has been canceled, suspended, revoked, refused, and if so, the date of and reason for cancellation, suspension, revocation or refusal and such other information as may be required.

(2) Every applicant shall make oath as to the truthfulness of the statements contained in the form.

(3) The clerk shall, after determining that the applicant has complied with the law concerning applications, issue a current certificate of number or renewal thereof.

(4) No certificate of number or renewal thereof for the operation of a motorboat shall be issued, if the motorboat is equipped with toilet facilities but is not equipped with a storage container or treatment or disposal system of a type approved under regulations promulgated pursuant to this chapter.

Section 4. KRS 235.100 is amended to read as follows:

Upon receipt of the clerk's report and copies of the applications, the department shall cause each of said applications to be entered upon the records of its office and shall issue to the applicant a certificate of number stating the number awarded to the motorboat, the name and address of the owner *spaces for the recording of two (2) financing statements*, and any other information prescribed by the department.

Section 5. KRS 235.130 is amended to read as follows:

(1) No person acting for himself or another shall buy or trade for any motorboat without receiving

the certificate of number issued for that boat for the current period with a certificate of transfer indorsed thereon.

(2) It shall be the duty of the purchaser to record the indorsed certificate of number with the circuit court clerk of the county of the purchaser's residence or in which the motorboat is to be principally operated except as provided in KRS 235.060, and to pay a transfer fee of one dollar ($1). The clerk thereupon shall forward the indorsed certificate of number and the transfer fee to the department. The clerk shall charge the purchaser a fee of fifty cents. The fees provided in this section shall be deposited in the manner provided for in KRS 30A.120.

(3) No circuit clerk shall transfer any interest in a boat which has a financing statement recording on the certificate of number. Termination of any financing statement shall be in accordance with Section 1(5) of this Act.

Section 6. This Act shall become effective on January 1, 1985.

HB 539, AN ACT relating to the licensing of motor vehicles.

WHEREAS, disaster and emergency services staff and volunteer rescue squad members offer citizens of the Commonwealth extraordinary aid in times of emergency; and

WHEREAS, these same persons offer training, planning, and other assistance in order to lessen the loss of life and property related to a disaster; and

WHEREAS, many of the expenses associated with this work are paid by the workers themselves.

NOW, THEREFORE,

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 186 IS CREATED TO READ AS FOLLOWS:

(1) Upon application to the county clerk of the county of his residence, any member of a local disaster and emergency services organization or volunteer rescue squad in the Commonwealth shall be issued a five (5) year license plate in the same form and character as license plates authorized by law to be used upon similar private vehicles registered in Kentucky, except that such license plates shall bear the inscription "Disaster and Emergency Services," a registration number and an appropriate standardized insignia. Each application shall be accompanied by proof of current service as furnished by the county judge/executive, mayor, or disaster and emergency services coordinator, and the payment of a fee of twenty-five dollars ($25). Annually thereafter, upon application to the county clerk of the county of his residence, together with proof of current service, and payment of an eleven dollar fifty cent ($11.50) registration fee, the clerk shall issue a current year renewal decal to the applicant to be affixed to the disaster and emergency services license plate originally issued to the applicant.

(2) Upon the sale or transfer of a vehicle licensed as authorized by subsection (1) of this section, the owner shall remove the disaster and emergency services license plate and return it to the county clerk who shall reissue it for use on any other vehicle of the same class and category owned by the same applicant to whom a disaster and emergency services license plate was originally issued.

(3) Upon termination of membership as a member of the disaster and emergency services organization or volunteer rescue squad, an applicant to whom a disaster and emergency services license plate was issued under this section shall, within thirty (30) days, return said plate to the county clerk of the county of his residence.

(4) For the services performed in issuing the disaster and emergency services license plates and in annually issuing a current year renewal decal to be affixed to the disaster and emergency services license plate, the county clerk shall receive from each applicant a fee of two dollars ($2). The same fee shall be charged for the reissuance of such license plate after the sale or transfer of the vehicle for which it was originally issued.

(5) Registration under this section shall expire December 31 of each year.

(6) The secretary of the transportation cabinet shall provide such forms as may be necessary to carry out the purpose of this section.

SB 16, AN ACT relating to motor carriers.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 281 IS CREATED TO READ AS FOLLOWS:

(1) As used in this section, the term "charter bus certificate" means an irregular route certificate which authorizes the owner and holder thereof to transport a group of persons who, pursuant to a common purpose and under a single contract and at a fixed charge for the vehicle in accordance with the carrier's tariff lawfully on file with the department, have acquired the exclusive use of a passenger carrying motor vehicle to travel together as a group to a specified destination or for a particular itinerary, either agreed upon in advance or modified by the charter group after having left the place of origin.

(2) The contract provided for in subsection (1) of this section shall be entered into at least forty-eight (48) hours prior to the departure of the vehicle from its point of origin. All trips shall either originate or terminate within the county of the situs of the carrier's operation which shall be designated in said certificate.

(3) All carriers subject to the provisions of subsection (1) of this section shall be prohibited from providing service to any person who is not a member of the group having entered into the contract for carriage, and no pickup or delivery service may be allowed at any intermediate points.

(4) Any person, or his respective predecessor in interest, engaged as of December 31, 1983, in the transportation of chartered parties or groups of persons with a common purpose, pursuant to a valid certificate issued by the department, authorizing such activity as an additional incident of conducting a regular route, common carrier passenger service, except holders of taxicab, industrial bus and nonprofit bus certificates, shall, upon application, be entitled to the issuance of a charter bus certificate to thereafter authorize a continuation of the same operations. Upon petition by any interested party, or upon its own motion if it so desires, the department shall require a hearing upon any such application to establish an applicant's rights thereunder. Any subsequent change in situs, or additional situs to a charter bus certificate, shall be granted only upon application to the department in the same manner as other applications made under KRS 281.625. Provided, however, that nothing herein shall in any manner limit the area of this state over which previously authorized charter operations were or which may have been lawfully performed by existing carriers as of December 31, 1983.

(5) Notwithstanding any other requirement of this chapter, a holder of a charter bus certificate issued by the department or the interstate commerce commission shall not be required to pay any fee for registering or renewing said certificate provided a current copy of said certificate is filed with the department. However, all the requirements of KRS 281.655, 281.710 and 281.752 shall be satisfactorily complied with in order for the said holder of a charter bus certificate to be properly registered to operate in this Commonwealth.

Section 2. KRS 186.281 is amended to read as follows:

(1) On or before January 1 of each year, and as a condition precedent to the use of the highways, every motor carrier primarily engaged in transporting passengers for hire shall pay to the department of vehicle regulation for the privilege of using the highways an annual tax upon each motor vehicle so used, as follows: Four dollars and fifty cents ($4.50) for each regular seat for the first thirty-one (31) seats, and eight dollars ($8.00) for all seats in excess of thirty-one (31); except as provided in subsection (2) of this section, except that holders of nonprofit bus certificates shall be exempt from payment hereunder and except that taxicabs, city buses, industrial buses, suburban buses, and U-Drive-Its, shall pay the fees set forth in subsection *(3)*[~~(4)~~] of this section.

(2) (a) Any such motor carrier engaged in regular route interstate commerce or combined interstate and intrastate commerce and operating two (2) or more vehicles in Kentucky shall be required to pay only that portion of a tax imposed by subsection (1) of this section as the number of miles operated by such fleet of motor vehicles in Kentucky bears to the total miles operated by such fleet in any license year, or portion thereof.

(b) Any such motor carrier shall prior to January 1 of each license year, and as a prerequisite to operating on the highways of this state, obtain a permit from the department of vehicle regulation and at that time shall pay its estimated tax hereunder, as determined by the department of vehicle regulation's applicable regulations, and execute bond for any additional tax which might be due, with or without surety thereon, as the department of vehicle regulation in its discretion and according to its regulations might require.

(c) The department of vehicle regulation is authorized and directed to promulgate such rules and regulations as may be necessary to effectuate the apportionment of taxes prescribed in subsection (2) of this section. Such regulations shall provide that the estimate of such taxes for any license year shall be that proportion that would have been due in the prior license year and shall further provide for a license year-end accounting with a system of credit or deficiency assessment in any amount by which the estimate differs from the tax due hereunder.

(3) [~~Every motor carrier primarily engaged in transporting passengers for hire shall pay to the department of vehicle regulation for the privilege of using the highways, including deadhead mileage, a mileage tax as follows: Buses with one (1) to twenty (20) regular seats inclusive, none; buses with twenty-one (21) to twenty-nine (29) regular seats, inclusive, one-fourth (1/4) of a cent per mile; buses with thirty (30) to thirty-four (34) regular seats, inclusive, one-half (1/2) of a cent per mile; buses with thirty-five (35) to thirty-nine (39) regular seats, inclusive, three-fourths (3/4) of a cent per mile; buses with forty (40) regular seats or more, one cent per mile, except that holders of nonprofit bus certificates shall be exempt from payment hereunder and except that taxicabs, city buses, industrial buses, suburban buses and U-Drive-Its shall~~

~~pay the fees set forth in subsection (4) of this section, in addition to all fees set forth in KRS 186.050(1) if applicable.~~

~~(4)~~] Taxicabs, city, suburban and industrial buses, and U-Drive-Its, shall pay the following annual license fees:

Each taxicab	$3.00 per seat
Each city bus	5.00 per vehicle
Each industrial bus	2.50 per seat
Each suburban bus	5.00 per vehicle
Each U-Drive-It passenger car	2.50 per seat

(4)[~~(5)~~] All cities of the Commonwealth are hereby authorized to impose an annual license tax on all taxicabs certificated by the department of vehicle regulation for operation in said city, which license tax shall not exceed thirty dollars ($30.00) per taxicab.

(5) Notwithstanding any other provisions of this section, nonresident motor carriers engaged in transporting passengers for hire in irregular route interstate charter or special operations shall be exempt from all taxes and fees prescribed herein, provided reciprocal privileges are granted to similar nonresident carriers by the laws and regulations of his state.

Section 3. KRS 186.286 is amended to read as follows:

[~~(1) The mileage tax imposed by this chapter shall be paid monthly. To insure payment of the mileage tax, no certificate or permit or renewal thereof authorizing the transportation of persons for hire shall be issued until there has been filed with the department of vehicle regulation a bond in the amount estimated by said department to be three (3) times the amount due for one (1) month, or, in lieu thereof, cash of an equivalent amount.~~

~~(2)~~] If any person required to pay a seat tax under this chapter begins the operation of any motor vehicle covered by those sections after January 1 in any year, the tax shall be as many twelfths of the annual fee as there are unexpired months in the calendar year.

Section 4. KRS 138.665 is amended to read as follows:

(1) A license shall be required of each motor carrier or heavy equipment motor carrier subject to the provisions of KRS 138.660(1), (2) and (3) before he uses or continues to use the public highways of this state, except the department may issue a trip permit for each motor vehicle for a fee of twenty dollars ($20.00) for each permit.

(2) Application for a license or trip permit shall be made to the department and shall contain such information as the department deems necessary.

(3) Concurrently with the filing of an application for a license, the motor carrier or heavy equipment motor carrier shall file with the department a bond as required under KRS 138.670. No license shall be issued to any person unless such person has furnished a bond as provided in KRS 138.670 to secure payment of taxes, penalties and interest imposed by KRS 138.655 to 138.725.

(4) The application in proper form having been accepted for filing, the bond having been accepted and approved and the other conditions and requirements of this section having been complied with, the department shall issue a license. However, if an application for a license is filed by any person whose license has at any time previously been revoked for cause by the department, or if the department is of the opinion that the person who makes the application does so as a subterfuge for the real party in interest whose license, prior to the time of filing the application, has been revoked for cause, or that the application is not for any other reason filed in good faith or is not sufficient cause, the department may, after a hearing of which the applicant shall be given ten (10) days' notice in writing and in which he shall have the right to appear in person or by counsel and present testimony, refuse to issue a license to that person.

(5) All licenses shall be valid and remain in full force and effect until suspended or revoked for cause or otherwise canceled.

(6) A license shall not be assignable or transferable and shall be valid only for the person in whose name it is issued.

(7) The department shall keep and file all applications and bonds, with an alphabetical index thereof.

The money in the fund shall not be available for any purpose other than the payment of claims pursuant to this Act, and shall not be transferred to any fund other than the grain indemnity trust fund, which is hereby created. This limiting and nontransferability provision shall not be *severable from the whole of this Act; and if such provision is held invalid, repealed or substantially amended, the entire Act shall immediately become invalid, and to this end, such provision is declared to be nonseverable.*

SECTION 7. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

In the event that amounts in the Kentucky grain insurance fund are insufficient to pay all approved claims, the general assembly shall appropriate to the corporation amounts sufficient to satisfy such claims. If for any reason the general assembly shall fail to make an appropriation to satisfy outstanding approved claims, this Act shall constitute an irrevocable and continuing appropriation of all amounts necessary for that purpose and the irrevocable and continuing authority for, and direction to, the secretary of the finance and administration cabinet and the state treasurer to make the necessary transfers and disbursements from the revenues and funds of the state for that purpose. The state shall be reimbursed, with interest at the rate of six percent (6%) per annum, for any amounts paid under this section upon replenishment of the fund from assessments made pursuant to Section 5 of this Act.

SECTION 8. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) Within ninety (90) days of the board's approval of a valid claim, the board shall, in accordance with the provisions of this section, compensate from the grain indemnity trust fund any claimant who has incurred a financial loss due to a failure of a grain dealer or warehouseman.

(2) Any claimant who has incurred a financial loss due to a failure of a grain dealer shall be entitled to be compensated for eighty percent (80%) of a valid claim, to a maximum of one hundred thousand dollars ($100,000), with monies from the Kentucky grain insurance fund. To the maximum extent that funds are or may be made available for the purpose, the remaining balance of the claim shall be paid by the board from the assets and other security of the failed grain dealer, provided that any claimant who has incurred a financial loss due to the failure of a grain dealer and who has surrendered a warehouse receipt for payment shall be compensated for one hundred percent (100%) of a valid claim.

(3) Any claimant who has incurred a financial loss due to a failure of a grain warehouseman shall be entitled to be compensated for eighty-five percent (85%) of a valid claim with monies from the Kentucky grain insurance fund. To the maximum extent that funds are or may be made available for such purpose, the remaining balance of such claim shall be paid by the board from the assets and other security of the failed grain warehouse, provided that any claimant who has incurred a financial loss due to the failure of a grain warehouse and who has surrendered a warehouse receipt for payment shall be compensated for one hundred percent (100%) of a valid claim.

SECTION 9. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

The board, when it has determined that a grain dealer or grain warehouseman has defaulted payment or failed, shall have the following duties under this Act:

(1) Determine valid claims and the amount of such claims to be paid to claimants for financial losses which were incurred due to the failure of a grain dealer or grain warehouseman;

(2) Request the transfer of monies from the Kentucky grain insurance fund to the grain indemnity trust fund when necessary for the purpose of compensating claimants in accordance with the provisions of Section 8 of this Act;

(3) Deposit into the grain indemnity trust fund any remaining assets of a failed grain dealer or grain warehouseman for the purposes of repayment of the Kentucky grain insurance fund monies used to pay claimants. Any repayment into the Kentucky grain insurance fund shall not exceed the principal amount paid to claimants plus interest at the rate of six percent (6%) per annum; and

(4) In the event that the amount in the Kentucky grain insurance fund is insufficient to pay all valid claims in accordance with Section 8 of this Act, to grant priority of payment of all the claims in the order they were approved as valid by the board.

SECTION 10. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

The board shall have the following duties under this Act:

(1) Collect and deposit all assessments authorized under Section 5 of this Act into the Kentucky grain insurance fund for investment by the board;

(2) Transfer any monies from the grain indemnity trust fund to the Kentucky grain insurance fund for investment;

(3) Be subrogated to all the rights of the claimant. The claimant shall assign all his rights, title and interest in any judgment to the corporation. The board shall initiate any action it may deem necessary to compel the grain dealer or warehouseman against whom an awarded claim arose to repay to the Kentucky grain insurance fund the sums that are disbursed therefrom in relation to each claim; and

(4) Initiate any action it may deem necessary to compel the claimant whose claim arose due to a failure to participate in any legal proceeding in relation to the claim.

SECTION 11. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) The department and the board shall have authority to promulgate and adopt rules and regulations consistent with this Act.

(2) Nothing contained herein shall limit the authority of the commissioner to take disciplinary action against any licensed grain dealer or warehouseman for a violation of this Act, or the rules and regulations of the department, nor shall the repayment in full of all obligations to the Kentucky grain insurance fund by any licensed grain dealer or warehouseman nullify or modify the effect of any other disciplinary proceeding brought pursuant to this Act.

SECTION 12. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

Failure to collect and pay the assessments required by Section 5 of this Act shall be grounds for the suspension or revocation of a license or a cooperative agreement by the commissioner.

SECTION 13. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) Any person engaged in the business of buying grain from producers for resale or for milling or processing shall first procure a license from the department as required by the board before transacting business. Such license shall expire on June 30, and shall be renewed annually. The annual license fee shall be based on the total annual volume handled as follows:

(a) Under two million (2,000,000) bushels, two hundred dollars ($200);
(b) Two million (2,000,000) to six million (6,000,000) bushels, three hundred dollars ($300);
(c) Six million (5,000,000) to ten million (10,000,000) bushels, four hundred dollars ($400); or
(d) Over ten million (10,000,000) bushels, five hundred dollars ($500).

(2) The fee for each license shall be deposited in a trust and agency fund account in the state treasury to be used for carrying out the provisions of KRS 251.410 to 251.510.

(3) Every person licensed as a grain dealer shall file with the department a surety bond signed by the dealer as principal and by a responsible company authorized to execute surety bonds within the Commonwealth of Kentucky. A grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the commissioner, as trustee. The principal amount of the certificate shall be the same as that required for a surety bond under this Act, and the interest thereon shall be made payable to the purchaser. The bond shall be a principal amount, to the nearest one thousand dollars ($1,000), equal to ten percent (10%) of the aggregate dollar amount paid by the dealer to producers for grain purchased from them during the dealer's last completed fiscal year, or in the case of a dealer who has been engaged in business as a grain dealer for less than one (1) year or who has not theretofore engaged in such business, ten percent (10%) of the estimated aggregate dollar amount to be paid by the dealer to producers for grain purchased from them during the next fiscal year. Such bond shall not be less than twenty-five thousand dollars ($25,000) nor more than one hundred thousand dollars ($100,000), except as otherwise authorized by this Act. Any grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the commissioner, as trustee. The principal amount of the certificate shall be the same as that required for a surety bond under this Act and the interest thereon shall be made payable to the purchaser thereof.

(4) The commissioner shall, when he questions a grain dealer's ability to pay producers for grain purchased, or when he determines that the grain dealer does not have a sufficient net worth to meet his financial obligations, require a grain dealer to post an additional bond in a dollar amount equal to the insufficiency or shall require an additional certificate of deposit equal to the insufficiency, as deemed appropriate by the commissioner. Failure to post the additional bond or certificate of deposit constitutes grounds for suspension or revocation of a license issued under this Act.

(5) The bond or additional bond shall be made payable to the Commonwealth of Kentucky, with the commissioner as trustee, and shall be conditioned on the grain dealer's faithful performance of his duties as a grain dealer and his compliance with this Act. It shall be for the use and benefit of any producer from whom the grain dealer may purchase grain and who is not paid by the grain dealer, and shall not be cancelled, except upon at least sixty (60) days' notice in writing to the department. In no event shall the total aggregate liability of a surety exceed the face amount of its bond.

(6) Any grain dealer who is of the opinion that his net worth and assets are sufficient to guarantee payment to producers for grain purchased by him may request the commissioner to be relieved of the obligation of filing a bond in excess of the minimum bond of twenty-five thousand dollars ($25,000). Such request shall be accompanied by a financial statement of the applicant made within five (5) months of the date of such request, certified by a licensed public accountant, and such additional information concerning the applicant and his finances as the department may require. If such financial statement discloses a net worth of an amount equal to at least three (3) times the amount of the bond required by this Act and the commissioner is otherwise satisfied as to the financial ability and resources of the applicant, the commissioner may waive that portion of the required bond in excess of twenty-five thousand dollars ($25,000). However, in the case of a grain dealer whose net worth is not equal to three (3) times the amount of bond required, the commissioner

may allow the grain dealer to waive, in one thousand dollar ($1,000) increments, a portion of the bond required in excess of twenty-five thousand dollars ($25,000). The percentage factor to be applied to the bond required in excess of twenty-five thousand dollars ($25,000) shall be determined by dividing actual net worth by the net worth required to waive all bond in excess of twenty-five thousand dollars ($25,000). If the result of this computation provides a percentage factor of eighty percent (80%) or greater, than that same percentage of the bond in excess of twenty-five thousand dollars ($25,000) may be waived. The grain dealer shall then provide to the department a surety bond in the amount of twenty-five thousand dollars ($25,000) plus any additional bond required in excess thereof.

(7) Any grain dealer who purchases grain from producers only in connection with or as an incident to some other business and whose total purchases of grain from producers during any fiscal year do not exceed an aggregate dollar amount of one hundred thousand dollars ($100,000) may satisfy the bonding requirements of this Act by filing with the department a bond or certificate of deposit at the rate of one thousand dollars ($1,000) for each ten thousand dollars ($10,000) or fraction thereof of the dollar amount to be purchased with a minimum bond or certificate of deposit of one thousand dollars ($1,000), and a current financial statement.

(8) Failure of a grain dealer to file a bond or certificate of deposit and to keep the bond or certificate of deposit in force or to maintain assets adequate to assure payment to producers for grain purchased from them shall be grounds for the suspension or revocation of a license issued under this Act.

(9) When the commissioner has determined that a grain dealer has defaulted payment to producers for grain which he has purchased from them, the commissioner shall determine, through appropriate legal procedures, the producers and the amount of defaulted payment, and, as trustee of the bond, shall immediately after the determination call for the dealer's surety bond or bonds to be paid to him for distribution to those producers who should receive the benefits. Should the defaulted amount owed producers be less than the principal amount of the bond or bonds then the surety shall be obligated to pay only the amount of the default.

(10) Any grain dealer who is also in the business of storing grain and is a warehouseman as defined in Section 3 of this Act may be exempted from the licensing fee and bonding requirements of Section 16 of this Act as long as his storage capacity and storage obligations are considered in formulating his grain dealer bond requirement.

Section 14. KRS 251.410 is amended to read as follows:

As used in KRS 251.420 to 251.510, unless the context requires otherwise:

(1) "Person" means an individual storing grain for others and issuing a receipt for such grain or a scale ticket.

(2) "Firm" or "corporation" means an individual, corporation, partnership, or two or more persons having a joint or common interest in same venture, of storing grain for others and issuing a receipt for such grain or a scale ticket.

(3) "Department" means the Kentucky department of agriculture.

(4) "Stored grain" means grain received from a producer and unpaid for and held for a period longer than thirty days after delivery of the last load.

(5) "Board" means the state board of agriculture.

(6) "Owner" means a person whose grain is in storage and has been issued a grain storage receipt or a scale ticket.

(7) "Warehouseman" means an operator or the warehouse of an operator who stores grain for the public and is authorized to issue negotiable or both negotiable and nonnegotiable warehouse receipts.

Section 15. KRS 251.430 is amended to read as follows:

Any person, firm, or corporation who shall accept grain for storage in this state shall first procure a license therefor from the department as required by the board before transacting such business. This shall not apply to the storage of grain by an establishment bonded and licensed under the provisions of a federal law to the extent that such stored grain is covered by a federal bond and law; otherwise, such establishments shall comply with the provisions of this chapter. Any establishment that has unpaid for grain 30 days after delivery of the last load by a producer shall be considered in the grain storage business. Such license shall expire on June 30, and shall be renewed annually. The fee for each license shall be *according to the following schedule* [~~$25 dollars~~], which shall be deposited in a trust and agency fund account in the State Treasury to be used for carrying out the provisions of KRS 251.410 to 251.510*:*

Total annual volume handled:

(a) Under two million (2,000,000) bushels, two hundred dollars ($200);

(b) Two million (2,000,000) to six million (6,000,000) bushels, three hundred dollars ($300);

(c) Six million (6,000,000) to ten million (10,000,000) bushels, four hundred dollars ($400); or

(d) Over ten million (10,000,000) bushels, five hundred dollars ($500).

SECTION 16. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) Each warehouseman shall file with the department a surety bond issued by a surety company

authorized to transact business within the Commonwealth of Kentucky, payable to the Commonwealth with the commissioner as trustee. The amount of the bond for a warehouseman shall be established by rule of the department, but in no event shall the sum be less than twenty-five cents' (25) per bushel of the total maximum bushel capacity of the warehouse or ten thousand dollars ($10,000), whichever is greater.

(2) The bond shall be conditioned on the faithful performance of duties as an operator and the full and unreserved compliance with the laws of this state and the rules of the department in relation thereto, so that the depositors holding warehouse receipts, contracts or other documented evidence of stored grain may receive the benefit of such bond. The aggregate liability of the surety to all depositors shall in no event exceed the sum of the bond. Neither the issuance of warehouse receipts by a warehouseman to himself for grain owned in whole or in part by him, the commingling of grain owned by the warehouseman with grain stored for others, or any violation by a warehouseman of this Act or of the rules and regulations issued by the department hereunder shall constitute a defense in any action brought upon any bond, and all such bonds shall so provide. Maximum capacity of a warehouse shall be determined by dividing the cubic volume of all bins by two thousand one hundred fifty and forty-two one hundredths (2,150.42) cubic inches. Such bond must be kept in force at all times while the operator is conducting a warehouse. Failure to keep the bond in force is cause for revocation of the license and subjects the warehouseman to the criminal penalty provided in this Act. Each bond shall contain a provision that it may not be cancelled by either the surety or the principal except upon sixty (60) days' notice in writing to the department at its offices in Frankfort. The notice will in no way affect the liability accrued or that which may accrue under the bond before the expiration of the sixty (60) days. The department may require additional bond where the assets of any warehouseman appear insufficient, when compared to his storage obligations, or to meet the bond requirements of the United States or any agency or corporation controlled by the United States when they have a contract for storage with the warehouseman. The additional bond shall be a dollar amount equal to the insufficiency. Failure to post such additional bond constitutes grounds for suspension or revocation of a license issued under this Act.

Section 17. KRS 251.440 is amended to read as follows:

Application for license shall set forth the name of the applicant, its principal officer, if a corporation, or the active members of a partnership if a partnership, and the location or locations of the principal office or place of business and the locations in this state at which applicant proposes to engage in this business. Application must be accompanied by a bond as set forth in *Section 16 of this Act* [~~KRS 251.450~~]. Such bond shall run to the state of Kentucky and be for the benefit of all persons storing grain in such warehouse. It shall be conditioned upon such warehouseman carrying combustion, fire, lightning, and tornado insurance sufficient to cover loss upon all stored grain in such warehouse, and the delivery of all stored grain or payment of the value thereof upon the surrender of the warehouse receipt or scale ticket, and upon the faithful performance by the warehouseman of all provisions of law relating to the storage and handling of grain by the warehouseman and the regulations of the Kentucky Department of Agriculture relative thereto.

Section 18. KRS 251.490 is amended to read as follows:

The department shall inspect the licensed elevator twice each year for the purpose of determining if grain is in storage or statements that show grain is accounted for, condition of storage facilities, and condition of grain in storage. A licensee that is short of facilities may store at another establishment provided that establishment is located in the state of Kentucky and is also licensed and the amount of grain stored is covered in the bond set forth in *Section 16 of this Act* [~~KRS 251.450~~]. A licensee that is short of facilities and/or grain may cover shortage by giving additional bond on 100% value of grain or depositing value of grain in a special account made jointly to the Kentucky State Board of Agriculture and the licensee. This money can only be released to buy the grain from the producers or replace the grain for the producer. All interest drawn on this account is payable to the licensee after his obligations are met.

Section 19. KRS 251.990 is amended to read as follows:

(1) Any person who violates subsection (2) of KRS 251.180 shall be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500), or imprisoned for not more than six (6) months, or both.

(2) Any person who violates KRS 251.220 or 251.290 shall be fined not more than one thousand dollars ($1,000), or imprisoned for not more than one (1) year, or both.

(3) Any person who violates KRS 251.240 shall be guilty of a felony and fined not more than one thousand dollars ($1,000) or imprisoned for not more than two (2) years, or both.

(4) Any person who violates KRS 251.300 shall be fined not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) or imprisoned for not more than one (1) year, or both.

(5) Any person who violates the provisions of KRS 251.420 to 251.510 shall be fined two hundred dollars ($200) for the first offense. He shall be fined not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000) and/or be confined in the county jail for not less than sixty (60) days nor more than one hundred and twenty (120) days for each subsequent offense. Each day of operation in violation of the provisions of KRS 251.420 to 251.510 shall constitute a separate offense.

(6) Any person who violates the bonding provisions of Section 13 or 16 of this Act, or who violates Section 5 of this Act shall have his license revoked.

(7) Any person who operates without a license as required by Section 13 or 16 of this Act shall be fined not less than five thousand dollars ($5,000) nor more than ten thousand dollars ($10,000) for each violation, or imprisoned for not more than one (1) year, or both.

Section 20. This Act shall be known and may be cited as the Kentucky Grain Insurance Act.

Section 21. KRS 251.450, Form of bond -- Computation of amount, is repealed.

Each member of the board shall be given at least five (5) days' written notice of the meetings. SECTION 4. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) Every grain dealer and grain warehouseman required to be licensed under the provisions of KRS 251.420 to 251.510 and this Act shall be subject to this Act.

(2) All federally licensed grain warehouses that participate in the Kentucky grain insurance fund shall hold a state license and, at a minimum, meet the requirements of this Act.

SECTION 5. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) It is declared to be in the public interest and highly advantageous to the agricultural economy of the state that producers of grain shall be assessed one-half cent (1/2) per bushel on all grain marketed and provide for the collection of the same for the purpose of financing or contributing to the financing of the Kentucky grain insurance fund, which is hereby created. However, grain producers from outside of Kentucky shall not be subject to the assessment if they certify to the grain dealer or warehouseman that they are out-of-state producers. The department shall establish the form to be completed, signed and given to the grain dealer or warehouseman in order to obtain the exemption. The information required by the department shall include at a minimum, the date, the producer's name, business address, phone number, quantity and identify the grain. Copy of such form shall be kept as a part of the books and records by the grain dealer or warehouseman and in addition a copy of such form shall be supplied to the department. A grain producer from outside of Kentucky may be subject to the assessment and therefore awarded all the protection thereof if he so chooses and meets the requirements of this Act. The Kentucky grain insurance corporation may enter into a reciprocal agreement with a contiguous state having a similar program.

(2) Upon the establishment of the Kentucky grain insurance corporation, the commissioner shall notify forthwith by certified mail, all persons in this state engaged in the business of purchasing grain from producers, that on and after the date specified in the letter, the specified assessment shall be deducted from the producer's payment by the purchaser, or his agent or representative from the purchase price of the grain. The assessment so deducted shall, on or before the fifteenth (15th) day of the month following the end of the month in which such grains are sold to the purchaser, be remitted by the purchaser to the grain insurance fund. The books and records of all purchasers of grain, which shall clearly indicate the producer assessment, shall at all times be open for inspection by the commissioner of agriculture or his duly authorized agents during regular business hours. The commissioner or his agents may take such steps as are reasonably necessary to verify the accuracy of books and records of purchasers of grain.

(3) The assessment shall continue until the fund is more than three million dollars ($3,000,000). If and when the fund is more than three million dollars ($3,000,000), no fees shall be assessed by the department until such time as the amount in the fund drops below three million dollars ($3,000,000). However, any producer who has not contributed to the fund may participate in the program and therefore be awarded all the protection thereof only after an assessment equal to one-half cent (1/2) per bushel on all grain marketed by the producer during the preceding twelve (12) month period is made and paid into the fund. No producer will be granted protection of the fund who has not participated in the program prior to meeting the criteria of a claimant.

(4) Any producer upon and against whom the assessment is levied and collected under the provisions of this Act, if dissatisfied with the assessment and the result thereof, may demand of and receive from the treasurer of the grain insurance corporation a refund of assessment collected from the producer, if the demand for refund is made in writing within thirty (30) days from the date on which the assessment is collected from the producer. By voluntarily submitting to a refund, the producer forgoes any protection or compensation provided for by the grain insurance corporation.

(5) When in the judgment of the board or the duly certified association, a purchaser has engaged in or is about to engage in any acts or practices that constitute a violation of any of the provisions of this Act,

the grain insurance corporation may make application to the Franklin circuit court for an order enjoining such acts or practices, and obtain a restraining order and preliminary injunction against the purchaser.

(6) The assessments by the department pursuant to this section are in addition to any other fees or assessments required by law.

SECTION 6. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

All assessments by the department pursuant to Section 5 of this Act shall be held by the corporation in trust in the Kentucky grain insurance fund for carrying out the purposes of this Act. These funds shall be invested and reinvested in U.S. treasury obligations at the discretion of the corporation, and the interest from these investments shall be deposited to the credit of the fund and shall be available for the same purposes as all other money deposited in the fund. The money in the fund shall not be available for any purpose other than the payment of claims pursuant to this Act, and shall not be transferred to any fund other than the grain indemnity trust fund, which is hereby created. This limiting and nontransferability provision shall not be severable from the whole of this Act; and if such provision is held invalid, repealed or substantially amended, the entire Act shall immediately become invalid, and to this end, such provision is declared to be nonseverable.

SECTION 7. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

In the event that amounts in the Kentucky grain insurance fund are insufficient to pay all approved claims, the general assembly shall appropriate to the corporation amounts sufficient to satisfy such claims. If for any reason the general assembly shall fail to make an appropriation to satisfy outstanding approved claims, this Act shall constitute an irrevocable and continuing appropriation of all amounts necessary for that purpose and the irrevocable and continuing authority for, and direction to, the secretary of the finance and administration cabinet and the state treasurer to make the necessary transfers and disbursements from the revenues and funds of the state for that purpose. The state shall be reimbursed, with interest at the rate paid on ninety (90) day U.S. treasury bills, for any amounts paid under this section upon replenishment of the fund from assessments made pursuant to Section 5 of this Act.

SECTION 8. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) Within ninety (90) days of the board's approval of a valid claim, the board shall, in accordance with the provisions of this section, compensate from the grain indemnity trust fund any claimant who has incurred a financial loss due to a failure of a grain dealer or warehouseman.

(2) Any claimant who has incurred a financial loss due to a failure of a grain dealer shall be entitled to be compensated for eighty percent (80%) of a valid claim, to a maximum of one hundred thousand dollars ($100,000), with monies from the Kentucky grain insurance fund. To the maximum extent that funds are or may be made available for the purpose, the remaining balance of the claim shall be paid by the board from the assets and other security of the failed grain dealer, provided that any claimant who has incurred a financial loss due to the failure of a grain dealer and who has surrendered a warehouse receipt for payment shall be compensated for one hundred percent (100%) of a valid claim.

(3) Any claimant who has incurred a financial loss due to a failure of a grain warehouseman shall be entitled to be compensated for eighty-five percent (85%) of a valid claim with monies from the Kentucky grain insurance fund. To the maximum extent that funds are or may be made available for such purpose, the remaining balance of such claim shall be paid by the board from the assets and other security of the failed grain warehouse, provided that any claimant who has incurred a financial loss due to the failure of a grain warehouse and who has surrendered a warehouse receipt for payment shall be compensated for one hundred percent (100%) of a valid claim.

SECTION 9. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

The board, when it has determined that a grain dealer or grain warehouseman has defaulted payment or failed, shall have the following duties under this Act:

(1) Determine valid claims and the amount of such claims to be paid to claimants for financial losses which were incurred due to the failure of a grain dealer or grain warehouseman;

(2) Request the transfer of monies from the Kentucky grain insurance fund to the grain indemnity trust fund when necessary for the purpose of compensating claimants in accordance with the provisions of Section 8 of this Act;

(3) Deposit into the grain indemnity trust fund any remaining assets of a failed grain dealer or grain warehouseman for the purposes of repayment of the Kentucky grain insurance fund monies used to pay claimants. Any repayment into the Kentucky grain insurance fund shall not exceed the principal amount paid to claimants plus interest at the rate paid on ninety (90) day U.S. treasury bills; and

(4) In the event that the amount in the Kentucky grain insurance fund is insufficient to pay all valid claims in accordance with Section 8 of this Act, to grant priority of payment of all the claims in the order they were approved as valid by the board.

SECTION 10. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

The board shall have the following duties under this Act:

(1) Collect and deposit all assessments authorized under Section 5 of this Act into the Kentucky grain insurance fund for investment by the board;

(2) Transfer any monies from the grain indemnity trust fund to the Kentucky grain insurance fund for investment;

(3) Be subrogated to all the rights of the claimant. The claimant shall assign all his rights, title and interest in any judgment to the corporation. The board shall initiate any action it may deem necessary to compel the grain dealer or warehouseman against whom an awarded claim arose to repay to the Kentucky grain insurance fund the sums that are disbursed therefrom in relation to each claim; and

(4) Initiate any action it may deem necessary to compel the claimant whose claim arose due to a failure to participate in any legal proceeding in relation to the claim.

SECTION 11. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) The department and the board shall have authority to promulgate and adopt rules and regulations consistent with this Act.

(2) Nothing contained herein shall limit the authority of the commissioner to take disciplinary action against any licensed grain dealer or warehouseman for a violation of this Act, or the rules and regulations of the department, nor shall the repayment in full of all obligations to the Kentucky grain insurance fund by any licensed grain dealer or warehouseman nullify or modify the effect of any other disciplinary proceeding brought pursuant to this Act.

SECTION 12. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

Failure to collect and pay the assessments required by Section 5 of this Act shall be grounds for the suspension or revocation of a license or a cooperative agreement by the commissioner.

SECTION 13. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) Any person engaged in the business of buying grain from producers for resale or for milling or processing shall first procure a license from the department as required by the board before transacting business. Such license shall expire on June 30, and shall be renewed annually. The annual license fee shall be based on the total annual volume handled as follows:

(a) Under two million (2,000,000) bushels, two hundred dollars ($200);

(b) Two million (2,000,000) to six million (6,000,000) bushels, three hundred dollars ($300);

(c) Six million (6,000,000) to ten million (10,000,000) bushels, four hundred dollars ($400); or

(d) Over ten million (10,000,000) bushels, five hundred dollars ($500).

(2) The fee for each license shall be deposited in a trust and agency fund account in the state treasury to be used for carrying out the provisions of KRS 251.410 to 251.510.

(3) Every person licensed as a grain dealer shall file with the department a surety bond signed by the dealer as principal and by a responsible company authorized to execute surety bonds within the Commonwealth of Kentucky. A grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the commissioner, as trustee. The principal amount of the certificate shall be the same as that required for a surety bond under this Act, and the interest thereon shall be made payable to the purchaser. The bond shall be a principal amount, to the nearest one thousand dollars ($1,000), equal to ten percent (10%) of the aggregate dollar amount paid by the dealer to producers for grain purchased from them during the dealer's last completed fiscal year, or in the case of a dealer who has been engaged in business as a grain dealer for less than one (1) year or who has not theretofore engaged in such business, ten percent (10%) of the estimated aggregate dollar amount to be paid by the dealer to producers for grain purchased from them during the next fiscal year. Such bond shall not be less than twenty-five thousand dollars ($25,000) nor more than one hundred thousand dollars ($100,000), except as otherwise authorized by this Act. Any grain dealer may file with the department, in lieu of a surety bond, a certificate of deposit payable to the commissioner, as trustee. The principal amount of the certificate shall be the same as that required for a surety bond under this Act and the interest thereon shall be made payable to the purchaser thereof.

(4) The commissioner shall, when he questions a grain dealer's ability to pay producers for grain purchased, or when he determines that the grain dealer does not have a sufficient net worth to meet his financial obligations, require a grain dealer to post an additional bond in a dollar amount equal to the insufficiency or shall require an additional certificate of deposit equal to the insufficiency, as deemed appropriate by the commissioner. Failure to post the additional bond or certificate of deposit constitutes grounds for suspension or revocation of a license issued under this Act.

(5) The bond or additional bond shall be made payable to the Commonwealth of Kentucky, with the commissioner as trustee, and shall be conditioned on the grain dealer's faithful performance of his duties as a grain dealer and his compliance with this Act. It shall be for the use and benefit of any producer from whom

the grain dealer may purchase grain and who is not paid by the grain dealer, and shall not be cancelled, except upon at least sixty (60) days' notice in writing to the department. In no event shall the total aggregate liability of a surety exceed the face amount of its bond.

(6) Any grain dealer who is of the opinion that his net worth and assets are sufficient to guarantee payment to producers for grain purchased by him may request the commissioner to be relieved of the obligation of filing a bond in excess of the minimum bond of twenty-five thousand dollars ($25,000). Such request shall be accompanied by a financial statement of the applicant made within five (5) months of the date of such request, certified by a licensed public accountant, and such additional information concerning the applicant and his finances as the department may require. If such financial statement discloses a net worth of an amount equal to at least three (3) times the amount of the bond required by this Act and the commissioner is otherwise satisfied as to the financial ability and resources of the applicant, the commissioner may waive that portion of the required bond in excess of twenty-five thousand dollars ($25,000). However, in the case of a grain dealer whose net worth is not equal to three (3) times the amount of bond required, the commissioner may allow the grain dealer to waive, in one thousand dollar ($1,000) increments, a portion of the bond required in excess of twenty-five thousand dollars ($25,000). The percentage factor to be applied to the bond required in excess of twenty-five thousand dollars ($25,000) shall be determined by dividing actual net worth by the net worth required to waive all bond in excess of twenty-five thousand dollars ($25,000). If the result of this computation provides a percentage factor of eighty percent (80%) or greater, than that same percentage of the bond in excess of twenty-five thousand dollars ($25,000) may be waived. The grain dealer shall then provide to the department a surety bond in the amount of twenty-five thousand dollars ($25,000) plus any additional bond required in excess thereof.

(7) Any grain dealer who purchases grain from producers only in connection with or as an incident to some other business and whose total purchases of grain from producers during any fiscal year do not exceed an aggregate dollar amount of one hundred thousand dollars ($100,000) may satisfy the bonding requirements of this Act by filing with the department a bond or certificate of deposit at the rate of one thousand dollars ($1,000) for each ten thousand dollars ($10,000) or fraction thereof of the dollar amount to be purchased with a minimum bond or certificate of deposit of one thousand dollars ($1,000), and a current financial statement.

(8) Failure of a grain dealer to file a bond or certificate of deposit and to keep the bond or certificate of deposit in force or to maintain assets adequate to assure payment to producers for grain purchased from them shall be grounds for the suspension or revocation of a license issued under this Act.

(9) When the commissioner has determined that a grain dealer has defaulted payment to producers for grain which he has purchased from them, the commissioner shall determine, through appropriate legal procedures, the producers and the amount of defaulted payment, and, as trustee of the bond, shall immediately after the determination call for the dealer's surety bond or bonds to be paid to him for distribution to those producers who should receive the benefits. Should the defaulted amount owed producers be less than the principal amount of the bond or bonds then the surety shall be obligated to pay only the amount of the default.

(10) Any grain dealer who is also in the business of storing grain and is a warehouseman as defined in Section 2 of this Act may be exempted from the licensing fee and bonding requirements of Section 16 of this Act as long as his storage capacity and storage obligations are considered in formulating his grain dealer bond requirement.

Section 14. KRS 251.410 is amended to read as follows:

As used in KRS 251.420 to 251.510, unless the context requires otherwise:

(1) "Person" means an individual storing grain for others and issuing a receipt for such grain or a scale ticket.

(2) "Firm" or "corporation" means an individual, corporation, partnership, or two or more persons having a joint or common interest in same venture, of storing grain for others and issuing a receipt for such grain or a scale ticket.

(3) "Department" means the Kentucky department of agriculture.

(4) "Stored grain" means grain received from a producer and unpaid for and held for a period longer than thirty days after delivery of the last load.

(5) "Board" means the state board of agriculture.

(6) "Owner" means a person whose grain is in storage and has been issued a grain storage receipt or a scale ticket.

(7) "Warehouseman" means an operator or the warehouse of an operator who stores grain for the public and is authorized to issue negotiable or both negotiable and nonnegotiable warehouse receipts.

Section 15. KRS 251.430 is amended to read as follows:

Any person, firm, or corporation who shall accept grain for storage in this state shall first procure a license therefor from the department as required by the board before transacting such business. This shall not apply to the storage of grain by an establishment bonded and licensed under the provisions of a federal law to the extent that such stored grain is covered by a federal bond and law; otherwise, such establishments shall comply with the provisions of this chapter. Any establishment that has unpaid for grain 30 days after delivery of the last load by a producer shall be considered in the grain storage business. Such license shall expire on June 30, and shall be renewed annually. The fee for each license shall be *according to the following schedule* [~~$25 dollars~~], which shall be deposited in a trust and agency fund account in the State Treasury to be used for carrying out the provisions of KRS 251.410 to 251.510*:*

Total annual volume handled:

(a) Under two million (2,000,000) bushels, two hundred dollars ($200);

(b) Two million (2,000,000) to six million (6,000,000) bushels, three hundred dollars ($300);

(c) Six million (6,000,000) to ten million (10,000,000) bushels, four hundred dollars ($400); or

(d) Over ten million (10,000,000) bushels, five hundred dollars ($500).

SECTION 16. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

(1) Each warehouseman shall file with the department a surety bond issued by a surety company authorized to transact business within the Commonwealth of Kentucky, payable to the Commonwealth with the commissioner as trustee. The amount of the bond for a warehouseman shall be established by rule of the department, but in no event shall the sum be less than twenty-five cents (25) per bushel of the total maximum bushel capacity of the warehouse or ten thousand dollars ($10,000), whichever is greater.

(2) The bond shall be conditioned on the faithful performance of duties as an operator and the full and unreserved compliance with the laws of this state and the rules of the department in relation thereto, so that the depositors holding warehouse receipts, contracts or other documented evidence of stored grain may receive the benefit of such bond. The aggregate liability of the surety to all depositors shall in no event exceed the sum of the bond. Neither the issuance of warehouse receipts by a warehouseman to himself for grain owned in whole or in part by him, the commingling of grain owned by the warehouseman with grain stored for others, or any violation by a warehouseman of this Act or of the rules and regulations issued by the department hereunder shall constitute a defense in any action brought upon any bond, and all such bonds shall so provide. Maximum capacity of a warehouse shall be determined by dividing the cubic volume of all bins by two thousand one hundred fifty and forty-two one hundredths (2,150.42) cubic inches. Such bond must be kept in force at all times while the operator is conducting a warehouse. Failure to keep the bond in force is cause for revocation of the license and subjects the warehouseman to the criminal penalty provided in this Act. Each bond shall contain a provision that it may not be cancelled by either the surety or the principal except upon sixty (60) days' notice in writing to the department at its offices in Frankfort. The notice will in no way affect the liability accrued or that which may accrue under the bond before the expiration of the sixty (60) days. The department may require additional bond where the assets of any warehouseman appear insufficient, when compared to his storage obligations, or to meet the bond requirements of the United States or any agency or corporation controlled by the United States when they have a contract for storage with the warehouseman. The additional bond shall be a dollar amount equal to the insufficiency. Failure to post such additional bond constitutes grounds for suspension or revocation of a license issued under this Act.

Section 17. KRS 251.440 is amended to read as follows:

Application for license shall set forth the name of the applicant, its principal officer, if a corporation, or the active members of a partnership if a partnership, and the location or locations of the principal office or place of business and the locations in this state at which applicant proposes to engage in this business. Application must be accompanied by a bond as set forth in *Section 16 of this Act* [~~KRS 251.450~~]. Such bond shall run to the state of Kentucky and be for the benefit of all persons storing grain in such warehouse. It shall be conditioned upon such warehouseman carrying combustion, fire, lightning, and tornado insurance sufficient to cover loss upon all stored grain in such warehouse, and the delivery of all stored grain or payment of the value thereof upon the surrender of the warehouse receipt or scale ticket, and upon the faithful performance by the warehouseman of all provisions of law relating to the storage and handling of grain by the warehouseman and the regulations of the Kentucky Department of Agriculture relative thereto.

Section 18. KRS 251.490 is amended to read as follows:

The department shall inspect the licensed elevator twice each year for the purpose of determining if grain is in storage or statements that show grain is accounted for, condition of storage facilities, and condition of grain in storage. A licensee that is short of facilities may store at another establishment provided that establishment is located in the state of Kentucky and is also licensed and the amount of grain stored is covered in the bond set forth in *Section 16 of this Act* [~~KRS 251.450~~]. A licensee that is short of facilities and/or grain may cover shortage by giving additional bond on 100% value of grain or depositing value of grain in a special account made jointly to the Kentucky State Board of Agriculture and the licensee. This money can only be released to buy the grain from the producers or replace the grain for the producer. All interest drawn on this account is payable to the licensee after his obligations are met.

SECTION 19. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

If irregularities are suspected, the department may issue subpoenas or subpoenas duces tecum to compel the attendance of witnesses or the production of books, documents and records anywhere in the state *in any hearing, affecting the authority or privilege granted by a license or to verify the accuracy of any books or records subject to inspection under the provisions of this Act.*

SECTION 20. A NEW SECTION OF KRS CHAPTER 251 IS CREATED TO READ AS FOLLOWS:

Any person aggrieved by a decision or ruling of the board may obtain review thereof by filing a written petition in the circuit court of jurisdiction within thirty (30) days of said ruling or decision. A copy of said petition shall forthwith be delivered to the department and within sixty (60) days thereafter the department shall certify and file in the court a transcript of any record pertaining thereto, including a transcript of evidence received, whereupon the court shall have jurisdiction to affirm, set aside or modify the ruling or decision of the board except that the finding of the board as to facts, if supported by substantial evidence, shall be conclusive.

Section 21. KRS 251.990 is amended to read as follows:

(1) Any person who violates subsection (2) of KRS 251.180 shall be fined not less than one hundred dollars ($100) nor more than five hundred dollars ($500), or imprisoned for not more than six (6) months, or both.

(2) Any person who violates KRS 251.220 or 251.290 shall be fined not more than one thousand dollars ($1,000), or imprisoned for not more than one (1) year, or both.

(3) Any person who violates KRS 251.240 shall be guilty of a felony and fined not more than one thousand dollars ($1,000) or imprisoned for not more than two (2) years, or both.

(4) Any person who violates KRS 251.300 shall be fined not less than one hundred dollars ($100) nor more than one thousand dollars ($1,000) or imprisoned for not more than one (1) year, or both.

(5) Any person who violates the provisions of KRS 251.420 to 251.510 shall be fined two hundred dollars ($200) for the first offense. He shall be fined not less than five hundred dollars ($500) nor more than one thousand dollars ($1,000) and/or be confined in the county jail for not less than sixty (60) days nor more than one hundred and twenty (120) days for each subsequent offense. Each day of operation in violation of the provisions of KRS 251.420 to 251.510 shall constitute a separate offense.

(6) Any person who violates the bonding provisions of Section 13 or 16 of this Act, or who violates Section 5 of this Act shall have his license revoked.

(7) Any person who operates without a license as required by Section 13 or 16 of this Act shall be fined not less than five thousand dollars ($5,000) nor more than ten thousand dollars ($10,000) for each violation, or imprisoned for at least one (1) but not more than five (5) years, or both.

Section 22. This Act shall be known and may be cited as the Kentucky Grain Insurance Act.

Section 23. KRS 251.450, Form of bond -- Computation of amount, is repealed.

The general assembly hereby declares that it serves a public purpose and is of benefit to the state to indemnify those needy residents of the Commonwealth of Kentucky who are innocent victims of criminal acts and who suffer bodily *or, in the case of a child, psychological* injury or death as a consequence thereof. Such persons or their dependents may thereby suffer disability, incur financial hardships and become dependent upon public assistance. To that end, it is the general assembly's intent that aid, care and support be provided by the state, as a matter of grace, for such victims of crime.

Section 17. KRS 346.020 is amended to read as follows:

Acts which, but for the insanity or mental irresponsibility or lack of capacity of the perpetrator, would constitute criminal conduct shall be deemed to be criminally injurious conduct. The operation of a motor vehicle, motorcycle, train, boat, aircraft or other vehicle in violation of law does not constitute a criminally injurious conduct unless the injury or death was intentionally inflicted.

(5)[~~(4)~~] "Family," when used with reference to a person, shall mean:

(a) Criminally injurious conduct occurred;

(b) Such criminally injurious conduct resulted in personal physical *or, in the case of a child, psychological* injury to or death of, the victim; and

(c) Police records show that such crime was promptly reported to the proper authorities; and in no case may an award be made where the police records show that such report was made more than forty-eight (48) hours after the occurrence of such crime unless the board for good cause shown, finds the delay to have been justified.

(2) The board upon finding that the claimant or victim has not fully cooperated with appropriate law enforcement agencies shall deny, reconsider, or reduce an award.

(3) Any award made pursuant to this chapter shall exclude therefrom the initial one hundred dollars ($100) of losses incurred and shall be in an amount not exceeding out-of-pocket expenses, including indebtedness reasonably incurred for medical or other services necessary as a result of the injury upon which the claim is based, together with loss of earnings or support resulting from such injury. If there are two (2) or more persons entitled to an award as a result of the injury or death of a person which is the direct result of criminally injurious conduct the award shall be apportioned by the board among the claimants.

(5) The board is authorized to set a reasonable limit for the payment of funeral and burial expenses which shall include funeral costs, a monument and grave plot. In no event shall an award for funeral expenses exceed twenty-five hundred dollars ($2,500).

The funds derived from such premium surcharge, except as provided in subsection (2) of this section, shall be deposited in the state treasury, and shall constitute a fund allocated for the uses and purposes of the professional fire fighters foundation program fund (KRS 95A.220) and the law enforcement foundation program fund (KRS 15.430).

(2) Insurance premium surcharge funds collected from the policyholders of any domestic mutual company, cooperative or assessment fire insurance company shall be deposited in the state treasury, and shall be paid monthly by the state treasurer into the volunteer fire department aid fund as provided in KRS 17.250.

deposited in the state treasury as set forth in subsection (1) of this section, shall be paid by the state treasurer into the professional fire fighters foundation program fund trust and agency account and the law enforcement foundation program fund trust and agency account. The amount paid into each account shall be proportionate to each fund's respective share of the total deposits, pursuant to KRS 42.190. *Monies deposited to the law enforcement foundation program fund trust and agency account shall not be disbursed, expended, encumbered or transferred by any state official for uses and purposes other than those prescribed by KRS 15.410 to 15.500. Based on these projections, the department shall determine the proportionate share of total insurance premium surcharge proceeds, prescribed in KRS 136.392, to accrue to each fund.

(2) On or before the first day of each quarter, the department shall certify to the state treasurer a distribution schedule describing the proportionate share of total insurance premium surcharge proceeds accruing to each fund during such quarter, and the state treasurer shall pay into each fund's trust and agency account its proportionate share of all deposited tax monies as set forth and in the manner as prescribed in subsections (1) and (3) of KRS 136.392.

HB 269, AN ACT relating to water resources.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 151.110 is amended to read as follows:

The conservation, development and proper use of the water resources of the Commonwealth of Kentucky have become of vital importance as a result of population expansion and concentration, industrial growth, technological advances and an ever increasing demand for water for varied industrial, municipal and recreational uses. It is recognized by the general assembly that excessive rainfall during certain seasons of the year causes damage from overflowing streams. However, prolonged droughts at other seasons curtail industrial, municipal, agricultural and recreational uses of water and seriously threaten the continued growth and economic well-being of the Commonwealth. The advancement of the safety, happiness and welfare of the people and the protection of property require that the power inherent in the people be utilized to promote and to regulate the conservation, development and most beneficial use of the water resources. *Ground and surface waters are interrelated and part of a single hydrologic resource. Uncoordinated development and use of the resource, fosters conflicts between competing users, discourages investment and economic development and prevents the optimal utilization of valuable water resources. Multiple uses of the resource, for municipal, industrial, commercial, and rural water supply; navigation; agriculture; hydroelectric power and energy production; recreation; water quality maintenance; and conservation of fish and wildlife, are interdependent.* It is hereby declared that the general welfare requires that the water resources of the Commonwealth be put to the beneficial use to the fullest extent of which they are capable, that the waste or nonbeneficial use of water be prevented, and that the conservation and beneficial use of water be exercised in the interest of the people. Therefore, it is declared the policy of the Commonwealth to actively encourage and to provide financial, technical or other support for projects that will control and store our water resources in order that the continued growth and development of the Commonwealth might be assured. To that end, it is declared to be the purpose of KRS chapters 146, 149, 151, *224,* 262 and 350.029 and 433.750 to 433.757 for the Commonwealth to permit, regulate, and participate in the construction or financing of facilities to store surplus surface water for future use; to conserve and develop the ground water resources of the Commonwealth; to protect the rights of all persons equitably and reasonably interested in the use and availability of water; to prohibit the pollution of water resources and to maintain the normal flow of all streams so that the proper quantity and quality of water will be available at all times to the people of the Commonwealth; to provide for the adequate disposition of water among the people of the Commonwealth entitled to its use during severe droughts or times of emergency; to prevent harmful overflows and flooding; to regulate the construction, maintenance and operation of all dams and other barriers of streams; to prevent the obstruction of streams and floodways by the dumping of substances therein; to keep accurate records on the amount of water withdrawal from streams and watercourses, *its distribution by end use, and different levels of withdrawal and delivery* and reasonably regulate the amount of withdrawal of public water; *to develop a comprehensive, systematic plan for the management of the Commonwealth's water resources and to establish and operate a continuous planning process;* and to engage in other activities as may be necessary to conserve and develop the water resources of the Commonwealth of Kentucky.

SECTION 2. A NEW SECTION OF KRS 151.110 - 151.330 IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall develop a comprehensive, systematic plan for the management of the Commonwealth's surface and ground water resource and shall establish and operate a continuous planning process to assure that future public needs can be met and a balance achieved among different water uses and functions. The plan shall:

(b) Establish a management system to recognize and protect existing water rights;

The state water plan shall include:

(a) A complete inventory of the water resources of the Commonwealth including an assessment of surface water availability and ground water yields for instream and withdrawal uses, especially during periods of drought;

(b) The identification of instream use needs and the establishment of instream flow levels, including flows required to support and sustain water supply, navigation, fisheries, wildlife, a balanced aquatic environment, recreational uses, hydroelectric generation, waste assimilative capacity and the values of streams included within the state or federal wild and scenic rivers systems;

(c) An assessment of existing and projections of future withdrawal use demands for domestic public water supply, agricultural, electrical generation and energy production, commercial, industrial and other uses;

(d) An analysis of the water quality of the water resources of the Commonwealth, including point and nonpoint sources of pollution, waste treatment needs and the impact of water quality conditions on drinking water supply and other uses of such waters;

(h) A review and evaluation of laws, regulations, policies and institutional arrangements for the development, use, conservation, distribution, marketing and management of water resources;

(i) A data collection and research program necessary to support plan development and updating; and

(j) Recommendations in each functional area covered by the plan for policies, programs, projects and other mechanisms to be implemented in order to fully address the water resource needs, problems, and opportunities identified through the plan.

(4) The cabinet shall complete initial components of the comprehensive statewide plan within two (2) years from the effective date of this Act. Initial plan components shall include the municipal, industrial, and rural water supply, including water conservation; water quality maintenance; ground water quality and quantity; legal, institutional, and financial aspects; and data collection and research elements set forth in subsection (3) of this section. The continuous planning process, which will address all remaining elements set forth in subsection (3) of this section and provide for updating of all plan components, shall be in operation within two (2) years from the effective date of this Act.

Based upon these assumptions, the "annual finance charge formula" is:

2PC

R = --------

A(N +)R equals the percentage rate. P equals the number of payment periods in one year (always twelve if monthly payments, four if quarterly payments, and fifty-two if weekly payments). C equals the finance charge. A equals the principal balance to be paid by the debtor. N equals the number of installments. Except as otherwise provided, a variance tolerance of one percent per annum in the percentage rate is hereby authorized in computations under this formula.

(2) "Base amount," the amount in a credit transaction in dollars of which the debtor will have the actual use, or which will be or is paid to the debtor or to another person on behalf of the debtor or from which additional costs, charges and fees are computed.

(3) "Closed-end credit," a credit for a specified amount which amount (a) constitutes a combination of the base amount, permitted charges which are charged to the debtor and the precomputed finance charge and (b) is payable in installments. The term includes any credit transaction in which the finance charge is precomputed, added on or discounted or where the amount of the planned interest is ascertainable at the time of the execution of the agreement, but does not include a home mortgage in which the finance charge is not precomputed and stated as a dollar amount but is determined by the periodic application of a rate of finance charges to outstanding balances of the credit.

(4) "Department," the department of *financial institutions* [~~banking and securities~~].

(5) "Commissioner," the commissioner of the department of *financial institutions* [~~banking and securities~~].

(6) "Credit transaction," an extension of credit or a loan evidenced by an agreement, promissory note or other instrument whether secured or not, under the terms of which a debtor undertakes or agrees to pay the debt at a stated time or over a period of time and for which the debtor pays or agrees to pay a finance, carrying or other charge.

(7) "Creditor," the person who extends credit in a credit transaction either as principal or as agent and who requires, as an incident to the extension of credit, the payment of a finance charge.

(8) "Debtor," a person to whom or on behalf of whom credit is primarily granted or who is primarily obligated to pay debt.

(9) "Finance charge," a charge made by a creditor, other than permitted charges, paid or payable directly or indirectly by the debtor to or for the account of the creditor and incurred solely because the transaction is a credit transaction and includes:

(a) All charges which are not permitted charges and which are designed primarily to increase the gross yield to a creditor in a credit transaction;

(b) Charges for investigating the credit or collateral and for commissions or brokerage for obtaining the credit paid or payable by the debtor irrespective of the person to whom they are paid or payable; and

(c) Charges for the cost of a credit transaction including interest, discount, add-on or however such charges may be designated.

(10) "Official fees," the fees and charges prescribed by law for registering or for filing, recording, or otherwise perfecting or releasing or satisfying a security interest in property related to a credit transaction which will actually be paid to public officials.

(12) "Percent per annum rate disclosure," the disclosure required or made under paragraph (g) of subsection (1) of KRS 360.220, and under other provisions of KRS 360.210 to 360.265.

(13) "Permitted charges," charges for services, expenses or the like related to a credit transaction, not in excess of amounts permitted by applicable law, if any, which are requested, agreed to or approved by the debtor (a) for official fees or taxes; (b) for insurance; (c) for delinquency or collection or which otherwise arise by reason of action or default of the debtor; (d) in home mortgage credits, customary brokers' fees and reasonable charges incurred for appraisal of the property, examination of title and the marketability of security, drafting of security instruments or documents and other customary closing costs; or (e) which are of value to the debtor separate and apart from the granting of credit, are reasonable in relation to benefits to the debtor and constitute a type of charge or actual charges which have been filed with the commissioner and as to which the commissioner has failed to notify the creditor in writing of objection within sixty days after the filing. If paid, incurred, or financed by the creditor and not otherwise charged to or paid by the debtor, permitted charges may be added to or included in the principal of the debt.

(14) "Principal balance," the sum of the base amount and permitted charges, if any, charged to the debtor.

(15) "Revolving credit," credit granted pursuant to an agreement related to a loan of money in which the debtor incurs from time to time debt which may be payable in installments and in which the debts

are debited to a running account.

(16) "Total loan balance," the sum of the base amount, permitted charges charged to the debtor, if any, and the finance charge.

The development of a county fire department system is especially noteworthy. The construction of many miles of rural water lines that serves most of the district, as well as the construction and improvements to many sections of county roads is most admirable. Providing new social programs such as adult education and payment of energy costs for the elderly is exemplary of your unexcelled record. You have shared generously of your knowledge, time, resources and experiences for which we are sincerely grateful.

HB 587, AN ACT relating to banks.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 287.180 is amended to read as follows:

(1) Banks authorized under the laws of this state may, except as provided in subsection (2) of this section, exercise, only at their principal office, powers necessary to carry on the business of banking by discounting and negotiating notes, drafts, bills of exchange and other evidences of debt, and by purchasing bonds, receiving deposits and allowing interest thereon, buying and selling exchange, coin and bullion and lending money on personal or real security.

(2) Any corporation presently or hereafter engaged in the business of banking, and meeting the requirements of this subsection, may apply to the commissioner of banking and securities for permission to establish, within the city in which either the principal office or an existing branch office which has been annexed into the city is located and, subject to the limitation hereinafter imposed, within the county in which its principal office is located a branch at which all of the powers conferred in subsection (1) of this section may be exercised. Before the commissioner of banking and securities shall approve or disapprove any application made under this subsection he shall ascertain and determine that the public convenience and advantage will be served and prompted thereby and that there is reasonable probability of the successful operation of such branch. No such branch shall be authorized or approved by the commissioner unless all of the following are complied with:

(a) No such corporation having a combined capital and surplus of less than $100,000 shall be permitted to establish any branch. Any corporation applying for permission to establish a branch shall be required to have a minimum combined capital and surplus for each branch applied for in accordance with the following table:

If the principal office is located in:
1. An unincorporated area or in a city of 7,999 population or less $100,000
2. City with population of 8,000 to 19,999 .... $200,000
3. City with population of 19,999 and over one branch may be authorized for every $250,000 of capital and surplus.

Said population is to be determined by the last census or any future census of the United States.

(b) [~~No such corporation shall be permitted to establish a branch in any incorporated city, other than in the city in which either the principal office or an existing branch office which has been annexed into the city is located, in which there is an existing bank. Nor shall any such corporation be permitted to establish a branch in any unincorporated area within a radius of one (1) mile of an existing bank located in such unincorporated area. As used in this subsection, an "existing bank" shall mean the principal office of a bank as distinguished from a branch thereof.~~

~~(c)~~] The permission to open a branch shall lapse one year after the commissioner has rendered a final order, as defined in KRS 287.062, unless it shall have been opened and business actually begun in good faith. If, for reasons beyond the control of the applicant, the branch is not opened within this time period, permission to open the branch may, with the approval of the commissioner, be extended for whatever period of time he deems to be necessary.

(3) Any corporation which on January 1, 1966, was engaged in operating an agency or branch bank, may continue to retain and operate the same under the general banking laws, and the requirements set forth in this section in respect to capital shall not apply to any such existing agency or branch bank but only as to those agencies or branch banks which may be established in the future pursuant to the terms of this section.

(4) The provisions of this section shall not be construed to prohibit the merger of banks in the same county and the operation by the merged corporation of such banks, nor to prohibit the sale of any bank to, and the purchase thereof by, any other bank in the same county and the operation of such bank by the purchasing bank as a branch, provided the commissioner of banking and securities shall determine that the public convenience and necessity will be served by such operation, and provided further that, at the time of such merger or purchase, each of the banks involved shall have been in operation for a period of five (5) years or more.

(5) Any national banking association or any state bank member of the federal reserve system whose principal office is located in this state is hereby authorized to do all things and perform all acts which state banks are permitted to do or perform under this section, subject to the conditions and restrictions provided for banks as to exercise of such powers.

(6) When a branch or agency bank has once been established any operation thereof shall not be discontinued, and said branch or agency bank shall not be closed until after ninety (90) days notice in writing to the commissioner. In the discretion of the commissioner said branch or agency bank proposing to

discontinue operation may be required to give notice of the date when such operation will cease.

On or before the twentieth (20th) day of each month, each insurer shall report and remit to the department of revenue, on such forms as it may require, all premium surcharge moneys collected by it during its preceding monthly accounting period less any such monies returned to policyholders as applicable to the unearned portion of the premium on policies terminated by either the insured or the insurer. The funds derived from such premium surcharge, except as provided in subsection (2) of this section, shall be deposited in the state treasury, and shall constitute a fund allocated for the uses and purposes of the professional fire fighters foundation program fund (KRS 95A.220) and the law enforcement foundation program fund (KRS 15.430).

(2) Insurance premium surcharge funds collected from the policyholders of any domestic mutual company, cooperative or assessment fire insurance company shall be deposited in the state treasury, and shall be paid monthly by the state treasurer into the volunteer fire department aid fund as provided in KRS 17.250.

(3) The commissioner is authorized to receive applications, hold hearings on such applications, and issue charters for a banker's bank.

HB 761, AN ACT relating to first party insurance claims.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 12 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) The desire to provide a fair and equitable means of resolving disputes that arise between insurers and insureds requires that the statutory mechanism herein be adopted to effect the following purposes:

(a) To encourage insurers to conduct reasonable investigations of claims by its insureds;

(b) To promote prompt, fair and equitable settlements of claims in which liability has become reasonably clear;

(c) To deter insurers from unreasonably delaying or denying benefits due their insureds under contracts of insurance;

(d) To provide the insured the undiminished benefit of his insurance policy or contract when he is compelled to bring a cause of action against his insurer to enforce the terms of a valid insurance policy or contract;

(e) To provide a reasonable remedy for common law causes of action by first party claimants; and

(f) To allow insurers to assert valid defenses and to defend claims for which there is a reasonable basis for denial without exposure to liability grossly disproportionate to the claims and amounts involved.

(2) Under no circumstances is it the intent nor shall this section be construed to provide the basis for an independent duty, the breach of which would give rise to an independent tort.

(3) As used in this section, the following definitions shall apply:

(a) "First party claimant" means an individual, corporation, association, partnership or other legal entity asserting a right to payment under an insurance policy or insurance contract arising out of the occurrence of the contingency or loss covered by such policy or contract. A first party claimant includes, but is not limited to, the intended beneficiary of an uninsured motorist insurance policy;

(b) "Insurance policy or contract" means a policy or contract entered into by an insurer as defined in this section or a substitute therefor entered into by a self-insured entity or employer;

(c) "Issuer" means an entity providing an insurance policy or contract; and

(d) "Bad faith" means that condition which occurs when an issuer fails to pay the claim, or any portion thereof, asserted by a first party claimant when the issuer has no reasonable basis for such failure to pay. The issuer's refusal to pay a claim when there is a reasonable basis for denial does not constitute bad faith for purposes of this section.

(4) Upon being adjudged liable to the first party claimant, the issuer shall pay a penalty not to exceed twenty percent (20%) of the total recovery if the court or jury finds that such issuer's refusal to pay the first party claimant according to the terms of the insurance policy or contract was in bad faith. In no case shall such penalty be less than five hundred dollars ($500).

(5) In addition to the penalty set out in subsection (4) of this section, the first party claimant who recovers under that subsection by way of settlement or judgment shall be entitled to recover a reasonable attorney's fee. Such fee shall be determined by considering the extent of relief obtained by the first party claimant, the amount of time expended by the attorney, the existence and timing of any good faith offer of settlement by the issurer and such other factors as the court deems appropriate, but in no case shall such attorney's fee exceed the fee actually incurred by the first party claimant.

(6) The penalty imposed under this section shall be the exclusive remedy of the first party claimant if the issuer fails in bad faith to pay a first party claimant. The failure in bad faith to pay shall not give rise to an independent action in tort.

HB 860, AN ACT relating to the financing of motor vehicles.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 190.090 is amended to read as follows:

As used in KRS 190.090 to 190.140 unless the context or subject matter otherwise requires:

(1) "Person" means an individual, partnership, corporation, association, and any other group however organized.

(2) "Retail instalment sale" means any sale for other than business or commercial use evidenced by a retail instalment contract wherein retail buyer agrees to buy and retail seller agrees to sell a motor vehicle at a

time sale price payable in two or more instalments. The cash sale price of the motor vehicle, the amount, if any, included for insurance and other benefits, official fees and the finance charge, shall together constitute the time sale price.

(3) "Retail instalment contract" means any agreement, entered into in this state, evidencing a retail instalment sale of a motor vehicle, other than for the purpose of resale, pursuant to which title to, or a lien upon the motor vehicle is retained by the retail seller as security for the retail buyer's obligation. This term includes a mortgage, conditional sale contract or any contract for the bailment or leasing of a motor vehicle by which the bailee or lessee contracts to pay as compensation for its use a sum substantially equivalent to the time sale price of the motor vehicle and by which it is agreed that the bailee or lessee is bound to become, or has the option of becoming, the owner of such motor vehicle.

(4) "Motor vehicle" means any device [~~with a cash sale price of five thousand dollars ($5,000) or less,~~] in, upon, or by which any person or property is, or may be transported or drawn upon a highway. The term does not include self-propelled wheelchairs and invalid tricycles, tractors, power shovels, road machinery, implements of husbandry and other agricultural machinery, or other machinery not designed primarily for highway transportation but which may incidentally transport persons or property on a highway, or devices which move upon or are guided by a track or travel through the air. A moped as defined in KRS 190.010 shall be subject to the same requirements as a motor vehicle under this section.

(5) "Retail seller" or "seller" means a person who sells or agrees to sell a motor vehicle under a retail instalment contract to a retail buyer.

(6) "Retail buyer" or "buyer" means a person who buys or agrees to buy a motor vehicle from a retail seller not for the purpose of resale and who executes a retail instalment contract in connection therewith.

(7) "Sales finance company" means a person engaged in the business of creating and holding or purchasing or acquiring retail instalment contracts from a retail seller. The term includes a bank, trust company, private banker, industrial bank, investment company or national bank, if so engaged.

(8) "Cash sale price" means the price at which the seller would in good faith sell to the buyer, and the buyer would in good faith buy from the seller, the motor vehicle which is the subject matter of the retail instalment contract, if such sale were a sale for cash, instead of a retail instalment sale. The cash sale price may include any taxes, registration fees, certificate of title fees, if any, license fees, charges for delivery, servicing, repairing, or improving the motor vehicle, including accessories and their installation.

(9) "Official fees" means the fees prescribed by law for filing, recording or otherwise perfecting and releasing or satisfying a retained title or a lien created by a retail instalment contract.

(10) "Finance charge" means that part of the time sale price by which it exceeds the aggregate of the cash sale price, the amount, if any, included for insurance and other benefits and official fees included in the retail instalment sale.

(11) Words in the singular include the plural and vice versa.

Section 2. KRS 190.100 is amended to read as follows:

(1) (a) Every retail instalment contract shall be in writing in at least eight (8) point type, shall contain all the agreements of the parties, shall be signed by the retail buyer, and a copy thereof shall be furnished to such retail buyer at the time of the execution of the contract.

(b) No provision of a retail instalment contract which purports to provide for the inclusion of title to or a lien upon any goods other than the motor vehicle, accessories and special or auxiliary equipment used in connection therewith which either are the subject of the retail instalment sale or are substitution in whole or in part therefor, as security for payment of such time sale price shall be valid or enforceable; but the other provisions of the retail instalment contract shall not be affected thereby.

(c) No provisions for confession of judgment, power of attorney therefor, or wage assignment contained in any retail instalment contract shall be valid or enforceable.

(d) *If the finance charge applicable to a retail installment contract has been determined by a pre-computed method,* the holder of a retail instalment contract may collect a delinquency and collection charge on each instalment in arrears for a period not less than ten (10) days in an amount not in excess of five percent (5%) of each instalment or five dollars ($5.00), whichever is the less. In addition to such delinquency and collection charge, the retail instalment contract may provide for the payment of attorneys' fees not exceeding fifteen percent (15%) of the amount due and payable under such contract where such contract is referred to an attorney not a salaried employe of the holder of the contract for collection, plus the court costs.

(e) Unless notice has been given to the retail buyer of actual or intended assignment of a retail instalment contract, payment thereunder or tender thereof made by the retail buyer to the last known holder of such contract shall be binding upon all subsequent holders or assignees.

(f) Upon written request from the retail buyer, the holder of the retail instalment contract shall give or forward to the retail buyer a written statement of the [~~dates and amounts of payments and the~~] total amount unpaid under such contract. A retail buyer shall be given a written receipt for any payment when made in cash.

(2) The retail instalment contract shall contain the following [~~items~~]:

(a) The cash sale price of the motor vehicle which is the subject matter of the retail instalment sale;

(b) The amount of the retail buyer's down payment, whether made in money or goods, or partly in money or partly in goods;

(c) The difference between *paragraphs* [~~items~~] (a) and (b) *of this subsection*;

(d) 1. Amount, if any, included for insurance and other benefits;

2. Types of coverage and benefits;

(e) Official fees as defined in KRS 190.090;

(f) Principal balance, which is the sum of *paragraphs* [~~item~~] (c), [~~item~~] (d), and [~~item~~] (e) *of this subsection.*[~~;~~

~~(g) The amount of the finance charge;~~

~~(h) The time balance payable by the retail buyer to the retail seller, the number of instalment payments required and the amount of each instalment expressed in dollars or percentages, and date of each payment necessary finally to pay the time balance which is the sum of item (f) and item (g); Provided, however, That said items (a) to (h) inclusive need not be stated in the sequence or order set forth above and that additional items may be included which serve to explain the calculations involved in determining the stated time balance to be paid by the retail buyer.~~]

(3) The retail instalment contract shall contain a definite statement in twelve (12) point bold type or larger, that the insurance, if any included in the retail instalment sale provides or does not provide coverage for personal liability and property damage caused to others, as the case may be.

(4) The amount, if any, included for insurance, shall not exceed the premiums chargeable in accordance with applicable rate filings made with the commissioner of insurance. Every retail seller or sales finance company, if insurance on the motor vehicle is included in a retail instalment contract shall within thirty (30) days after execution of the retail instalment contract send or cause to be sent to the retail buyer a policy or policies or certificate of insurance, which insurance shall be written by a company authorized to do business in this state, clearly setting forth the amount of the premium, the kind or kinds of insurance and the scope of the coverage and all the terms, exceptions, limitations, restrictions and conditions of the contract or contracts of the insurance. The buyer of a motor vehicle under a retail instalment contract shall have the privilege of purchasing such insurance from an agent or broker of his own selection and of selecting an insurance company acceptable to the seller; Provided, however, That the inclusion of the insurance premium in the retail instalment contract when the buyer selects the agent, broker or company, shall be optional with the seller. If any such policy is canceled, the unearned insurance premium refund received by the holder of the contract shall be credited to the final maturing instalments of the retail instalment contract.

(5) Any sales finance company hereunder may purchase or acquire from any retail seller any retail instalment contract on such terms and conditions as may be agreed upon between them. No filing of the assignment, no notice to the retail buyer of the assignment, and no requirement that the retail seller shall be deprived of dominion over the payments thereunder or the goods covered thereby if repossessed by the retail seller shall be necessary to the validity of a written assignment of a retail instalment contract as against creditors, subsequent purchasers, pledgees, mortgagees and lien claimants of the retail seller.

(6) An acknowledgment in the body of the retail instalment contract by the retail buyer of the delivery of a copy thereof shall be conclusive proof of delivery in any action or proceeding by or against any assignee of a retail instalment contract.

Section 3. KRS 190.110 is amended to read as follows:

(1) The finance charge in a retail instalment sale shall not exceed the following rates:

Class 1. Any new or used motor vehicle designated by the manufacturer by a year model not earlier than the year in which the sale is made -- eleven dollars ($11.00) per one hundred dollars ($100).

Class 2. Any new motor vehicle not in class 1 and any used motor vehicle designated by the manufacturer by a year model of one (1) or two (2) years prior to the year in which the sale is made -- thirteen dollars ($13.00) per one hundred dollars ($100).

Class 3. All other motor vehicles not in class 1 or 2 -- fifteen dollars ($15.00) per one hundred dollars ($100).

(2) Such finance charge shall be computed on the principal balance as determined under KRS 190.100 (2) on contracts payable in successive monthly payments substantially equal in amount extending for a period of one (1) year. On contracts providing for instalment payments extending for a period less than or greater than one (1) year, the finance charge shall be computed proportionately.

(3) When a retail instalment contract provides for unequal or irregular instalment payments, the finance charge shall be at the effective rate provided in subsection (1) *of this section* [~~hereof~~], having due regard for the schedule of payment.

(4) The finance charge allowed by this section may be paid in advance and may be pre-computed by using an add-on or discount method. Alternatively, the seller may, at his option, compute the finance charge on a simple interest basis, at a fixed or variable rate, but in such case the amount of finance charge that the seller may collect shall not exceed the amount that could be collected if the finance charge were pre-computed.

Section 4. KRS 190.120 is amended to read as follows:

(1) If the finance charge applicable to the retail installment contract has been determined by a pre-computed method, the retail buyer may pay in full at any time before the stated maturity date and upon such prepayment in full the retail buyer shall receive a refund of a portion of the finance charge computed in accordance with the Rule of 78's. An acquisition cost of twenty-five dollars ($25) shall be deducted from the finance charge before computation of the refund. Where the refund is less than one dollar ($1.00) no refund need be made and acceleration of the balance by the seller, caused by the default of the buyer or otherwise, shall not affect the date of computation. Any balance remaining unpaid as of the stated maturity date shall then be subject to accumulation of additional finance charge at the rate specified in the contract.

(2) If the finance charge applicable to the retail installment contract has or will be determined by a simple interest method, the retail buyer may pay in full at any time before the stated maturity date without penalty, except that the holder may collect and receive a minimum finance charge of twenty-five dollars ($25) in any event [~~Notwithstanding the provisions of any retail instalment contract to the contrary, any retail buyer may pay in full at any time before maturity the debt of any retail instalment contract and in so paying such debt shall receive a refund credit thereon for such anticipation of payments. The amount of such refund shall represent at least as great a proportion of the finance charge after first deducting from such finance charge an acquisition cost of twenty-five dollars ($25.00), as the sum of the periodic time balances after the month in which payment is made, bears to the sum of all the periodic time balances under the schedule of payments in the original contract. Where the amount of the credit for anticipation of payment is less than one dollar ($1.00), no refund need be made~~].

Section 5. KRS 190.130 is amended to read as follows:

The holder of a retail instalment contract may, upon agreement with the retail buyer, extend the scheduled due date, defer the scheduled payment of all or part of any instalment payment or payments, or renew the balance of such contract. In any such case the holder may restate the amount of the instalments and the time schedule therefor, and collect as a refinance charge for such extension, deferment or renewal, a flat service fee not to exceed five dollars ($5.00) and *an* [~~a total~~] additional *finance charge computed at the same rate and by the same method as originally set out in the retail installment contract* [~~charge not exceeding an amount equal to one per cent (1%) per month simple interest on the respective descending balances~~] computed from the date of such extension, deferment or renewal.

The Committee Amendment No. 1 to **HB 860** is as follows:

Amend printed copy of **HB 860** page 10, line 3, by deleting "*be paid in advance and may*"

His insurance company shall be subrogated to any amounts it so pays, and upon payment shall have an assignment of the judgment against the other party to the extent of

the money it pays.

(3) In the event of payment to any person under the coverage required by this section and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such person against any person or organization legally responsible for the bodily injury for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer [~~Every insurer shall make available upon request to its insureds underinsured motorist coverage, whereby subject to the terms and conditions of such coverage the insurance company agrees to pay its own insured for such uncompensated damages as he may recover on account of injury due to a motor vehicle accident because the judgment recovered against the owner of the other vehicle exceeds the policy limits thereon, to the extent of the policy limits on the vehicle of the party recovering less the amount paid by the liability insurer of the party recovered against. His insurance company shall be subrogated to any amounts it so pays, and upon payment shall have an assignment of the judgment against the other party to the extent of the money it pays~~].

1. The appeal has been finally disposed of by the last possible court of review, including the United States Supreme Court; or

2. All further opportunities for appeal have expired as a result of the failure to timely file an appeal.

Section 9. KRS 287.090 is amended to read as follows:

No reduction in the capital stock of a bank *or trust company* shall be made to *an* [~~a less~~] amount *less* than is required for organization, nor shall any reduction be valid until it has been approved by the commissioner [~~of banking and securities~~] upon his finding that the interest of creditors of the bank *or trust company* will not be prejudiced thereby.

If there is any doubt as to whether a change in the outstanding voting stock is sufficient to result in control thereof or to effect a change in the control thereof, such doubt shall be resolved in favor of reporting the facts to the commissioner.

(3)[~~(2)~~] Whenever a bank makes a loan or loans, secured, or to be secured, by twenty-five percent (25%) or more of the outstanding voting stock of a bank, the president or other chief executive officer of the lending bank shall promptly report such fact to the commissioner upon obtaining knowledge of such loan or loans, except that no report need be made in those cases where the borrower has been the owner of record of the stock for a period of one (1) year or more, or the stock is that of a newly organized bank prior to its opening.

1.[~~(1)~~] The name of the borrower;

2.[~~(2)~~] The amount of the loan; and

3.[~~(3)~~] The name of the bank issuing the stock securing the loan and the number of shares securing the loan.

In addition to the foregoing, such reports shall contain such other information as may be available to inform the commissioner of the effect of the transaction upon control of the bank *or trust company* whose stock is involved.

(5)[~~(4)~~] Whenever such a change as described in subsection (1) of this section occurs, each bank *or trust company* shall report promptly to the commissioner any changes or replacement of its chief executive

(2) Upon approval of the commissioner [~~of banking~~] in the case of a state bank, or the proper federal supervisory authority in the case of a national bank, the institution may invest its funds in real or personal property and/or improvements on such real property when all or a portion of the improvements are for use as its home office or for branch offices so long as the said real estate is used for carrying on its legitimate business as permitted by section 192 of the Constitution of the state of Kentucky.

(3) All property owned and held by a state or national bank under this section shall be deemed to be property that is proper and necessary for carrying out its legitimate business within the meaning of KRS 271A.705 or any other section of the Kentucky Revised Statutes relating to escheat.

Section 13. KRS 287.105 is amended to read as follows:

Section 15. KRS 287.115 is amended to read as follows:

(1) With the approval of the commissioner a bank or trust company may, at any time, by resolution of its board of directors, which resolution shall have been approved at a stockholders' meeting by two-thirds (2/3) of the outstanding capital stock of the bank, issue and sell its capital notes or debentures in an amount not in excess of one hundred percent (100%) of its unimpaired paid-in capital stock plus fifty percent (50%) of its unimpaired surplus. The aggregate amount of such capital notes or debentures issued or sold by a bank or trust company shall be exempt from the limitations and restrictions on indebtedness, as may be provided in its articles of incorporation.

(2) Such capital notes and debentures shall be subordinate to the claims of creditors and depositors, and shall be provided in any such capital notes or debentures that in the event of liquidation all depositors and other creditors of the bank shall be entitled to be paid in full, with such interest as may be provided by law, before any payment shall be made on account of principal of or interest on said capital notes or debentures, and may provide that after payment in full of all sums owing to such depositors and creditors the holders of such capital notes shall be entitled to be paid from the remaining assets of the bank, the unpaid principal amount of the capital notes or debentures, plus accrued and unpaid interest thereon, before any payment or other distribution, whether in cash, property or otherwise, shall be made on account of any capital stock of the bank.

(3) The capital notes or debentures shall in no case be subject to any assessment. The holders of such capital notes or debentures shall not be liable for any debts, contracts, or engagements of such bank, nor for assessments to restore impairments in the capital of such bank, unless the holder is a stockholder in such bank.

(4) Such capital notes or debentures issued or sold by a bank or trust company shall be considered as a portion of the capital and unimpaired surplus or capital structure of the issuing bank *or trust company* and shall be considered as such in determining the bank's legal lending or investment limits, and for other purposes, when based upon the capital and unimpaired surplus of the bank *or trust company*; except that such capital notes and debentures shall not be considered in determining the amount of ad valorem taxes payable by the bank or trust company.

(5) No such capital notes or debentures may be retired or paid by the bank or trust company if at the time of retirement or payment or immediately after, there be an existing deficiency of the bank's *or trust company's* capital stock, as determined by the commissioner.

(6) No such capital notes or debentures shall be issued or sold by a bank or trust company except for cash, and no bank or trust company which issues such capital notes or debentures shall acquire or hold any of its capital notes or debentures in its own assets or in fiduciary capacity. Any of its own notes or debentures acquired by a bank contrary to the provisions of this section shall be forthwith disposed of by sale or charged to its undivided profits account.

(7) Wherever the terms "capital," "capital stock," or "capital structure" are used in this section, they shall be construed to have reference only to capital actually paid in and capital stock actually issued.

Section 16. KRS 287.140 is amended to read as follows:

(1) A bank[~~, trust company, combined bank and trust company, or real estate title insurance company~~] may, with the consent of a majority in number and interest of its stockholders, amend its articles of incorporation or reorganize to permit it to engage in *a trust business* [~~any two (2) or more kinds of businesses mentioned in this section~~]. The stock of the old corporation, if unimpaired, may be converted into stock in the new corporation.

(2) Any *bank or trust company* [~~two (2) or more corporations named in subsection (1)~~] may consolidate and the consolidated corporation shall issue stock for an equivalent amount in value of the stock of the constituent corporations.

Section 17. KRS 287.180 is amended to read as follows:

(1) Banks authorized under the laws of this state may, except as provided in subsection (2) of this section, exercise, only at their principal office, powers necessary to carry on the business of banking by discounting and negotiating notes, drafts, bills of exchange and other evidences of debt, and by purchasing bonds, receiving deposits and allowing interest thereon, buying and selling exchange, coin and bullion and lending money on personal or real security.

(2) Any corporation presently or hereafter engaged in the business of banking, and meeting the requirements of this subsection, may apply to the commissioner [~~of banking and securities~~] for permission to establish, within the city in which either the principal office or an existing branch office which has been annexed into the city is located and, subject to the limitation hereinafter imposed, within the county in which its principal office is located a branch at which all of the powers conferred in subsection (1) of this section may be exercised. Before the commissioner [~~of banking and securities~~] shall approve or disapprove any application made under this subsection he shall ascertain and determine that the public convenience and advantage will be served and prompted thereby and that there is reasonable probability of the successful operation of such

branch. No such branch shall be authorized or approved by the commissioner unless all of the following are complied with:

(a) No such corporation having a combined capital and surplus of less than $100,000 shall be permitted to establish any branch. Any corporation applying for permission to establish a branch shall be required to have a minimum combined capital and surplus for each branch applied for in accordance with the following table:

If the principal office is located in:

1. An unincorporated area or in a city of 7,999 population or less $100,000
2. City with population of 8,000 to 19,999 .... $200,000
3. City with population of 19,999 and over one branch may be authorized for every $250,000 of capital and surplus.

Said population is to be determined by the last census or any future census of the United States.

(b) No such corporation shall be permitted to establish a branch in any incorporated city, other than in the city in which either the principal office or an existing branch office which has been annexed into the city is located, in which there is an existing bank. Nor shall any such corporation be permitted to establish a branch in any unincorporated area within a radius of one (1) mile of an existing bank located in such unincorporated area. As used in this subsection, an "existing bank" shall mean the principal office of a bank as distinguished from a branch thereof.

(c) The permission to open a branch shall lapse one year after the commissioner has rendered a final order, as defined in KRS 287.062, unless it shall have been opened and business actually begun in good faith. If, for reasons beyond the control of the applicant, the branch is not opened within this time period, permission to open the branch may, with the approval of the commissioner, be extended for whatever period of time he deems to be necessary.

(3) Any corporation which on January 1, 1966, was engaged in operating an agency or branch bank, may continue to retain and operate the same under the general banking laws, and the requirements set forth in this section in respect to capital shall not apply to any such existing agency or branch bank but only as to those agencies or branch banks which may be established in the future pursuant to the terms of this section.

(4) The provisions of this section shall not be construed to prohibit the merger of banks in the same county and the operation by the merged corporation of such banks, nor to prohibit the sale of any bank to, and the purchase thereof by, any other bank in the same county and the operation of such bank by the purchasing bank as a branch, provided the commissioner [~~of banking and securities~~] shall determine that the public convenience and necessity will be served by such operation, and provided further that, at the time of such merger or purchase, each of the banks involved shall have been in operation for a period of five (5) years or more.

(5) Any national banking association or any state bank member of the federal reserve system whose principal office is located in this state is hereby authorized to do all things and perform all acts which state banks are permitted to do or perform under this section, subject to the conditions and restrictions provided for banks as to exercise of such powers.

(6) When a branch or agency bank has once been established any operation thereof shall not be discontinued, and said branch or agency bank shall not be closed until after ninety (90) days notice in writing to the commissioner. In the discretion of the commissioner said branch or agency bank proposing to discontinue operation may be required to give notice of the date when such operation will cease.

Section 18. KRS 287.190 is amended to read as follows:

Any bank [~~or trust company~~] may accept for payment at a future date drafts or bills of exchange drawn upon it by its customers, issue letters of credit authorizing the holders thereof to draw drafts upon it or its correspondents at sight or on time, and accept or discount acceptances.

Section 19. KRS 287.195 is amended to read as follows:

Any bank [~~or trust company or combined bank and trust company~~] may apply to the commissioner [~~of banking and securities~~] for permission to remain closed on any day of the week fixed by the adoption of a resolution of the board of directors of such institution. If the commissioner [~~of banking and securities~~] deems that the public interest will be adequately served thereby, he shall grant to such applying institution permission to remain closed on such fixed day provided fifteen (15) days' notice of such closing be given the public by posting a statement to such effect in some conspicuous place in said institution. Any day upon which such bank [~~or trust company or combined bank and trust company~~] shall, pursuant to such permission and notice, remain closed, shall in respect of such institution be deemed a holiday for all purposes, and no bank [~~or trust company or combined bank and trust company~~] shall be required to permit access to its safe deposit vaults on such day. When a contract by its terms requires the payment of money or the performance of a condition on any such day by or at such institution, such payment may be made or condition performed on the next business day succeeding such day when such institution shall so remain closed, with the same force and effect as if made in accordance with the terms of the contract, and no liability or loss of rights shall result from such delay.

Section 20. KRS 287.199 is amended to read as follows:

(1) As used in this section, unless the context requires otherwise:

(a) "Commissioner" means the commissioner of *financial institutions* [~~banking~~] and any other person lawfully exercising the powers of the commissioner.

(b) "Officers" means the person or persons designated by the board of directors of a bank to act for the bank in carrying out the provisions of this section.

(c) "Emergency" means any condition which interferes with the conduct of normal business operations at one or more or all offices of a bank or banks, or which poses an imminent or existing threat to the safety and security of persons or property, or both. Without limiting the generality of the foregoing an emergency may arise as a result of any one or more of the following: fire, flood, wind, rain or snowstorms, labor disputes, power failures, transportation failures, war and riots, civil commotions, and other acts of lawlessness or violence.

(d) "Office" means any place at which a bank transacts business or conducts operations related to the transaction of business.

(e) "Person" includes natural persons, corporations, partnerships and associations.

(2) Whenever the commissioner is of the opinion that an emergency exists in this state or in any part or parts of this state, he shall, by proclamation, authorize those banks which, in the opinion of their officers, are directly or indirectly affected by such emergency to close one or more or all their offices.

(3) Whenever the officers of a bank are of the opinion that an emergency exists which affects one or more or all the bank's offices, they shall have authority to close one or more or all such offices even though the commissioner has not issued a proclamation of emergency, and they may provide that the business normally transacted at a closed office will be transacted at another office designated by the bank until further notice. The office or offices so closed shall remain closed until the commissioner proclaims that the emergency has ended, or until such earlier time as the officers of the bank determine that one or more offices, theretofore closed because of the emergency, should reopen, or, if the commissioner has issued no proclamation of emergency, until the officers of the bank determine that such office or offices should reopen. The discretion of the officers in acting pursuant to this section, when exercised in good faith, shall not be questioned in any court or place.

(4) A bank closing an office or offices pursuant to this section shall give prompt notice to the commissioner as conditions will permit.

(5) No bank and no director, officer or employe of a bank shall be liable to any person for any direct or indirect loss suffered by reason of the bank's failure or inability to make access to the bank's premises and facilities available to such person or by reason of the bank's failure or delay in performing any contractual, statutory or other duty assumed by or imposed upon the bank in any capacity when such failure, inability or delay is caused by an emergency as defined by this section. The immunity from liability provided for herein shall endure during the period of such emergency and for such time thereafter as may reasonably be necessary to afford such access or perform such duty.

(6) The provisions of this section shall be construed and applied as being in addition to any other law of this state or United States excusing delays by banks in the performance of duties or obligations, or authorizing the closing of banks because of emergencies or conditions beyond the bank's control, or otherwise.

(7) The commissioner may make such orders and regulations, not inconsistent with this section, as he shall deem necessary during an emergency to provide for the uninterrupted continuance of business by banks to the extent consistent with the safety and security of persons and property.

Section 21. KRS 287.210 is amended to read as follows:

A bank [~~or trust company~~] so depositing securities with a federal reserve bank shall be subject to such rules and regulations with respect to the making and maintenance of such deposit as, in the

case of a bank [~~or trust company~~] organized under the laws of this state, the commissioner [~~of banking and securities~~], and, in the case of the national banking associations, the comptroller of the currency, may from time to time issue. The records of such bank [~~or trust company~~] shall at all times show the ownership of the securities held in such account. Ownership of, and other interests in, the securities credited to such account may be transferred by entries on the books of said federal reserve bank without physical delivery of any securities. A bank [~~or trust company~~] acting as custodian for a fiduciary shall, on demand by the fiduciary, certify in writing to the fiduciary the securities so deposited by such bank [~~or trust company~~] with such federal reserve bank for the account of such fiduciary. A fiduciary shall, on demand by any party, to its accounting or on demand by the attorney for such party, certify in writing to such party the securities deposited by such fiduciary with such federal reserve bank for its account as such fiduciary.

Such calculation shall be computed on the basis of the average daily demand or savings and time deposits of such bank or trust company covering the biweekly period immediately preceding the day fixed herein for such computation.~~

~~(6) The commissioner may accept the reserves required of state banks pursuant to Title I of the Monetary Control Act of 1980 in lieu of reserves required under subsection (1) of this section.~~]

(3) If a bank proposes to sell its assets and transfer its deposit liability to another bank and the purchasing bank is unwilling to accept a sufficient amount of the assets to cover the liability to depositors and other creditors, the selling bank may, with the consent of the commissioner [~~of banking and securities~~], pledge all or a part of its remaining or unacceptable assets to secure a loan for an amount sufficient to cover the remaining liability to the depositors and other creditors.

(1) If the commissioner has knowledge or reasonable cause to believe that any bank *or trust company,* or any director, officer, employe, agent, or other person participating in the conduct of the affairs of the bank *or trust company* has engaged in violations of law, or charter, rule or regulation by the department, or in unsafe or unsound business practices, he may issue and serve upon such bank, *trust company,* director, officer, employe, agent or other person a notice of charges containing a statement of facts with respect to alleged violations or practices, and not earlier than thirty (30) days nor later than sixty (60) days after service of such statement fix the time and place at which a hearing will be held to determine whether an order to cease and desist should issue against the bank, *trust company,* director, officer, employe, agent or other person.

(2) Unless the party or parties so served shall appear at the hearing personally or by a duly authorized representative, they shall be deemed to have consented to the issuance of the cease and desist order.

(3) In the event of such consent, or if upon the record made at any such hearing the commissioner shall find that any violation or unsafe or unsound practice specified in the notice of charges has been established, he may issue and serve upon the bank, *trust company,* director, officer, employe, agent or other person an order to cease and desist from any such violation or practice and, further, to take affirmative action to correct the conditions resulting from any such violation or practice.

(4) If the commissioner shall determine that the violation or practice, as specified in the notice of charges pursuant to subsection (1) of this section, or the continuation thereof, is likely to cause insolvency or substantial dissipation of assets or earnings of the bank *or trust company,* or is likely to otherwise seriously prejudice the interests of its depositors *or investors,* he may issue a temporary order requiring the bank *or trust company,* director, officer, employe, agent or other person to cease and desist from any such violation or practice.

Unless set aside, limited or suspended, as provided by subsection (6) of this section, a cease and desist order shall remain effective and enforceable pending completion of the administrative proceedings until the commissioner shall dismiss all specified charges, or, where a temporary cease and desist order has issued, until the effective date of a cease and desist order.

(6) Within ten (10) days after service of a temporary cease and desist order, the party or parties served may apply to the circuit court for the county in which the bank is located, or the circuit court of Franklin county, for an injunction setting aside, limiting, or suspending the enforcement, operation or effectiveness of such order pending completion of administrative proceedings, and such court shall have jurisdiction to issue an injunction.

(8) If the commissioner shall determine that any officer or director of a bank *or trust company* has committed any violation of law, rule or regulation or of a cease and desist order which has become final, or has engaged in or participated in any unsafe or unsound practice in connection with the bank *or trust company,* or has committed or engaged in any act, omission, or practice which constitutes a breach of his fiduciary duty as such officer or director, and the commissioner determines that the bank *or trust company* has suffered or will probably suffer substantial financial loss or other damages or that the interests of its depositors *or investors* could be seriously prejudiced by reason of such violation or practice of breach of fiduciary duty or that the director or officer has received financial gain by reason of the violation or practice or breach of fiduciary duty, the commissioner may serve upon such director or officer a written notice of intention to remove him from office. The violation, practice or breach must be one involving personal dishonesty on the part of such director or officer, or one which demonstrates a willful or continuing disregard for the safety or soundness of the bank. The written notice shall serve to suspend the officer or director from office. Such suspension shall become effective upon service of such notice and, unless stayed by a court in proceedings authorized by subsection (10) of this section, shall remain in effect pending the completion of the

administrative proceedings under subsection (9) of this section and until such time as the commissioner shall dismiss the charges specified in such notice or, if an order of removal is issued against the officer or director, the effective date of any such order.

(9) A notice of intention to remove an officer or director from office shall contain a statement of the facts constituting grounds therefor, and shall fix a time and place at which a hearing will be held thereon. Such hearing shall be fixed for a date not earlier than thirty (30) days nor later than sixty (60) days after the date of service of such notice; unless an earlier date is set by the commissioner at the request of such officer or director and for good cause shown. Unless such officer or director shall appear at the hearing in person or by duly authorized representative, he shall be deemed to have consented to the issuance of an order of such removal. In the event of such consent, or if upon the record made at any such hearing the commissioner shall find that any of the grounds specified in such notice have been established, the commissioner may issue such orders of suspension or removal from office as he deems appropriate.

(10) Within ten (10) days after an officer or director has been suspended from office, such officer or director may apply to the circuit court for the county in which the bank *or trust company* is located for a stay of such suspension pending the completion of the administrative proceedings pursuant to the notice served upon such officer or director, and such court shall have jurisdiction to grant such stay.

(11) The bank, *trust company* or person assessed shall be afforded an opportunity for a hearing upon request made to the commissioner within ten (10) days after issuance of the assessment notice. Any such hearing shall be on the record and the commissioner's determination shall constitute a final order. If no hearing is requested within the ten (10) days, the notice of assessment shall constitute a final order.

(12) Any person aggrieved by a final order of the commissioner under subsections (9) or (11) of this section may obtain a review of the order by filing in the circuit court for the county in which the bank *or trust company* is located a petition of appeal within ten (10) days after the rendition of a final order. A copy of the petition shall be served upon the commissioner and thereupon the commissioner or his agent shall certify and file in court a copy of the record or other evidence upon which the order is entered. No objection to the order may be considered by the court unless it was *argued* [~~urged~~] before the commissioner or there were reasonable grounds for failure to do so.

(13) The commissioner may apply to the circuit court for the county in which the bank *or trust company* is located for an injunction to enforce any order issued under subsection (9) of this section or any assessment made under subsection (11) of this section, and it shall be the duty of the court to issue such injunction.

Section 1. KRS 161.158 is amended to read as follows:

(1) Each district board of education may form its employes into a group or groups or recognize existing groups for the purpose of obtaining the advantages of group life, disability, medical, and dental insurance or

any group insurance plans to aid its employes, as long as the employes continue to be employed by the board of education. Medical and dental group insurance plans obtained under authority of this section may include insurance benefits for the families of the insured group or groups of employes. Any district board of education may pay all or part of the premium on the policies, and may deduct from the salaries of the employes that part of the premium which is to be paid by them and may contract with the insurer to provide the above benefits.

(2) (a) Each district board of education which forms its employes into a group for insurance purposes separate from the state master contract as described in subsection (1) of this section shall notify the department of education of its intention to form a separate group. The department of education shall reimburse the local district for health insurance or life insurance or both in an amount equal to the state's premium contribution under the current state master contract or the premium cost for single coverage under the local board of education's contract, whichever is less, for each eligible certified and non-certified employe of the local board. For purposes of this section eligible certified and non-certified employes are defined as:

1. A regular, full-time non-certified employe is one who is employed with the expectation of employment for the full school term or the remainder of the school term as defined in KRS 158.070, and whose assignments require a minimum of eighty (80) hours per school month as defined in KRS 158.060; and

(b) Local boards of education forming their own group shall notify the department of education of this decision by February 1, 1985 and shall be eligible for reimbursement for insurance premiums beginning October 1, 1985. Thereafter a local board of education must notify the department of education of its intention to form a separate group nine (9) months prior to the expiration of the master contract between the Commonwealth and the current carrier, to become effective upon expiration of the master contract.

(3) Each district board of education shall adopt policies or regulations which will provide for deductions from salaries of its employes or groups of employes whenever a request is presented to the board by said employes or groups thereof. Such deductions shall be made from salaries earned in at least eight different pay periods, and shall be remitted to the appropriate organization or association as specified by the employes. The deductions may be made for, but are not limited to, membership dues, tax sheltered annuities and group insurance premiums. With the exception of membership dues, the board shall not be required to make more than one remittance, of amounts deducted during a pay period, for a separate type of deduction. Health insurance, life insurance, and tax-sheltered annuities shall be interpreted as separate types of deductions. When amounts have been correctly deducted and remitted by the board, said board shall bear no further responsibility or liability for subsequent transaction.

Section 1. KRS 161.800 is amended to read as follows:

(1) When by reason of decreased enrollment of pupils, [~~or by reason of suspension of schools or~~] territorial changes affecting the *school* district *or by reason of other causes not related to teacher performance*, a board of education decides that it will be necessary to reduce the number of teachers, it shall have full authority to make reasonable reduction. But, in making such reduction, the board shall proceed to suspend contracts in accordance with the recommendation of the superintendent of schools who shall[~~, within each teaching field affected,~~] give preference to teachers [~~on continuing contracts and to teachers~~] who have greater seniority *and who shall permit teachers affected to displace those with lesser seniority if the teacher affected is certified under KRS 161.020 to 161.120 to teach or serve in a position held by a teacher with lesser*

seniority. Such recommendation procedure shall require the contracts of teachers with least seniority to be suspended except in cases where a teacher does not hold certification permitting displacement of a teacher with lesser seniority.

(2) (a) Teachers whose [~~continuing~~] contracts are suspended shall have the right of restoration *to the contract status held prior to suspension* [~~in continuing service status~~] in the order of *greatest* seniority [~~of service in the district~~] if and when teaching positions become vacant or are created for which any of such teachers *hold certification at the time of such restoration* [~~are or become qualified~~].

If the teacher fails to notify the school district within twenty (20) calendar days or if the teacher advises in writing that he will not return to the teaching position, the contract of the teacher shall terminate.

(3) In cases where the seniority of teachers is equal, the board of education shall adopt a tie breaking procedure which will give each teacher a position on the school district seniority list. The tie breaking procedure shall be objective and shall not take into consideration the factors of age, sex, race, residence, test scores, evaluations or the alphabet.

(4) A current seniority list shall be maintained by each school district. The seniority list is a public record according to the provisions of KRS 61.870 to 61.884, and shall not be excluded from inspection under KRS 61.878. The seniority list shall contain the name, areas of certification, and ranking by seniority for each teacher plus the same information for teachers whose contracts have been suspended.

Section 2. KRS 161.810 is amended to read as follows:

If an entire school district or [~~that~~] part of a school district [~~which comprises the territory in which a school or schools are situated~~] is *merged or consolidated with* [~~transferred to~~] any other district, [~~or if the schools in an independent or county school district are consolidated or centralized,~~] the teachers in such *merged or* consolidated *districts shall hold the same contract status as they held immediately prior to merger or consolidation* [~~or centralized schools employed on continuing contracts immediately prior to such transfer, consolidation, or centralization shall, subject to the limitations imposed by KRS 161.800, have continuing service status in the newly centralized or consolidated school, or in the district to which the territory is transferred~~]. *Teachers employed in the affected school districts immediately prior to merger or consolidation shall be employes of the school district formed by the consolidation or merger and the seniority lists of each former district shall be combined. If it is necessary to suspend teaching contracts in the newly formed school district, the procedures set forth in KRS 161.800 shall be followed.*

The allotments of classroom

1. An average daily attendance of six and nine-tenths (6.9) in 1978-79 and eight and four-tenths (8.4) in 1979-80 shall be deducted for each vocational unit allotted; and

2. An average daily attendance of five and one-tenth (5.1) in 1978-79 and six and three-tenths (6.3) in 1979-80 shall be deducted for each exceptional children's unit allotted.

(b) If a local school district through its admission and release committee determines that an appropriate program in the least restrictive environment for a particular handicapped child includes either part-time or full-time enrollment with a private school or agency within the state or a public or private agency in another state, then the school district shall count this as average daily attendance in a public school the time that such child is in attendance at such school or agency, contingent upon approval by the state superintendent of public instruction and pursuant to KRS 158.130.

(c) Pupils attending a center for child learning and study established under an agreement pursuant to KRS 65.210 through 65.300 shall, for the purpose of calculating average daily attendance, be considered as in attendance in the school district in which the child legally resides and which is party to the agreement. (3) Allotments of classroom units except those allotted in accordance with subsection (4) of this section, shall be increased when the average daily attendance in grades one (1) through twelve (12) in any district for the first two (2) months of the current school year is greater than the average daily attendance of the district in grades one (1) through twelve (12) for the first two (2) months of the previous school year. The total number of classroom units allotted the district shall be increased by the percent of increase.

(4) If the percentage of attendance of any school district shall have been reduced more than two percent (2%) during the previous school year, the number of classroom units allotted the district, except those allotted in accordance with subsection (3) of this section, for the current school year shall be increased by the difference in the percentage of attendance for the two (2) years immediately prior to the current school year less two percent (2%).

The pro rata amount shall be calculated by dividing the district's average salary allotted for 185 days plus the current expense and capital outlay allotment per classroom unit by the maximum number of pupils required by regulations for the pupil's specific type of classroom unit.

(b) The superintendent of public instruction shall limit approval of additional private agencies for participation in state funding for the above cited program to those funds appropriated for this purpose in each biennial budget.

(7) (a) In allotting classroom units for administrative and special instructional services, the total number of classroom units allotted in subsections (2), (10) and (12) plus subsections (5) and (6) before July 1,

(8) In allotting classroom units for supervisors of instruction, one-half (1/2) of a classroom unit shall be allotted each district which is allotted twenty-five (25) through forty-nine and nine-tenths (49.9) classroom units under subsections (2), (5), (6), (10) and (12); one (1) unit shall be allotted each district which is allotted fifty (50) to one hundred (100) classroom units, one (1) unit shall be allotted for each one hundred (100) classroom units, or major fraction thereof, in districts allotted more than one hundred (100) classroom units under these subsections.

Such tests may be administered in the field to a person suspected of violation of Section 1 of this Act before the person is arrested. This test may be administered in addition to any other blood alcohol level test authorized by law. A person's refusal to take a preliminary breath test shall not be used against him in a court of law or in any administrative proceeding.

(2) Law enforcement agencies may record on film or video tape or by other visual and audible means field sobriety tests administered at the scene of an arrest for violation of Section 1 of this Act or such tests at a police station, jail, or other suitable facility subject to the following conditions:

(c) Perjury or the making of a false affidavit under KRS 186.400 to 186.640 or any law requiring the registration of motor vehicles or regulating their operation on highways.

(d) Any felony in the commission of which a motor vehicle is used.

(e) Conviction or forfeiture of bail upon three (3) charges of reckless driving within the preceding twelve (12) months.

(f) Conviction of driving a motor vehicle involved in an accident and failing to stop and disclose his identity at the scene of the accident.

(g) Conviction of theft of a motor vehicle or any of its parts, including the conviction of any person under the age of eighteen (18) years.

(2) If the person convicted of any offense named in subsection (1) is not the holder of a license, the cabinet shall deny the person so convicted a license for the same period of time as though he had possessed a license which had been revoked. If through an inadvertence the defendant should be issued a license, the cabinet shall forthwith cancel it.

(3) The cabinet upon receiving a record of the conviction of any person upon a charge of operating a motor vehicle while the license of that person is denied or suspended, or revoked, or while his privilege to operate a motor vehicle is withdrawn, shall immediately extend the period of the first denial, suspension, revocation or withdrawal for an additional like period.

(4) The revocation or denial of a license or the withdrawal of the privilege of operating a motor vehicle under this section shall be for a period of six (6) months, except that, if the same person has had one (1) previous conviction of any offense enumerated in subsection (1) of this section, regardless of whether the person's license was revoked because of the previous conviction, the period of the revocation, denial or withdrawal shall be one (1) year; if the person has had more than one (1) previous conviction of the offenses considered collectively as enumerated in subsection (1) of this section, regardless of whether the person's license was revoked for any previous conviction, the period of revocation, denial or withdrawal shall be for not less than two (2) years. Provided, however, the cabinet, upon receipt of the written recommendation of the court in which any person has been convicted of violating KRS 189.520*(1)*[~~(2)~~], who has had no previous conviction of said offense, that said person's operator's license shall not be revoked, restricts said person's operator's license according to such terms and conditions as the secretary in his discretion may require, provided said person has enrolled in such driver's education program as the cabinet shall require. In the event said person fails to satisfactorily complete said driver's education program or violates the restrictions on his operator's license, the cabinet shall forthwith revoke said operator's license for a period of six (6) months.

(5) Persons convicted of a first offense violation of Section 1 of this Act may elect to attend the driver improvement program established by this section and no other. Attendance at the school shall not permit the retention of the operator's license. Successful completion of the school shall reduce the period of operator's license suspension from six (6) months to thirty (30) days as specified in Section 7(1)(a) of this Act.

(6) License suspensions and revocations under Sections 6, 7, and 8 of this Act shall be in addition to any other license revocation authorized by law or regulation. The powers of the transportation cabinet to revoke a license or lengthen the period of revocation shall not be affected by this Act.

(7) In order to secure the reinstatement of a license to operate a motor vehicle or motorcycle restored following a period of suspension or revocation pursuant to Sections 6, 7, and 8 of this Act the person whose license is suspended or revoked shall comply with the fees and other procedures of the transportation cabinet with regard to the reinstatement of suspended or revoked licenses.

Section 15. KRS 186.565 is amended to read as follows:

(1) Any person who operates a motor vehicle in this state is deemed to have given his consent to a [~~chemical~~] test of his blood, breath, urine or saliva for the purpose of determining the alcoholic content of his blood, if arrested for any offense arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages *or other substances which may impair one's driving ability.* The test shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages *or other substance which may impair one's driving ability.* The law enforcement agency by which the officer is employed shall designate which of the aforesaid tests shall be administered, and provide necessary equipment. The state shall provide one (1) breathalizer and simulating unit for each county, paid for by state funds. *Only operators who have successfully completed forty (40) hours of training in the operation of breath test instruments in a training program certified by the traffic safety program of the college of law enforcement, Eastern Kentucky University, shall be permitted to administer tests with breath test instruments. Every operator shall be required to successfully complete a refresher training course every three (3) years.*

(2) Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section and the test may be given.

(3) If a person under arrest refuses upon the request of a law enforcement officer to submit to a [~~chemical~~] test designated by the law enforcement agency as provided in subsection (1) of this section, the requesting officer shall warn the person of the effect of his refusal to submit to the test. If the person again refuses, none shall be given, but the transportation cabinet, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages, *or other substances which may impair one's driving ability* that the person refused to submit to the test upon the request of the law enforcement officer, and that the person again refused to submit to the test after the law enforcement officer warned him of the effect of his refusal, the cabinet shall immediately serve notice upon said person in writing by mailing the notice to the person by certified mail to the last known residence address of the person or if the address is unknown, to the last known business address of the person to appear before the secretary or his duly authorized agent and show cause why his license to operate a motor vehicle, or if said person is a nonresident his privilege to operate a motor vehicle within this state should not be revoked; or if the person is a resident without a license or permit to operate a motor vehicle in this state why that person should not be denied the issuance of a license or permit. The hearing shall be scheduled as early as practical but not sooner than ten (10) days after the issuance of the notice and at a time and place designated by the secretary.

(4) For the purpose of the hearing, held in accordance with the order to show cause, the secretary may appoint an examiner who shall have the power to preside at the hearing. Upon the hearing the secretary or his duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. The scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages *or other substances which may impair one's driving ability,* whether the person was placed under arrest, and whether he refused to submit to the test upon request of the officer. All testimony at the hearing shall be recorded. The secretary's ruling shall include a statement of the findings of fact, rulings of law and other matters pertinent to the question at issue. The secretary within ten (10) days after the completion of the hearing shall order either: that the person's license to operate a motor vehicle, or, if the person is a nonresident, his privilege to operate a motor vehicle within this state be revoked for a period of not more than six (6) months or if the person is a resident without such license that there should be a denial of issuance of a license for a period of not more than six (6) months; or that no action be taken regarding said person's privilege to operate a motor vehicle. The secretary shall immediately notify the person of his ruling in writing by certified mail. If the person shall fail to attend the show cause hearing without good cause shown

the secretary shall forthwith revoke the person's license or privilege to operate a motor vehicle or deny issuance of a permit or operator's license.

(5) If the revocation or determination that there should be a denial of issuance is sustained after the hearing, the person whose license or permit to drive or nonresident operating privilege has been revoked, or to whom a license or permit is denied, under the provisions of this section, may file a petition in the circuit court of the county in which the person resides or in the circuit court of the county in which the alleged offense was committed or in Franklin Circuit Court to review the final order of revocation or denial by the secretary within twenty (20) days after the final order has been issued. The perfected appeal suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected. The transportation cabinet shall file with its answer a copy of the secretary's ruling and a transcript of evidence. The court's review is limited to whether the secretary's ruling is supported by substantial evidence and whether his action is arbitrary or capricious. An appeal to the Court of Appeals suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected.

(6) When it has been finally determined that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the cabinet shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he has a license. The provisions of this section shall not apply to a person who refuses to submit to a [~~chemical~~] test of his blood, breath, urine or saliva if that person has enrolled in a driver's education program under the terms and conditions of KRS 186.560(4) and rules and regulations adopted thereunder.

(7) Any person who has had no previous conviction for violation of KRS 189.520 and who has refused to submit to a [~~chemical~~] test of his blood, breath, urine, or saliva may apply to a district court of competent jurisdiction for permission to enter a driver's education program as provided pursuant to KRS 186.560. If he is permitted by the court to enter the program he shall be subject to the same terms and conditions as any other person entering the program. The cabinet shall suspend the license for six (6) months of any person participating in such program if he fails to satisfactorily complete such driver's education program.

Section 16. KRS 186.574 is amended to read as follows:

(1) The transportation cabinet shall establish a driver improvement program *for new drivers and* for traffic offenders. The program shall be composed of uniform education and training elements designed to create a lasting and corrective influence on the driving performance of traffic offenders. District courts may in lieu of assessing penalties for traffic offenses, *other than for Section 1 of this Act*, sentence offenders to said driver improvement program and no other.

(2) Whenever any district court stipulates in its judgment of conviction that a person attend a driver improvement program, the court shall so indicate in the space provided on the abstract of conviction filed with the administrative office of the courts. Upon receipt of such abstract, the administrative office of the courts, or its representative, shall forthwith schedule such person to attend a driver improvement program. Failure of such person to attend and satisfactorily complete a driver improvement program in compliance with the court order, may be punished as contempt of the sentencing court.

(3) The transportation cabinet shall supervise, operate and administer said driver improvement program, and shall promulgate such regulations as are necessary relating to facilities, equipment, courses of instruction, instructors and records of the program. In the event a person sentenced under subsection (1) of this section does not attend or satisfactorily complete the prescribed driver improvement program, the administrative office of the courts shall provide a report to the local district court responsible for the sentencing.

(4) Persons *participating in the* [~~sentenced to a~~] driver improvement program as provided in this section shall[~~, upon sentencing,~~] pay a fee of fifteen dollars ($15.00) to defray the cost of operating the program.

Section 17. KRS 189.520 is amended to read as follows:

(1) No person under the influence of intoxicating beverages or any *substance* [~~drug~~] which may impair one's driving ability shall operate a vehicle that is not a motor vehicle anywhere in this state.

(2) [~~No person shall operate a motor vehicle anywhere in this state while under the influence of intoxicating beverages or any drug which may impair one's driving ability.~~

~~(3)~~] No peace officer or state police officer shall fail to enforce rigidly this section *and Sections 1 through 10 of this Act.*

(3)[~~(4)~~] In any criminal prosecution for a violation of *Section 1 of this act or subsection (1)* [~~subsections (1) and (2)~~] of this section, wherein the defendant is charged with having operated a vehicle while under the influence of intoxicating beverages, the amount of alcohol in the defendant's blood as determined at the time of making *an* [~~a chemical~~] analysis of his blood, urine, breath or other bodily substance, shall give

rise to the following presumptions:

(a) If there was 0.05 percent (5/100%) or less by weight of alcohol in such blood, it shall be presumed that the defendant was not under the influence of intoxicating beverages;

(b) If there was more than 0.05 percent (5/100%), but less than 0.10 percent by weight of alcohol in such blood, such fact shall not constitute a presumption that the defendant either was or was not under the influence of intoxicating beverages, but such fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant;

(c) If there was 0.10 percent (1/10%) or more by weight of alcohol in such blood, it shall be presumed that the defendant was under the influence of intoxicating beverages.

(4)[~~(5)~~] The provisions of subsection *(3)* [~~(4)~~] of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether the defendant was under the influence of intoxicating beverages.

(5)[~~(6)~~] No person may be compelled to submit to any test specified in subsection *(3)* [~~(4)~~] of this section, but his refusal to submit to such test shall result in revocation of his license as provided in KRS 186.565(3).

(6)[~~(7)~~] Only a physician, registered nurse or qualified medical technician, duly licensed in Kentucky, acting at the request of the arresting officer can withdraw any blood of any person submitting to a [~~chemical~~] test under this section or KRS 186.565.

(7)[~~(8)~~] The person tested shall be permitted to have a duly licensed physician of his own choosing administer a [~~chemical~~] test in addition to the one administered at the direction of the police officer.

Section 18. KRS 189.530 is amended to read as follows:

No person shall *provide* [~~let~~] a motor vehicle to another to operate upon a highway, knowing that the other person is in an intoxicated condition, or under the influence of *any substance which may impair one's driving ability* [~~drugs~~].

Section 19. KRS 189.990 is amended to read as follows:

(a) Who has committed a public offense, except a moving motor vehicle offense, involving a child sixteen (16) years of age or older. The court shall not have jurisdiction in any prosecution of a moving motor vehicle offense involving a child sixteen (16) years of age or older. Juvenile offenders sixteen (16) years of age or older accused of moving motor vehicle offenses shall be treated as any adult offender *except that a juvenile offender accused or who pleads guilty to or is convicted of a motor vehicle offense shall be placed in a jail or other place of detention for adults, except in a room or ward entirely separate from adult prisoners*; provided, however, that the term "moving motor vehicle offense" shall not be deemed to include the offense of stealing or converting a motor vehicle nor operating the same without the owner's consent, nor any offense which constitutes a felony; or

(b) Who does not subject himself to the reasonable control of his parents, teacher, guardian or custodian, by reason of being wayward or habitually disobedient; or

(c) Who is an habitual truant from home or from school; or

(d) Who is found by the court to be dependent, neglected, or abused.

(2) The court of each county wherein a public offense, as defined in paragraph (a) of subsection (1) of this section, is committed by a child who is a resident of another county of this state, shall have concurrent jurisdiction over such child with the court of the county wherein the child resides, or the court of the county where the child is found. Whichever court first acquires jurisdiction of such child may proceed to final disposition of his case, or, in its discretion may make an order transferring the case to the court of the county of his residence, or the county wherein the offense was committed, as the case may be.

(3) The court of each county shall have exclusive jurisdiction of persons charged with violations of KRS 530.060 and 530.070.

(4) No person shall willfully and unnecessarily expose to the inclemency of the weather, or in any other manner willfully injure in health or limb any child actually or apparently under the age of sixteen (16) years. (7) Nothing in this chapter shall deprive other courts of the jurisdiction to determine the custody or guardianship of children upon writs of habeas corpus, or to determine the custody or guardianship of children when such custody or guardianship is incidental to the determination of other causes pending in such other courts; nor shall anything in this chapter affect the jurisdiction of circuit courts over adoptions and proceedings for termination of parental rights. The juvenile session of district court shall have no jurisdiction to make permanent awards of custody of a child, but if the court finds an emergency to exist affecting the welfare of a child, it may make temporary orders for its custody, pending the outcome of proceedings in circuit court to determine its permanent custody. Such orders shall be entirely without prejudice to the proceedings for permanent custody of the child, and shall remain in effect until modified or set aside by the court. Upon the entry of a temporary or final judgment in the circuit court, awarding custody of such child, all prior orders of the juvenile session of district court in conflict therewith shall be deemed canceled.

(8) Actions brought under subsection (1)(a) of this section shall be considered to be delinquency actions.

Acts which, but for the insanity or mental irresponsibility or lack of capacity of the perpetrator, would constitute criminal conduct shall be deemed to be criminally injurious conduct. The operation of a motor vehicle, motorcycle, train, boat, aircraft or other vehicle in violation of law does not constitute a criminally injurious conduct unless the injury or death was intentionally inflicted *or involved a violation of Section 1 of this Act.*

(2) Any peace officer may arrest without warrant when he has *probable cause* [~~reasonable grounds~~] to believe that if the person is not arrested he will present a danger or threat of danger to others if not immediately restrained and in addition he has probable cause for believing that said person has intentionally or wantonly caused physical injury to his spouse, parent, grandparent, child, or stepchild. Within twelve (12) hours following apprehension and booking of a person arrested under this section, an officer shall return to the abused person, if the abused person is an adult, and request that a signed, written statement be made by the abused person stating that an abuse occurred and the person who committed it. If the abused person refuses to sign the statement, the charges shall be summarily dismissed and the defendant released from custody.

(3) For purposes of subsection (2) of this section a "peace officer" is a full-time sworn officer of the Kentucky state police, a full-time city policeman, a full-time county policeman, a full-time city-county policeman, a duly elected sheriff, or a full-time paid deputy sheriff.

A guaranteed arrest bond certificate so presented as a bail bond is subject to the same forfeiture and enforcement provisions as a bail bond or cash bail, but is not subject to Rules 4.30 and 4.34 of the Kentucky Rules of Criminal Procedure. However:

(a) The violation must have been committed prior to the expiration date shown on the guaranteed arrest bond certificate, and

(b) A guaranteed arrest bond certificate may not be accepted when a person is arrested for violation of *Section 1 of this Act* [~~subsection (2) of KRS 189.520~~] or KRS Chapter 281.

The citation shall provide that the defendant shall appear within a designated time.

(2) A peace officer may issue a citation instead of making an arrest for a violation committed in his presence but may not make a physical arrest unless there are reasonable grounds to believe that the defendant, if a citation is issued, will not appear at the designated time or unless the offense charged is a violation of KRS 189.290, 189.393, 189.520, 189.580, 511.080, or 525.070 committed in his presence *or a violation of Section 1 of this Act, not committed in his presence, for which an arrest without a warrant is permitted under KRS 431.005(1)(e).*

(3) If the defendant fails to appear in response to the citation, or if there are reasonable grounds to believe that he will not appear, a complaint may be made before a judge and a warrant shall issue.

(4) When a physical arrest is made and a citation is issued in relation to the same offense the officer shall mark on the citation, in the place specified for court appearance date, the word "ARRESTED" in lieu of the date of court appearance.

(c) Perjury or the making of a false affidavit under KRS 186.400 to 186.640 or any law requiring the registration of motor vehicles or regulating their operation on highways.

(d) Any felony in the commission of which a motor vehicle is used.

(f) Conviction of driving a motor vehicle involved in an accident and failing to stop and disclose his identity at the scene of the accident.

(g) Conviction of theft of a motor vehicle or any of its parts, including the conviction of any person under the age of eighteen (18) years.

(2) If the person convicted of any offense named in subsection (1) is not the holder of a license, the cabinet shall deny the person so convicted a license for the same period of time as though he had possessed a license which had been revoked. If through an inadvertence the defendant should be issued a license, the cabinet shall forthwith cancel it.

(3) The cabinet upon receiving a record of the conviction of any person upon a charge of operating a motor vehicle while the license of that person is denied or suspended, or revoked, or while his privilege to operate a motor vehicle is withdrawn, shall immediately extend the period of the first denial, suspension, revocation or withdrawal for an additional like period.

(4) The revocation or denial of a license or the withdrawal of the privilege of operating a motor vehicle under this section shall be for a period of six (6) months, except that, if the same person has had one

(1) previous conviction of any offense enumerated in subsection (1) of this section, regardless of whether the person's license was revoked because of the previous conviction, the period of the revocation, denial or withdrawal shall be one (1) year; if the person has had more than one (1) previous conviction of the offenses considered collectively as enumerated in subsection (1) of this section, regardless of whether the person's license was revoked for any previous conviction, the period of revocation, denial or withdrawal shall be for not less than two (2) years. Provided, however, the cabinet, upon receipt of the written recommendation of the court in which any person has been convicted of violating KRS 189.520*(1)*[~~(2)~~], who has had no previous conviction of said offense, that said person's operator's license shall not be revoked, restricts said person's operator's license according to such terms and conditions as the secretary in his discretion may require, provided said person has enrolled in such driver's education program as the cabinet shall require. In the event said person fails to satisfactorily complete said driver's education program or violates the restrictions on his operator's license, the cabinet shall forthwith revoke said operator's license for a period of six (6) months.

(5) Persons convicted of a first offense violation of Section 1 of this Act may elect to attend the driver's education program established by this section, or (at the option of the defendant) a licensed comprehensive care center education program, and no other. Attendance at the school shall not permit the retention of the operator's license. Successful completion of the school shall reduce the period of operator's license suspension from six (6) months to thirty (30) days as specified in Section 8(1)(a) of this Act.

(6) License suspensions and revocations under Sections 7, 8, and 9 of this Act shall be in addition to any other license revocation authorized by law or regulation. The powers of the transportation cabinet to revoke a license or lengthen the period of revocation shall not be affected by this Act.

Section 17. KRS 186.565 is amended to read as follows:

(1) Any person who operates a motor vehicle in this state is deemed to have given his consent to a [~~chemical~~] test of his blood, breath, urine or saliva for the purpose of determining the alcoholic content of his blood, if arrested for any offense arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages *or other substances which may impair one's driving ability*. The test shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages *or other substance which may impair one's driving ability*. The law enforcement agency by which the officer is employed shall designate which of the aforesaid tests shall be administered, and provide necessary equipment. The state shall provide one (1) breathalizer and simulating unit for each county, paid for by state funds.

(2) Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section and the test may be given.

(3) If a person under arrest refuses upon the request of a law enforcement officer to submit to a [~~chemical~~] test designated by the law enforcement agency as provided in subsection (1) of this section, the requesting officer shall warn the person of the effect of his refusal to submit to the test. If the person again refuses, none shall be given, but the transportation cabinet, upon the receipt of a sworn report of the law enforcement officer that he had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages, *or other substances which may impair one's driving ability* that the person refused to submit to the test upon the request of the law enforcement officer, and that the person again refused to submit to the test after the law enforcement officer warned him of the effect of his refusal, the cabinet shall immediately serve notice upon said person in writing by mailing the notice to the person by certified mail to the last known residence address of the person or if the address is unknown, to the last known business address of the person to appear before the secretary or his duly authorized agent and show cause why his license to operate a motor vehicle, or if said person is a nonresident his privilege to operate a motor vehicle within this state should not be revoked; or if the person is a resident without a license or permit to operate a motor vehicle in this state why that person should not be denied the issuance of a license or permit. The hearing shall be scheduled as early as practical but not sooner than ten (10) days after the issuance of the notice and at a time and place designated by the secretary.

(4) For the purpose of the hearing, held in accordance with the order to show cause, the secretary may appoint an examiner who shall have the power to preside at the hearing. Upon the hearing the secretary or his duly authorized agent may administer oaths and may issue subpoenas for the attendance of witnesses and the production of relevant books and papers and may require a reexamination of the licensee. The scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle in this state while under the influence of intoxicating beverages *or other substances which may impair one's driving ability*, whether the

person was placed under arrest, and whether he refused to submit to the test upon request of the officer. All testimony at the hearing shall be recorded. The secretary's ruling shall include a statement of the findings of fact, rulings of law and other matters pertinent to the question at issue. The secretary within ten (10) days after the completion of the hearing shall order either: that the person's license to operate a motor vehicle, or, if the person is a nonresident, his privilege to operate a motor vehicle within this state be revoked for a period of not more than six (6) months or if the person is a resident without such license that there should be a denial of issuance of a license for a period of not more than six (6) months; or that no action be taken regarding said person's privilege to operate a motor vehicle. The secretary shall immediately notify the person of his ruling in writing by certified mail. If the person shall fail to attend the show cause hearing without good cause shown the secretary shall forthwith revoke the person's license or privilege to operate a motor vehicle or deny issuance of a permit or operator's license.

(5) If the revocation or determination that there should be a denial of issuance is sustained after the hearing, the person whose license or permit to drive or nonresident operating privilege has been revoked, or to whom a license or permit is denied, under the provisions of this section, may file a petition in the circuit court of the county in which the person resides or in the circuit court of the county in which the alleged offense was committed or in Franklin Circuit Court to review the final order of revocation or denial by the secretary within twenty (20) days after the final order has been issued. The perfected appeal suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected. The transportation cabinet shall file with its answer a copy of the secretary's ruling and a transcript of evidence. The court's review is limited to whether the secretary's ruling is supported by substantial evidence and whether his action is arbitrary or capricious. An appeal to the Court of Appeals suspends the order of revocation pending a final determination of the review. If the final judgment of the court finds against the person appealing, the period of revocation is determined by taking into account the period of time during which the revocation was effective before the appeal was perfected.

(6) When it has been finally determined that a nonresident's privilege to operate a motor vehicle in this state has been revoked, the cabinet shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he has a license. The provisions of this section shall not apply to a person who refuses to submit to a [~~chemical~~] test of his blood, breath, urine or saliva if that person has enrolled in a driver's education program under the terms and conditions of KRS 186.560(4) and rules and regulations adopted thereunder.

(7) Any person who has had no previous conviction for violation of KRS 189.520 and who has refused to submit to a [~~chemical~~] test of his blood, breath, urine, or saliva may apply to a district court of competent jurisdiction for permission to enter a driver's education program as provided pursuant to KRS 186.560. If he is permitted by the court to enter the program he shall be subject to the same terms and conditions as any other person entering the program. The cabinet shall suspend the license for six (6) months of any person participating in such program if he fails to satisfactorily complete such driver's education program.

Section 18. KRS 186.574 is amended to read as follows:

(1) The transportation cabinet shall establish a driver improvement program *for new drivers and* for traffic offenders. The program shall be composed of uniform education and training elements designed to create a lasting and corrective influence on the driving performance of traffic offenders. District courts may in lieu of assessing penalties for traffic offenses, *other than for Section 1 of this Act,* sentence offenders to said driver improvement program and no other.

(2) Whenever any district court stipulates in its judgment of conviction that a person attend a driver improvement program, the court shall so indicate in the space provided on the abstract of conviction filed with the administrative office of the courts. Upon receipt of such abstract, the administrative office of the courts, or its representative, shall forthwith schedule such person to attend a driver improvement program. Failure of such person to attend and satisfactorily complete a driver improvement program in compliance with the court order, may be punished as contempt of the sentencing court.

(3) The transportation cabinet shall supervise, operate and administer said driver improvement program, and shall promulgate such regulations as are necessary relating to facilities, equipment, courses of instruction, instructors and records of the program. In the event a person sentenced under subsection (1) of this section does not attend or satisfactorily complete the prescribed driver improvement program, the administrative office of the courts shall provide a report to the local district court responsible for the sentencing.

(4) Persons *participating in the* [~~sentenced to a~~] driver improvement program as provided in this section shall[~~, upon sentencing,~~] pay a fee of fifteen dollars ($15.00) to defray the cost of operating the program.

Section 19. KRS 189.520 is amended to read as follows:

(1) No person under the influence of intoxicating beverages or any *substance* [~~drug~~] which may impair

one's driving ability shall operate a vehicle that is not a motor vehicle anywhere in this state.

~~(3)~~] No peace officer or state police officer shall fail to enforce rigidly this section *and Sections 1 through 10 of this Act.*

(3)[~~(4)~~] In any criminal prosecution for a violation of *Section 1 of this act or subsection (1)* [~~subsections (1) and (2)~~] of this section, wherein the defendant is charged with having operated a vehicle while under the influence of intoxicating beverages, the amount of alcohol in the defendant's blood as determined at the time of making *an* [~~a chemical~~] analysis of his blood, urine, breath or other bodily substance, shall give rise to the following presumptions:

(a) If there was 0.05 percent (5/100%) or less by weight of alcohol in such blood, it shall be presumed that the defendant was not under the influence of intoxicating beverages;

(b) If there was more than 0.05 percent (5/100%), but less than 0.10 percent by weight of alcohol in such blood, such fact shall not constitute a presumption that the defendant either was or was not under the influence of intoxicating beverages, but such fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant;

(c) If there was 0.10 percent (1/10%) or more by weight of alcohol in such blood, it shall be presumed that the defendant was under the influence of intoxicating beverages.

(4)[~~(5)~~] The provisions of subsection *(3)* [~~(4)~~] of this section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether the defendant was under the influence of intoxicating beverages.

(5)[~~(6)~~] No person may be compelled to submit to any test specified in subsection *(3)* [~~(4)~~] of this section, but his refusal to submit to such test shall result in revocation of his license as provided in KRS 186.565(3).

(6)[~~(7)~~] Only a physician, registered nurse or qualified medical technician, duly licensed in Kentucky, acting at the request of the arresting officer can withdraw any blood of any person submitting to a [~~chemical~~] test under this section or KRS 186.565.

(7)[~~(8)~~] The person tested shall be permitted to have a duly licensed physician of his own choosing administer a [~~chemical~~] test in addition to the one administered at the direction of the police officer.

Section 20. KRS 189.530 is amended to read as follows:

No person shall *provide* [~~let~~] a motor vehicle to another to operate upon a highway, knowing that the other person is in an intoxicated condition, or under the influence of *any substance which may impair one's driving ability* [~~drugs~~].

Section 22. KRS 208.020 is amended to read as follows:

(1) The juvenile session of the district court of each county shall have exclusive jurisdiction in proceedings concerning any child living, or found within the county who has not reached his eighteenth birthday or of any person who at the time of committing a public offense was under the age of eighteen (18) years:

(a) Who has committed a public offense, except a moving motor vehicle offense, involving a child sixteen (16) years of age or older. The court shall not have jurisdiction in any prosecution of a moving motor vehicle offense involving a child sixteen (16) years of age or older. Juvenile offenders sixteen (16) years of age or older accused of moving motor vehicle offenses shall be treated as any adult offender *except that a juvenile offender accused or who pleads guilty to or is convicted of a motor vehicle offense shall be placed in a jail or other place of detention for adults, except in a room or ward entirely separate from adult prisoners*; provided, however, that the term "moving motor vehicle offense" shall not be deemed to include the offense of stealing or converting a motor vehicle nor operating the same without the owner's consent, nor any offense which constitutes a felony; or

(b) Who does not subject himself to the reasonable control of his parents, teacher, guardian or custodian, by reason of being wayward or habitually disobedient; or

(c) Who is an habitual truant from home or from school; or

(d) Who is found by the court to be dependent, neglected, or abused.

(2) The court of each county wherein a public offense, as defined in paragraph (a) of subsection (1) of this section, is committed by a child who is a resident of another county of this state, shall have concurrent jurisdiction over such child with the court of the county wherein the child resides, or the court of the county where the child is found. Whichever court first acquires jurisdiction of such child may proceed to final disposition of his case, or, in its discretion may make an order transferring the case to the court of the county of his residence, or the county wherein the offense was committed, as the case may be.

(3) The court of each county shall have exclusive jurisdiction of persons charged with violations of KRS 530.060 and 530.070.

(4) No person shall willfully and unnecessarily expose to the inclemency of the weather, or in any other manner willfully injure in health or limb any child actually or apparently under the age of sixteen (16) years. The juvenile session of district court shall have exclusive jurisdiction of persons who violate this subsection.

(5) No person shall for gain or reward employ or cause to be employed, or exhibit, use, or have in his custody for the purpose of exhibiting, or employing, any child actually or apparently under the age of sixteen (16) years, nor shall any person having the care, custody, or control of such child, in any way procure, or consent for gain or reward, to the employment or exhibition of such child, either:

(a) In begging or receiving alms, or in any mendicant occupation;

(b) If the child is a female, in peddling or in any wandering occupation;

(c) In any indecent or immoral occupation or practice;

(d) In the exhibition of any such child when insane, or idiotic; or

(e) In any practice or exhibition of unusual danger to life, limb, health or morals of the child.

The juvenile session of district court shall have exclusive jurisdiction of persons who violate this subsection.

(6) Any person, over whom the court has jurisdiction under subsections (3), (4) or (5) of this section, shall be entitled to a trial by jury.

(7) Nothing in this chapter shall deprive other courts of the jurisdiction to determine the custody or guardianship of children upon writs of habeas corpus, or to determine the custody or guardianship of children when such custody or guardianship is incidental to the determination of other causes pending in such other courts; nor shall anything in this chapter affect the jurisdiction of circuit courts over adoptions and proceedings for termination of parental rights. The juvenile session of district court shall have no jurisdiction to make permanent awards of custody of a child, but if the court finds an emergency to exist affecting the welfare of a child, it may make temporary orders for its custody, pending the outcome of proceedings in circuit court to determine its permanent custody. Such orders shall be entirely without prejudice to the proceedings for permanent custody of the child, and shall remain in effect until modified or set aside by the

court. Upon the entry of a temporary or final judgment in the circuit court, awarding custody of such child, all prior orders of the juvenile session of district court in conflict therewith shall be deemed canceled.

(8) Actions brought under subsection (1)(a) of this section shall be considered to be delinquency actions.

(9) Actions brought under subsection (1)(b) and (c) of this section shall be considered to be status actions.

(10) Actions brought under subsection (1)(d) of this section shall be considered to be dependency actions.

(3) "Criminally injurious conduct" means conduct that occurs or is attempted in this jurisdiction, poses a substantial threat of personal injury or death, and is punishable by fine, imprisonment or death. Acts which, but for the insanity or mental irresponsibility or lack of capacity of the perpetrator, would constitute criminal conduct shall be deemed to be criminally injurious conduct. The operation of a motor vehicle, motorcycle, train, boat, aircraft or other vehicle in violation of law does not constitute a criminally injurious conduct unless the injury or death was intentionally inflicted *or involved a violation of Section 1 of this Act*.

(4) "Family," when used with reference to a person, shall mean:

(a) Any person related to such person within the third degree of consanguinity;

(b) Any person maintaining a sexual relationship with such person; or

(c) Any person residing in the same household with such person.

(5) "Victim" means a resident of this state or the resident of a reciprocal state, who suffers personal injury or death from a criminal act in Kentucky as a result of:

Section 24. KRS 431.005 is amended to read as follows:

(1) A peace officer may make an arrest:

(a) In obedience to a warrant; or

(b) Without a warrant when a felony is committed in his presence; or

(c) Without a warrant when he has *probable cause* [~~reasonable grounds~~] to believe that the person being arrested has committed a felony; or

(d) Without a warrant when a misdemeanor, as defined in KRS 431.060, has been committed in his presence; or

(e) Without a warrant when a violation of KRS 189.290, 189.393, 189.520, 189.580, 511.080, or 525.070 has been committed in his presence, *except that a violation of Section 1 of this Act need not be committed in his presence in order to make an arrest without a warrant if the officer has probable cause to believe that the person has violated Section 1 of this Act.*

(2) Any peace officer may arrest without warrant when he has *probable cause* [~~reasonable grounds~~] to believe that if the person is not arrested he will present a danger or threat of danger to others if not immediately restrained and in addition he has probable cause for believing that said person has intentionally or wantonly caused physical injury to his spouse, parent, grandparent, child, or stepchild. Within twelve (12) hours following apprehension and booking of a person arrested under this section, an officer shall return to the abused person, if the abused person is an adult, and request that a signed, written statement be made by the abused person stating that an abuse occurred and the person who committed it. If the abused person refuses to sign the statement, the charges shall be summarily dismissed and the defendant released from custody.

(3) For purposes of subsection (2) of this section a "peace officer" is a full-time sworn officer of the Kentucky state police, a full-time city policeman, a full-time county policeman, a full-time city-county policeman, a duly elected sheriff, or a full-time paid deputy sheriff.

(4) A private person may make an arrest when a felony has been committed in fact and he has *probable cause* [~~reasonable grounds~~] to believe that the person being arrested has committed it.

Section 25. KRS 431.021 is amended to read as follows:

(1) A guaranteed arrest bond certificate presented by the person whose signature appears thereon shall be accepted in lieu of cash bail in an amount not to exceed two hundred dollars ($200) as a bail bond to guarantee the appearance of such person in any court of this Commonwealth, at the time required by such court, when he is arrested for violation of any law of this Commonwealth or traffic ordinance of any municipality therein relating to the operation of a motor vehicle. A guaranteed arrest bond certificate so

presented as a bail bond is subject to the same forfeiture and enforcement provisions as a bail bond or cash bail, but is not subject to Rules 4.30 and 4.34 of the Kentucky Rules of Criminal Procedure. However:

(a) The violation must have been committed prior to the expiration date shown on the guaranteed arrest bond certificate, and

(b) A guaranteed arrest bond certificate may not be accepted when a person is arrested for violation of *Section 1 of this Act* [~~subsection (2) of KRS 189.520~~] or KRS Chapter 281.

(2) As used in this section, "guaranteed arrest bond certificate" means a printed card or other certificate issued by an association to any of its members, which is signed by the member and contains a printed statement that such association and a surety company licensed to do business in this Commonwealth:

(a) Guarantee the appearance of the person whose signature appears on the card or certificate, and

(b) Will, in the event of the failure of such person to appear in court at the time set for appearance, pay any fine or forfeiture imposed upon such person in an amount not to exceed two hundred dollars ($200).

Section 26. KRS 431.015 is amended to read as follows:

(1) A peace officer may issue a citation instead of making an arrest for a misdemeanor committed in his presence, if there are reasonable grounds to believe that the person being cited will appear to answer the charge. The citation shall provide that the defendant shall appear within a designated time.

(2) A peace officer may issue a citation instead of making an arrest for a violation committed in his presence but may not make a physical arrest unless there are reasonable grounds to believe that the defendant, if a citation is issued, will not appear at the designated time or unless the offense charged is a violation of KRS 189.290, 189.393, 189.520, 189.580, 511.080, or 525.070 committed in his presence *or a violation of Section 1 of this Act, not committed in his presence, for which an arrest without a warrant is permitted under KRS 431.005(1)(e).*

(3) If the defendant fails to appear in response to the citation, or if there are reasonable grounds to believe that he will not appear, a complaint may be made before a judge and a warrant shall issue.

(4) When a physical arrest is made and a citation is issued in relation to the same offense the officer shall mark on the citation, in the place specified for court appearance date, the word "ARRESTED" in lieu of the date of court appearance.

Section 27. KRS 507.020 is amended to read as follows:

(1) A person is guilty of murder when:

(a) With intent to cause the death of another person, he causes the death of such person or of a third person; except that in any prosecution a person shall not be guilty under this subsection if he acted under the influence of extreme emotional disturbance for which there was a reasonable explanation or excuse, the reasonableness of which is to be determined from the viewpoint of a person in the defendant's situation under the circumstances as the defendant believed them to be. However, nothing contained in this section shall constitute a defense to a prosecution for or preclude a conviction of manslaughter in the first degree or any other crime; or

(b) *Including, but not limited to, the operation of a motor vehicle* under circumstances manifesting extreme indifference to human life, he wantonly engages in conduct which creates a grave risk of death to another person and thereby causes the death of another person.

(2) Murder is a capital offense.

Section 28. KRS 507.040 is amended to read as follows:

(1) A person is guilty of manslaughter in the second degree when, *including, but not limited to, the operation of a motor vehicle,* he wantonly causes the death of another person.

(2) Manslaughter in the second degree is a Class C felony.

(5) A respondent who has filed an answer or whose default in answering has been set aside for good cause shown may appear at the hearing, may examine and cross-examine witnesses and the complainant, and may offer evidence. Floor Amendment No. 1 to **HB 146**, by Representative Pearman:

Amend printed copy of **HB 146** on page 4, after line 18, by adding the following:

"Section 2. KRS 341.281 is amended to read as follows:

(1) Each nonprofit organization that has elected to make payments in lieu of contributions under KRS 341.275 shall pay to the department for the fund the amount of regular benefits plus the amount of one-half (1/2) of extended benefits paid that are attributable to service performed in covered employment in the employ of such nonprofit employer. Each governmental entity that has elected to make payments in lieu of contributions under the provisions of KRS 341.277 shall pay to the department for the fund the amount of all regular benefits plus all extended benefits paid for compensable weeks occurring after January 1, 1979 attributable to service performed in covered employment. *If benefits paid to an individual are based on wages paid by more than one (1) employer and one (1) or more employers are liable for payments in lieu of contributions, the amount payable to the fund by each employer that is liable for such payments shall be determined in accordance with the provisions of subsection (2) or (3) of this section.*

(2) If benefits paid to an individual are based on wages paid by one (1) or more employers that are liable for payments in lieu of contributions and on wages paid by one (1) or more employers who are liable for contributions, the amount of benefits payable by each employer that is liable for payments in lieu of contributions shall be an amount which bears the same ratio to the total benefits paid to the individual as the

total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of his base period employers.

(3) If benefits paid to an individual are based on wages paid by two (2) or more employers that are liable for payments in lieu of contributions, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of his base period employers.

(4)[~~(2)~~] Two (2) or more employers that have become liable for payments in lieu of contributions, in accordance with the provisions of KRS 341.275, may file a joint application to the secretary for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subsection. Upon his approval of the application, the secretary shall establish a group account for such employers effective as of the beginning of the calendar quarter in which he receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than two years and thereafter until terminated at the discretion of the secretary or upon application by the group. Upon establishment of the account, each member of the group shall be jointly and severally liable for payment to the fund in lieu of contributions with respect to each calendar quarter in an amount equal to the total benefits paid in such quarter that are attributable to service performed in the employ of any or all members of the group. The secretary shall prescribe such procedures as he deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subsection, for addition of new members to, and withdrawal of active members from, such accounts, and for the determination of the amounts that are payable under this subsection and the time and manner of such payments.

(5)[~~(3)~~] Two (2) or more governmental entities that have become liable for payment in lieu of contributions, in accordance with the provisions of KRS 341.277, may file a joint application to the secretary for the establishment of a group account of governmental entities subject to all of the provisions of subsection (2) of this section.

Section 3. KRS 341.530 is amended to read as follows:

(1) The department shall maintain a reserve account for each subject employer, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions paid by the employer on his own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.

(2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 through KRS 341.740, subject to the provisions of paragraphs (a) and (b) below, shall be charged *proportionally against the accounts of those of his subject employers from whom he has base period wages. The proportion so used shall be that ratio which is obtained by dividing the base period wages of a worker received from such employer by the total base period wages and previously uncovered wages, as defined in KRS 341.092, of such worker, provided, however, that the division of unemployment insurance may, when necessary, make such fractional adjustments in such computation as may be required to assure mathematical compliance with this provision* [~~against the reserve account of his most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits were paid shall have been in the employ of such employer for at least thirty (30) days whether or not consecutive~~].

(a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (1/2) of the extended benefits paid in accordance with KRS 341.700 through 341.740; and

(b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 through 341.740 for compensable weeks occurring on or after January 1, 1979 and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.

(3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to an employer's reserve account under such subsection shall be charged against the pooled account if such worker was [~~in the employ of such employer for less than thirty (30) days whether or not consecutive, or~~] discharged by such employer for misconduct connected with his most recent work for such employer, voluntarily left his most recent work with such employer without good cause attributable to the employment, or such employer has continuously employed the worker without significant interruption since the end of the worker's base period and in the week with respect to which benefits are paid, wages and employment are provided to the worker by such employer to the same extent as during the base period, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the department, in writing, of the alleged voluntary quitting, discharge for misconduct or continuing employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.

(4) Each subject employer's reserve account shall, unless terminated as of the computation date (as defined in subsection (6) of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account under subsection (2) of this section. A subject employer's reserve account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540.

(5) Any subject employer may at any time make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid on or before the computation date and voluntary payments made within twenty days following the mailing of notices of new rates shall, in accordance with regulations established by the secretary, be credited to an employer's reserve account as of the computation date; provided, no voluntary payments shall be used in computing an employer's rate unless such payment is made prior to the expiration of one hundred and twenty days after the beginning of the year for which such rate is effective. The provisions of this subsection shall expire on July 1, 1983.

(6) Notwithstanding subsection (1) of this section, two (2) or more nonprofit (Internal Revenue Code 501(c)(3)) organizations may jointly request the secretary to establish a group reserve account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he deems necessary for the establishment, maintenance and dissolution of a group reserve account.''

Floor Amendment No. 1 to **HB 992**, by Representative Pearman:

Amend printed copy of **HB 992**, page 8, after line 19, by adding the following:

"Section 6. KRS 341.281 is amended to read as follows:

(1) Each nonprofit organization that has elected to make payments in lieu of contributions under KRS 341.275 shall pay to the department for the fund the amount of regular benefits plus the amount of one-half (1/2) of extended benefits paid that are attributable to service performed in covered employment in the employ of such nonprofit employer. Each governmental entity that has elected to make payments in lieu of contributions under the provisions of KRS 341.277 shall pay to the department for the fund the amount of all regular benefits plus all extended benefits paid for compensable weeks occurring after January 1, 1979 attributable to service performed in covered employment. *If benefits paid to an individual are based on wages paid by more than one (1) employer and one (1) or more employers are liable for payments in lieu of contributions, the amount payable to the fund by each employer that is liable for such payments shall be determined in accordance with the provisions of subsection (2) or (3) of this section.*

(2) If benefits paid to an individual are based on wages paid by one (1) or more employers that are liable for payments in lieu of contributions and on wages paid by one (1) or more employers who are liable for contributions, the amount of benefits payable by each employer that is liable for payments in lieu of contributions shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of his base period employers.

(3) If benefits paid to an individual are based on wages paid by two (2) or more employers that are liable for payments in lieu of contributions, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base period wages paid to the individual by such employer bear to the total base period wages paid to the individual by all of his base period employers.

(4)[~~(2)~~] Two (2) or more employers that have become liable for payments in lieu of contributions, in accordance with the provisions of KRS 341.275, may file a joint application to the secretary for the establishment of a group account for the purpose of sharing the cost of benefits paid that are attributable to service in the employ of such employers. Each such application shall identify and authorize a group representative to act as the group's agent for the purposes of this subsection. Upon his approval of the application, the secretary shall establish a group account for such employers effective as of the beginning of the calendar quarter in which he receives the application and shall notify the group's representative of the effective date of the account. Such account shall remain in effect for not less than two years and thereafter until terminated at the discretion of the secretary or upon application by the group. Upon establishment of the

account, each member of the group shall be jointly and severally liable for payment to the fund in lieu of contributions with respect to each calendar quarter in an amount equal to the total benefits paid in such quarter that are attributable to service performed in the employ of any or all members of the group. The secretary shall prescribe such procedures as he deems necessary with respect to applications for establishment, maintenance and termination of group accounts that are authorized by this subsection, for addition of new members to, and withdrawal of active members from, such accounts, and for the determination of the amounts that are payable under this subsection and the time and manner of such payments.

(5)[~~(3)~~] Two (2) or more governmental entities that have become liable for payment in lieu of contributions, in accordance with the provisions of KRS 341.277, may file a joint application to the secretary for the establishment of a group account of governmental entities subject to all of the provisions of subsection (2) of this section.

Section 7. KRS 341.530 is amended to read as follows:

(1) The department shall maintain a reserve account for each subject employer, and shall, except as provided in KRS 341.590, credit to such account the total amount of all contributions paid by the employer on his own behalf. Nothing in this section or elsewhere in this chapter shall be construed to grant any employer or individual who is or was in his employ prior claims or rights to the amounts paid by him into the fund.

(2) Except as provided in subsection (3) of this section, all regular benefits paid to an eligible worker in accordance with KRS 341.380 plus the extended benefits paid in accordance with KRS 341.700 through KRS 341.740, subject to the provisions of paragraphs (a) and (b) below, shall be charged *proportionally against the accounts of those of his subject employers from whom he has base period wages. The proportion so used shall be that ratio which is obtained by dividing the base period wages of a worker received from such employer by the total base period wages and previously uncovered wages, as defined in KRS 341.092, of such worker, provided, however, that the division of unemployment insurance may, when necessary, make such fractional adjustments in such computation as may be required to assure mathematical compliance with this provision* [~~against the reserve account of his most recent employer. No employer shall be deemed to be the most recent employer unless the eligible worker to whom benefits were paid shall have been in the employ of such employer for at least thirty (30) days whether or not consecutive~~].

(a) Subject employers, which are not governmental entities as defined in KRS 341.069, shall be charged one-half (1/2) of the extended benefits paid in accordance with KRS 341.700 through 341.740; and

(b) Subject employers which are governmental entities, as defined in KRS 341.069, shall be charged for all extended benefits paid in accordance with KRS 341.700 through 341.740 for compensable weeks occurring on or after January 1, 1979 and for one-half (1/2) of the extended benefits paid for compensable weeks occurring prior to such date.

(3) Notwithstanding the provisions of subsection (2) of this section, benefits paid to an eligible worker and chargeable to an employer's reserve account under such subsection shall be charged against the pooled account if such worker was [~~in the employ of such employer for less than thirty (30) days whether or not consecutive, or~~] discharged by such employer for misconduct connected with his most recent work for such employer, voluntarily left his most recent work with such employer without good cause attributable to the employment, or such employer has continuously employed the worker without significant interruption since the end of the worker's base period and in the week with respect to which benefits are paid, wages and employment are provided to the worker by such employer to the same extent as during the base period, and the employer within a reasonable time, as prescribed by regulation of the secretary, notifies the department, in writing, of the alleged voluntary quitting, discharge for misconduct or continuing employment; provided, however, that no employer making payments to the fund in lieu of contributions shall be relieved of charges by reason of this subsection.

(4) Each subject employer's reserve account shall, unless terminated as of the computation date (as defined in subsection (6) of KRS 341.270), be charged with all benefits paid to eligible workers which are chargeable to such reserve account under subsection (2) of this section. A subject employer's reserve account shall be deemed to be terminated if he has ceased to be subject to this chapter, and his account has been closed and any balance remaining therein has been transferred to the fund's pooled account or to a successor's account as provided in KRS 341.540.

(5) Any subject employer may at any time make voluntary payments to the fund, additional to the contributions required under KRS 341.260 and 341.270. Notwithstanding any other provision of this chapter, contributions paid on or before the computation date and voluntary payments made within twenty days following the mailing of notices of new rates shall, in accordance with regulations established by the secretary, be credited to an employer's reserve account as of the computation date; provided, no voluntary payments shall be used in computing an employer's rate unless such payment is made prior to the expiration of one hundred and twenty days after the beginning of the year for which such rate is effective. The provisions of this subsection shall expire on July 1, 1983.

(6) Notwithstanding subsection (1) of this section, two (2) or more nonprofit (Internal Revenue Code

501(c)(3)) organizations may jointly request the secretary to establish a group reserve account for such nonprofit organizations. Two (2) or more governmental entities may jointly request the secretary to establish a group reserve account, and once established, such account shall remain in effect at least two (2) calendar years and thereafter until either dissolved at the discretion of the secretary or upon filing application for dissolution by the group members. Each member of a group shall be jointly and severally liable for all payments due under this chapter from each or all of such group members. The secretary shall prescribe such procedures as he deems necessary for the establishment, maintenance and dissolution of a group reserve account."

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 137.170 is amended to read as follows:

(1) Every person engaged in the business of conducting a race track at which races are run for stakes, purses or prizes, under the jurisdiction of the state racing commission, shall pay a license tax to the state, as provided in subsection (2) of this section.

(2) Any such race track [~~at which the average daily mutuel handle~~] for any year commencing December 1 and ending the following November 30 [~~exceeds the sum of $600,000 per day~~] for the days upon which races are actually conducted for any stake, purse or prize, shall pay a license tax *based on* [~~of twenty-five hundred dollars ($2,500) per day for each such day. Any such track at which~~] the average daily mutuel handle for *the preceding* [~~any~~] year *as follows:*

Average Daily Mutuel Handle	*License Tax*
0 - $450,000	*$ 500*
$450,001 - $700,000	*$1,000*
$700,001 - $800,000	*$1,500*
$800,001 - $900,000	*$2,000*
$900,001 and above	*$2,500*

[~~commencing December 1 and ending the following November 30 exceeds $450,000 per day for each day upon which races are actually conducted for any stake, purse or prize, but does not amount to $600,000, shall pay a license tax of one thousand dollars ($1,000) per day for each such day. Any such track at which the average daily mutuel handle for any year commencing December 1 and ending the following November 30 does not amount to $450,000 per day for the days upon which races are actually conducted for any stake, purse or prize, shall pay a license tax of five hundred dollars ($500) per day~~].

(3) As used in [~~the preceding~~] subsection *(2) of this section* the term "daily mutuel handle" shall be understood to mean the total gross amount of money bet or wagered by its patrons by means of pari-mutuel, combination or French pools.

Section 2. KRS 138.510 is amended to read as follows:

(1) An excise tax is imposed on every person, corporation or association which operates a running horse race track at which betting is conducted through a pari-mutuel or other similar system. The tax shall be an amount equal to four and three-fourths percent (4 3/4%) of all money wagered during the year. A year as used herein shall begin at 12:01 a. m. July 1 and end at 12 midnight June 30. From July 15, 1982, until June 30, *1986* [~~1985~~], tracks with a daily average handle of less than $900,000 shall receive a tax credit amounting to three percent (3%) of money wagered, to be allocated by contractual agreement between the qualified tracks and the horsemen's benevolent and protective association *and if no such agreement exists, the percentage of pari-mutuel handle paid in purses in 1983 shall prevail.* Three-nineteenths (3/19) of all amounts received by reason of such tax shall be set aside by the department of revenue and shall be deposited in the Kentucky thoroughbred development fund created and described in KRS 230.400. *From the effective date of this Act until September 15, 1986, any track with a daily average handle of less than nine hundred thousand dollars ($900,000), which experienced an overlap of its racing dates in 1983 with another thoroughbred track, shall be exempt from payment of the tax levied under this subsection, with exception of the amount to be paid to the thoroughbred development fund, and the license tax levied in KRS 137.170, for the period of the overlap should the 1983 overlap of racing dates be continued. Monies retained under this provision shall be allocated in the same manner as the tax credit is allocated.*

(2) An excise tax is imposed on every person, corporation or association which operates a standardbred horse race track at which betting is conducted through a pari-mutuel or other similar system. The tax shall be an amount equal to five percent (5%) of all money wagered during the year. A year as used herein shall begin at 12:01 a. m. July 1 and end at 12 midnight June 30. *An amount equal to one percent (1%)* [~~One-fifth (1/5)~~] of all *pari-mutuel wagering shall be deducted from the* [~~amounts received by reason of such~~] tax *and* [~~shall be~~] set aside by the department of revenue and shall be deposited in the Kentucky standardbred development fund created and described in KRS 230.770. From July 15, 1982, until June 30, *1986, associations conducting a harness race meet* [~~1985, tracks~~] with a daily average *handle* of less than three

hundred thousand dollars ($300,000) shall receive a tax credit of two percent (2%) of all money wagered, to be allocated to the *associations* [~~tracks~~] for capital improvements, *promotions, including advertising, or purses, as the association shall elect.* Said *expenditures* [~~capital improvements~~] shall be approved by the harness racing commission. *From the effective date of this Act until September 15, 1986, any association with a daily average handle of less than three hundred thousand dollars ($300,000), which experienced an overlap of racing dates in 1983 with a thoroughbred track within fifty (50) miles, shall be exempt from payment of the tax levied in this subsection, with exception of the amount to be paid to the standardbred development fund, for the period of the overlap should the 1983 overlap of racing dates be continued. Monies retained under this provision shall be allocated fifty percent (50%) to purses and fifty percent (50%) to the association.*

Section 3. KRS 230.230 is amended to read as follows:

(1) The governor shall appoint a secretary for the commission for a term *of* [~~not to exceed~~] four (4) years *to run concurrently with commission appointments* and who may be removed in the same manner as a member of the commission. The secretary shall possess the powers and perform the duties imposed upon him by KRS 230.210 to 230.360, and such other duties as the commission may direct or prescribe. The secretary shall keep a full record of all proceedings before the commission and shall preserve at its general office all books, maps, records, documents, licenses and other papers of the commission. All records of the commission shall be open to inspection by the public during regular office hours.

(2) The commission may employ an assistant secretary and stenographers, clerks and other personnel as it may deem necessary to efficiently operate its general office or any branch thereof. The commission shall fix the compensation of such employes. Any member of the commission or the secretary thereof or any employe referred to in this section shall be reimbursed for expenses paid or incurred in the discharge of official business when approved by the commission. The compensation of the employes referred to in this section, together with reimbursement of expenses incurred by such employes, a member of the commission or the secretary thereof, shall be paid from commission funds.

Section 4. KRS 230.265 is amended to read as follows:

(1) There is hereby created a panel, to be known as the Kentucky equine drug research council, to advise the commission on the conduct of equine drug research and testing commissioned by the state racing commission. The council shall consist of *eight (8)* [~~seven (7)~~] members *appointed by the governor. The governor shall appoint one (1)*[~~: a~~] veterinarian *from a list of three (3) submitted* [~~appointed~~] by the Kentucky Association of Equine Veterinarians, *one (1)* [~~a~~] horseman *from a list of three (3) submitted* [~~appointed~~] by the Kentucky division of the Horsemen's Benevolent and Protective Association, *one (1)* [~~a~~] pharmacologist *from a list of three (3) submitted* [~~appointed~~] by the University of Kentucky, *one (1)* [~~a~~] thoroughbred breeder *from a list of three (3) submitted* [~~appointed~~] by the Kentucky Thoroughbred Owners and Breeders, Inc., *one (1)* [~~a~~] legislator *from a list of three (3) submitted* [~~appointed~~] by the legislative research commission, *one (1)* [~~a~~] representative of a licensed racing association *chosen by the governor, one (1) member of the harness racing commission from a list of three (3) submitted by the chairman of the harness racing commission,* and *one (1)* [~~a~~] member of the state racing commission, *from a list of three (3) submitted* [~~appointed~~] by the chairman of the state racing commission, to serve as chairman. The council shall meet at the call of the chairman, a majority of the council or at the request of the commission. Members shall serve at the pleasure of their respective sponsoring organizations and shall receive no compensation for serving.

(2) The Kentucky equine drug research council shall review equine drug research and testing research being conducted at the University of Kentucky or with state funds and shall review and report to the commission on drug research and testing research being conducted elsewhere. The council shall advise the commission and make recommendations for establishing an effective drug regulatory policy for Kentucky racing. In addition, the council shall report to the [~~1984~~] general assembly any needed changes regarding the regulation of drugs in thoroughbred racing in the Commonwealth of Kentucky.

(3) The commission shall receive one-tenth of one percent (.1%) of the total amount wagered in Kentucky deducted from the pari-mutuel tax levied in KRS 138.510 to be used in financing drug research and testing research in Kentucky, which shall be in addition to any funds appropriated to the commission for such purposes in the executive budget.

Section 5. KRS 230.300 is amended to read as follows:

(1) Any person desiring to conduct thoroughbred racing and Appaloosa racing at a thoroughbred race meeting within the Commonwealth of Kentucky during any calendar year shall first apply to the commission for a license to do so. The application shall be filed at the commission's general office on or before a day fixed by the commission. The application shall specify the location of the track and the days on which racing is desired to be conducted or held and shall be in the form and contain such other information and data as the commission may, by rule require.

(2) The commission shall as soon as practicable, but in no event later than March 1 in any calendar year award dates for racing in the Commonwealth during the year. In the event scheduled racing is canceled by reason of flood, fire, or inclement weather, the commission may award after March 1 additional racing dates to make up for those dates canceled by such flood, fire, or inclement weather. The commission may issue such license to conduct a thoroughbred race meeting to any association making the aforesaid application

if the commission finds that the proposed conduct of racing by such association would be in the best interest of the public health, safety, and welfare of the immediate community as well as to the Commonwealth, and if by reason of financial stability, track location, traffic flow, facilities for the public, facilities for racing participants and horses, character and reputation for honesty of all persons identified with the association, competence of proposed racing officials and association employes, absence of conflict with other race meetings in time and patronage area, sentiment of the community in which such association proposes to conduct a race meeting, and capability to comply with the rules and rulings of the commission, the licensing of such association would serve to nurture, promote, develop, or improve the thoroughbred industry in the Commonwealth. As a condition precedent to the issuance of such license, the commission may require a surety bond or other surety conditioned upon the payment of all taxes due the Commonwealth, together with the payment of operating expenses including purses and awards to owners of horses participating in races.

(3) Every license issued under KRS 230.210 to 230.360 shall specify among other things the name of the person to whom issued, the address and location of the track where the thoroughbred race meeting to which it relates is to be held or conducted, and the days and hours of the day when the meeting will be permitted; *provided, however, that no track which is granted overlapping dates with another thoroughbred or harness racing track within a fifty (50) mile radius shall be permitted to have a post time after 5:30 p.m., prevailing time for overlapping days between July 1 and September 15, unless agreed to in writing by the tracks affected.*

(4) A license issued under this section is neither transferable nor assignable and shall not permit the conduct of a thoroughbred race meeting at any track not specified therein. However, if the track specified becomes unsuitable for thoroughbred racing or Appaloosa racing because of flood, fire or other catastrophe, the commission may, upon application, authorize the meeting, or any remaining portion thereof, to be conducted at any other suitable track available for that purpose, provided that the owner of such track willingly consents to the use thereof.

(5) Thoroughbred racing dates may be awarded and licenses issued authorizing thoroughbred racing and Appaloosa racing at a thoroughbred race meeting on any day of the year. Thoroughbred racing or Appaloosa racing at thoroughbred race meetings shall be held or conducted only between sunrise and midnight.

(6) The commission may at any time require the removal of any official or employe of any association in those instances where it has reason to believe that the official or employe has been guilty of any dishonest practice in connection with thoroughbred racing or Appaloosa racing at a thoroughbred race meeting or has failed to comply with any condition of his license or has violated any law or any rule or regulation of this commission.

(7) Every thoroughbred race not licensed under this section or Appaloosa race not licensed by this section or KRS 230.410 to 230.447 is hereby declared to be a public nuisance and the commission may obtain an injunction against the same in the circuit court of the county where the unlicensed race is proposed to take place.

The Committee Amendment to **HB 684** is as follows:

Amend printed copy of **HB 684** on page 3, delete lines 9 and 10 in their entirety and substitute in lieu thereof: "*An amount equal to three quarters of one percent (3/4 of 1%) of all pari-mutuel wagering shall be deducted from the tax*", and on line 11 delete "of revenue" and "shall be".

The Committee on Labor and Industry reported **HB 473** with Committee Substitute attached thereto, **HB 499** with Committee Amendment attached thereto, **HB 694, HB 699,** and **HB 992** with Committee Amendment attached thereto, with the expression of opinion that the same should pass. Read at length for the first time and ordered placed in the Calendar.

(1) Whereas, the denial by some public employers of the right of fire fighters *or law enforcement officers* to organize and the refusal by such employers to accept the procedure of collective bargaining leads to various forms of strife and unrest, with the consequent effect of obstructing public business. Unresolved disputes in the public service are injurious to the public, the governmental agencies involved, and the fire fighters *or law enforcement officers.*

(2) Whereas, experience has proved that protection by law of the right of public employes to organize and bargain collectively safeguards the public business from injury, impairment, or interruptions, and promotes public business by removing certain recognized sources of strife and unrest, by encouraging practices fundamental to the friendly adjustment of disputes arising out of differences as to wages, hours, or other working conditions, and by creating equality of bargaining power between employers and employes.

(3) Whereas, it is hereby declared to be the policy of the State of Kentucky to eliminate the causes of certain substantial obstructions to public business and to mitigate and eliminate these obstructions when they have occurred by encouraging the practice and procedure of collective bargaining and by protecting the exercise by fire fighters *and law enforcement officers* of full freedom of association, self-organization, and designation of representatives of their own choosing, for the purpose of negotiating the terms and conditions of their employment or other mutual aid or protection.

Section 3. KRS 345.030 is amended to read as follows:

(1) Fire fighters *and law enforcement officers* of a *public employer* [~~city containing a population of at least 300,000 as determined by the federal census~~] shall have, and shall be protected in the exercise of, the right of self-organization, to form, join or assist any labor organization, to bargain collectively through representatives of their own choosing on questions of wages, hours, and other conditions of employment free from interference, restraint or coercion.

(2) Labor organizations designated by the state board of labor relations as the representative of the majority of fire fighters *or law enforcement officers* in an appropriate unit or recognized by a public employer as the representative of the majority of employes in an appropriate unit shall be the exclusive representative for the employes of such unit for the purpose of collective bargaining with respect to rates of pay, wages, hours and other conditions of employment.

(3) Labor organizations recognized by a public employer as the exclusive representative or so designated in accordance with the provisions of this chapter shall be responsible for representing the interest of all fire fighters *or law enforcement officers* in the unit without discrimination.

The public employer and such labor organization as has been designated as exclusive representative of fire fighters *or law enforcement officers* in an appropriate unit, through appropriate officials or their representatives, shall have the authority and the duty to bargain collectively. This duty extends to the obligation to bargain collectively as set forth in subsection (3) of KRS 345.050.

Section 5. KRS 345.050 is amended to read as follows:

(1) Public employers, their representatives or their agents are prohibited from:

(a) Interfering, restraining or coercing fire fighters *or law enforcement officers* in the exercise of the rights guaranteed in KRS 345.030;

(b) Dominating or interfering with the formation, existence or administration of any labor organization;

(c) Discriminating in regard to hiring or tenure of employment or any term or condition of employment to encourage or discourage membership in any labor organization; provided, that nothing in this chapter, or in any other statute of this state, shall preclude a public employer from making an agreement with a labor organization to require as a condition of employment membership therein on or after the thirtieth day following the beginning of such employment or on the effective date of such agreement, whichever is the later;

(d) Discharging or otherwise discriminating against an employe because he has signed or filed any affidavit, petition or complaint or given any information or testimony under this chapter;

(e) Refusing to bargain collectively in good faith with a labor organization which is the exclusive representative of employes in an appropriate unit, including but not limited to the discussing of grievances with the exclusive representative.

(2) Labor organizations or their agents are prohibited from:

(a) Restraining or coercing:

1. Fire fighters *or law enforcement officers* in the exercise of the right guaranteed in subsection (1) of KRS 345.030, and

2. A public employer in the selection of his representative for the purposes of collective bargaining or the adjustment of grievances;

(b) Refusing to bargain collectively in good faith with a public employer, if they have been designated in accordance with the provisions of this chapter as the exclusive representative of fire fighters *or law enforcement officers* in an appropriate unit.

(3) For the purposes of this chapter, to bargain collectively is to carry out in good faith the mutual obligation of the parties, or their representatives; to meet together at reasonable times, including meetings in advance of the budget-making process; to negotiate in good faith with respect to wages, hours and other conditions of employment; to negotiate an agreement; to negotiate any question arising under any agreement; and to execute a written contract incorporating any agreement reached, if requested by either party. The obligation shall not be interpreted to compel either party to agree to a proposal, or require either party to make a concession.

Section 6. KRS 345.060 is amended to read as follows:

(1) Whenever in accordance with such regulations and as may be prescribed by the State Labor Relations Board a petition has been filed:

(a) By a fire fighter *or law enforcement officer* or group of fire fighters *or law enforcement officers* or any labor organization acting in behalf of *thirty* percent (30%) of the employes who have signed union affiliation cards *or petitions* and the *labor organization* [~~union~~] showing proof of representation:

1. Wish to be represented for collective bargaining by a labor organization as exclusive representative, or

2. Assert that the labor organization which has been certified or is currently being recognized by the public employer as bargaining representative is no longer the representative of the majority of employes in the unit; or

(b) By the public employer alleging that one or more labor organizations has presented to it a claim to be recognized as a representative of the majority of fire fighters *or law enforcement officers* in an appropriate unit; the board shall investigate such petition, and if it has reasonable cause to believe that a question of representation exists, shall provide for an appropriate hearing upon due notice. If the board finds that there is a question of representation, it shall direct an election by secret ballot to determine whether or by which labor organization the fire fighters *or law enforcement officers* desire to be represented and shall certify the result thereof.

(2) The board shall decide in each case, in order to assure fire fighters *or law enforcement officers* the fullest freedom in exercising the rights guaranteed by this chapter, the unit appropriate for the purposes of collective bargaining, based on such factors as community of interest, wages, hours and other working conditions of the fire fighters *or law enforcement officers* involved, the history of collective bargaining, and the desires of the fire fighters *or law enforcement officers.*

(3) An election shall not be directed in any bargaining unit or in any subdivision thereof within which in the preceding twelve-month period a valid election has been held. The board shall determine who is eligible to vote in the election and shall establish rules governing the election. In any election where none of the choices on the ballot receives a majority, a runoff shall be conducted, the ballot providing for the selection between the two choices receiving the largest and the second largest number of valid votes cast in the election. A labor organization which receives the majority of the votes cast in an election shall be certified by the board as exclusive representative of all the fire fighters *or law enforcement officers* in the unit.

(4) Nothing in this or any other law shall be construed to prohibit recognition of a labor organization as the exclusive representative by a public agency by mutual consent.

(5) No election shall be directed by the board in any bargaining unit where there is in force and effect a valid collective bargaining agreement. Provided, however, no collective bargaining agreement shall bar an election upon the petition of persons not parties thereto where more than three years have elapsed since the execution of the agreement or the last timely renewal, whichever was later.

Section 7. KRS 345.070 is amended to read as follows:

Violations of the provisions of KRS 345.050 shall be deemed to be unfair labor practices remedial by the board in the following manner.

(1) Whenever it is charged by a public employer or a labor organization that any person has engaged in or is engaging in any such unfair labor practices, the board, or any agent designated by the board for such purposes, shall issue and cause to be served upon the person a copy of the charges and a notice of hearing before the board or a member thereof, or before a designated agent, at a place therein fixed, not less than five (5) days after serving of the copy of the charges by the board. Any charge may be amended by the charging party, at any time prior to the issuance of an order based thereon, provided that the charged party is not unfairly prejudiced thereby. The person upon whom the charge is served may file an answer to the charge. The charging party and the person charged shall appear in person or otherwise and give testimony at the place

and time fixed in the notice of hearing. In the discretion of the member or agent conducting the hearing or the board, any other person may be allowed to intervene in the proceeding and to present testimony. In any hearing the board shall not be bound by the rules of evidence prevailing in the courts.

(2) The testimony taken by the member, agent or the board shall be reduced to writing and filed with the board. Thereafter the board upon notice may take further testimony or hear argument. If upon the preponderance of the testimony taken the board is of the opinion that any person named in the charge has engaged in or is engaging in an unfair labor practice, then it shall state its findings of fact and shall issue and cause to be served on the person an order requiring him to cease and desist from the unfair labor practice, and to take such affirmative action including reinstatement of fire fighters *or law enforcement officers* with or without back pay, as will effectuate the policies of this chapter. The order may further require the person to make reports from time to time showing the extent to which he has complied with the order. If upon the preponderance of the testimony taken the board is not of the opinion that the person named in the charge has engaged in or is engaging in the unfair labor practice, then the board shall state its finding of fact and shall issue an order dismissing the complaint. No order shall issue based upon any unfair labor practice occurring more than six (6) months prior to the filing of the charge with the board, unless the person aggrieved thereby was prevented from filing the charge by reason of service in the armed forces, in which event, the six-month period shall be computed from the day of his discharge. No order of the board shall require the reinstatement of any individual as a fire fighter *or law enforcement officer* who has been suspended or discharged, or the payment to him of any back pay, if the individual was suspended or discharged for cause.

(3) Until the record in a case has been filed in court, the board at any time, upon reasonable notice and in such manner as it deems proper, may modify or set aside, in whole or in part, any finding or order made or issued by it.

(4) The board or the charging party may petition for the enforcement of the order and for appropriate temporary relief or restraining order, and shall file in the circuit court for the county in which the violation occurred, the record in the proceedings. Upon the filing of the petition, the circuit court shall cause notice thereof to be served upon the charged party, and thereupon shall have jurisdiction of the proceeding and shall grant such temporary or permanent relief or restraining order as it deems just and proper, enforcing modifying, enforcing as so modified, or setting aside in whole or in part the order of the board. No objection that has not been urged before the board, its member or agent, shall be considered by the court, unless the failure or neglect to urge the objection is excused because of extraordinary circumstances. The findings of the board with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive. If either party applies to the circuit court for leave to present additional evidence and shows to the satisfaction of the circuit court that the additional evidence is material and that there were reasonable grounds for the failure to present it in the hearing before the board, its member or agent, the court may order the additional evidence to be taken before the board, its member or agent, and to be made a part of the record. The board may modify its findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and it shall file the modifying or new findings, which findings with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive, and shall file its recommendations, if any, for the modification or setting aside of its original order. Upon the filing of the record (with it) the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the Court of Appeals in accordance with the general court rules.

(5) Any person aggrieved by a final order of the board granting or dénying in whole or in part the relief sought may obtain a review of such order in the court by filing in the circuit court a complaint praying that the order of the board be modified or set aside, with copy of the complaint filed with the board, and thereupon the aggrieved party shall file in the court the record in the proceeding, certified by the board. Upon the filing of the complaint, the court shall proceed in the same manner as under subsection (4), and shall grant to the board such temporary relief or restraining order as it deems just and proper, enforcing modifying, enforcing as so modified, or setting aside in whole or in part the order of the board. The findings of the board with respect to questions of fact if supported by substantial evidence on the record considered as a whole shall be conclusive.

(6) The commencement of proceedings under subsections (4) and (5) shall not, unless specifically ordered by the court, operate as a stay of the board's order.

(7) Complaints filed under this chapter shall be heard expeditiously by the court to which presented, and shall take precedence over all other civil matters except earlier matters of the same character.

Section 8. KRS 345.090 is amended to read as follows:

Except as hereinafter provided, when a labor organization has been designated in accordance with the provisions hereof as the exclusive representative of fire fighters *or law enforcement officers* in an appropriate unit, the chief executive officer of the political subdivision, whether elected or appointed, or his designated authorized representative or authorized representatives, shall represent the public employer in collective bargaining with such employe organization.

Section 9. KRS 345.100 is amended to read as follows:

(1) Any agreement reached by the negotiators shall be reduced to writing and shall be executed by both parties.

(2) An agreement between the public employer and a labor organization shall be valid and enforced under its terms when entered into in accordance with the provisions of this chapter and signed by the chief executive officer of the political subdivision or his representative. No publication thereof shall be required to make it effective. The procedure for the making of an agreement between a political subdivision and a labor organization provided by this chapter shall be the exclusive method of making a valid agreement for fire fighters *or law enforcement officers* represented by a labor organization.

(3) Suits for violation of agreements between a public employer and a labor organization representing fire fighters *or law enforcement officers* may be brought by the parties to such agreement in the circuit court of the county of the employer or in cases where the state is the employer in the Franklin Circuit Court.

Section 10. KRS 345.110 is amended to read as follows:

Upon the written authorization of any fire fighters *or law enforcement officers* within a bargaining unit, the public employer shall deduct from the payroll of the public employe the monthly amount of dues as certified by the secretary of the exclusive bargaining representative and shall deliver the same to the treasurer of the exclusive bargaining representative.

Section 11. KRS 345.120 is amended to read as follows:

(1) There is hereby created and established a state labor relations board to assist in resolving disputes between public employers and fire fighters *or law enforcement officers* or their labor organization which shall be composed of three (3) members appointed by the governor, one (1) for a term of two (2) years, one (1) for a term of three (3) years, and one (1) for a term of four (4) years. The governor shall designate one (1) member to serve as chairman of the board. Thereafter, upon the expiration of the term of any member, members shall be appointed for four-year terms by the governor.

(2) Each member of the board shall have been an elector in this state for at least one (1) year next preceding his appointment. Any member may be removed by the governor for cause, shown in a public hearing after the accused has been given a copy of the charges made and has had an opportunity to answer such charges. The governor shall fill any vacancy by appointment for the unexpired term. No member shall receive a salary but each member shall be paid fifty dollars ($50) and expenses for each day during which he is engaged in the duties of the board. The board is authorized to hold hearings at any place in this state. Any and all expenses incurred by the labor relations board shall be shared by all parties concerned in the dispute.

(3) The board shall appoint such employes as may be necessary to carry out the work of the board. All files, records and documents accumulated by the board shall be kept in offices provided by the board. All decisions shall be made by a majority of the board.

(4) To accomplish the objectives and to carry out the duties prescribed by this chapter, the board may subpoena witnesses, issue subpoenas to require the production of books, papers, records and documents which may be needed as evidence in any matter under inquiry, and may administer oaths and affirmations.

(5) In case of neglect or refusal to obey a subpoena issued to any person, the circuit court of the county in which the investigations or the public hearings are taking place, upon application by the board may issue an order requiring such person to appear before the board, any member or agent, to produce evidence or give testimony about the matter under investigation. A failure to obey such order may be punished by the court as a contempt.

(6) Any subpoena, notice of hearing or other process or notice of the board issued under the provisions of this chapter may be served personally, by certified mail, return receipt requested or by leaving a copy at the principal office or place of residence of the respondent required to be served. A return, made and verified by the individual making such service and setting forth the manner of such service is proof of service and a returned post-office receipt, when certified mail is used, is proof of service. All process of any court to which application may be made under the provisions of this chapter may be served in the county wherein the persons required to be served reside or may be found.

(7) The board shall adopt, promulgate, amend or rescind such rules and regulations as it deems necessary and administratively feasible to carry out the provisions of this chapter. Public hearings shall be held by the board on any proposed rule or regulation of general applicability designed to implement, interpret or prescribe policy, procedure or practice requirements under the provisions of this chapter and on any proposed change in an existing rule or regulation. Reasonable notice shall be given prior to such hearings, which shall include the time, place and nature of such hearing and also the terms or substance of the proposed rule or regulation or the changes of such rule or regulation.

(8) The board shall be attached to the department of labor for administrative purposes.

Section 12. KRS 345.130 is amended to read as follows:

No fire fighter *or law enforcement officer* shall engage in, and no fire fighter *or law enforcement officer* labor organization shall sponsor or condone any strike.

HB 992, AN ACT relating to unemployment insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) Any interest required to be paid on advances under Title XII of the Social Security Act shall be paid in a timely manner and shall not be paid directly or indirectly (by an equivalent reduction in unemployment contributions or otherwise) by the state unemployment insurance fund.

(2) Such interest shall be paid by the penalty and interest account as required by KRS 341.295.

(3) In the event there are insufficient funds in the penalty and interest account to pay the interest on such advances, subject employers shall be assessed a surcharge to be used for payment of the remainder of the interest owed in the manner and amount as provided by Section 3 of this Act.

SECTION 2. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) There is created within the state treasury a special fund for unemployment insurance known as the interest payment fund which shall be administered separate and apart from all public money or funds of the state. The fund shall consist of all monies derived from the surcharge and interest authorized pursuant to Section 3 of this Act.

(2) The unemployment insurance interest payment fund shall be used solely for the purpose of payment of interest on advances under Title XII of the Social Security Act received from the United States department of labor in support of the unemployment insurance programs of the Commonwealth. The secretary shall have full power, authority and jurisdiction over the fund, including all money, property and securities belonging thereto, except where specified otherwise in this Act, and he shall perform any act necessary or convenient in the administration of the fund consistent with this section.

(3) Any money collected for the purpose of paying interest on advances under Title XII of the Social Security Act under Section 3 of this Act shall be invested at interest in banks or other interest-bearing obligations of the United States of America. Investments shall at all times be made so that all the assets of the unemployment insurance interest payment fund shall always be convertible into cash when needed for the payment of interest on advances under Title XII of the Social Security Act. All interest income received under this section shall be credited to the interest payment fund. The state treasurer shall dispose of securities or other property belonging to the unemployment insurance interest payment fund only under the direction of the secretary and the secretary of the finance and administration cabinet.

(4) Any balance of money remaining in the unemployment insurance interest payment fund after all interest due and owing on advances under Title XII of the Social Security Act has been paid shall be deposited with the secretary of the federal treasury to the credit of this state's unemployment trust fund for the payment of benefits.

SECTION 3. A NEW SECTION OF KRS CHAPTER 341 IS CREATED TO READ AS FOLLOWS:

(1) There is hereby created a surcharge upon subject employers for any year in which there are insufficient funds in the penalty and interest account as provided in KRS 341.295 for the payment of interest due on advances under Title XII of the Social Security Act received from the United States department of labor in support of the unemployment insurance program of the Commonwealth. The surcharge shall be equal to the percentage derived from the benefits charged the individual reserve account of the subject employer for the year preceding the year in which such surcharge becomes payable divided by the total benefits charged the Kentucky employers' reserve accounts for the year preceding the year in which such surcharge becomes payable, times the difference of the annual interest payment minus the sum of seventy-five percent (75%) of the cash balance of the penalty and interest account plus the cash balance, if any, of the interest payment fund, except in no case shall an employer's surcharge be less than two dollars ($2.00). The secretary shall notify each employer of the dollar amount of its surcharge, if any, by July 1. Such amount shall be due and payable on July 31 and shall be in addition to any contributions due under any other section of this chapter.

(2) A surcharge unpaid on the date upon which it is due and payable, pursuant to subsection (1) of this section, shall be subject to interest at the rate of one and one-half percent (1 1/2%) per month or fraction thereof, not to exceed sixty percent (60%) of the amount of such surcharge, from and after such date until payment is received by the cabinet, irrespective of whether such delinquency has been reduced to a judgment or not as provided in subsection (3) of this section. These interest monies shall be paid into the unemployment insurance interest payment fund.

(3) If, after due notice, any subject employer defaults in any payment of surcharge or interest thereon, the amount due shall be collected by a civil action instituted in the Franklin Circuit Court or the Franklin District Court depending upon the jurisdictional amount in controversy including interest in the name of the state, and the subject employer adjudged in default shall pay the costs of the action. Civil actions brought under this section shall be heard by the court, without the intervention of a jury, at the earliest

possible date, and shall be entitled to preference upon the calendar of the court over all other civil actions except petitions for judicial review under this chapter and cases arising under the workmen's compensation law.

(4) At or after the commencement of an action under subsection (3) of this section attachment may be had against the property of the liable subject employer for such surcharge and interest without the execution of a bond, or after judgment has been entered an execution may be issued against the property of such employer without the execution of a bond.

(5) An action for the recovery of the surcharge or interest thereon under this section shall be barred and any lien therefor shall be canceled and extinguished unless collected or suit for collection has been filed within five (5) years from the due date of such surcharge.

Section 4. KRS 341.295 is amended to read as follows:

(1) All fines, penalties and interest on delinquent contributions collected under KRS 341.300 shall be credited to the unemployment compensation administration fund to be used for *the payment of interest on advances under Title XII of the Social Security Act and for* the administration of this chapter. The state treasurer shall maintain a separate record of all money received for the unemployment compensation administration fund under this section. This money shall not be expended or available for expenditure in any manner that would permit its substitution for, or a corresponding reduction in, federal funds that would be available in its absence to finance expenditures for the administration of this chapter.

(2) But nothing in this chapter shall prevent this money from being used as a revolving fund to cover necessary and proper expenditures for which federal funds have been requested but not received, subject to the charging of such expenditures against such funds when received, or to supplement federal funds which are, in the opinion of the secretary, insufficient to properly administer this chapter*; provided, no more than twenty-five percent (25%) of the balance of this account may be used in any year for the purposes authorized under this subsection if interest on advances under Title XII of the Social Security Act is due and owing.*

(3) If interest on advances under Title XII of the Social Security Act is not due and owing the secretary may also authorize to be charged against such money any expenditures he deems proper and desirable for the administration of this chapter and replace any money necessary under the provisions of KRS 341.610, if no other funds are available or can properly be used to finance such expenditures. The money heretofore collected and credited to the unemployment compensation contingent fund shall be transferred to the unemployment compensation administration fund and shall be available for expenditure under the provisions of this section.

Section 5. KRS 341.490 is amended to read as follows:

(1) There shall be a special fund known as the unemployment insurance fund which shall be administered separate and apart from all public money or funds of this state. This fund shall consist of:

(a) All contributions, payments in lieu of contributions, and money collected under this chapter, except fines, penalties, and interest on delinquent contributions collected under KRS 341.300, *and except surcharges and interest on delinquent surcharges collected under Section 3 of this Act*;

HB 868, AN ACT relating to surface coal mining.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 350.032 is amended to read as follows:

(1) In case of refusal to obey a subpoena issued to any person, any circuit court of competent jurisdiction, upon application by any party, may issue to that person an order requiring him to appear before the department, there to produce documentary evidence if so ordered or to give evidence touching the matter under investigation or in question; and any failure to obey the order of the court may be punished by the court as a contempt of court.

(2) Any person aggrieved by a final order of the department may obtain a review of the order by filing in the Franklin circuit court, within thirty (30) days after the entry of the order, a written petition praying that the order be modified or set aside in whole or in part, *provided that a surety on a performance bond shall not file such petition until it has complied with subsection (3) of this section.* A copy of the petition shall be forthwith served upon the department, and thereupon the department shall certify and file in court a copy of the record before the department, including therein all pleadings, orders, documentary exhibits and the stenographic transcript of the testimony taken before the department. When these have been filed, the court shall have exclusive jurisdiction to affirm, modify, enforce or set aside the order, in whole or in part. No objection to the order may be considered by the court unless it was urged before the department or there were reasonable grounds for failure to do so. The findings of the department as to the facts, if supported by substantial evidence, are conclusive. If either party applies to the court for leave to adduce additional evidence, and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for failure to adduce the evidence in the hearings before the department, the court may order that additional evidence be taken before the department in such manner and upon such condition as the court may consider proper. The department may modify its findings as to the facts, by reason of the additional evidence so taken; and it shall file any modified or new findings with the court, which if supported by substantial evidence shall be conclusive, and any recommendation for the modification or setting aside of the original order. The commencement of the proceedings under this section does not, unless specifically ordered by the court, operate as a stay of the department's order. An appeal may be taken from the judgment of the Franklin circuit court to the court of appeals on the same terms and conditions as an appeal is taken in any civil action.

(3) Where the cabinet has ordered forfeiture of a performance bond, the surety shall forward to the cabinet by certified mail a cashier's check for the required amount within seven (7) business days from the effective date of the order. The cabinet shall establish an interest-bearing escrow account and shall deposit therein the full amount of the forfeiture rendered by the surety. The amount shall continue to be held by the cabinet until completion of judicial reveiw as authorized in subsection (2) of this section. If the final decision following the review reverses the order of the secretary of the cabinet, the cabinet shall within thirty (30) days of receipt of such order, refund to the surety the appropriate amount plus all interest accrued from the date of deposit to the date of the final order.

Section 2. KRS 350.990 is amended to read as follows:

(1) Any person or operator who violates any of the provisions of this chapter or regulations adopted pursuant thereto or who fails to perform the duties imposed by these provisions, except the refusal or failure to obtain a permit or other authorization as provided herein, or who violates any determination or order promulgated pursuant to the provisions of this chapter, may be liable to a civil penalty of not more than five thousand dollars ($5,000) for said violation, and an additional civil penalty of not more than five thousand dollars ($5,000) for each day during which such violation continues, and in addition, may be enjoined from continuing such violations as hereinafter provided in this section; provided, however, that any operator or person who fails to abate a violation noted in a notice of noncompliance or an order for immediate compliance and cessation within the time period prescribed for such abatement shall be assessed a civil penalty of not less than seven hundred fifty dollars ($750) for each day during which such violation continues. A civil penalty of not more than five thousand dollars ($5,000) for each day shall be assessed against any person issued an order pursuant to KRS 350.130(4). Each day of continuing violation may be deemed a separate violation for purposes of penalty assessment. The department shall develop a method for calculating monetary penalties and shall promulgate it as a regulation. The secretary or a designated representative, upon his or her own initiative or upon written request received within fifteen (15) days after the department mails its proposed penalty assessment, may waive the use of such method for calculating monetary penalties if he or she determines that, taking into account exceptional factors present in the particular case, the penalty is demonstrably unjust. The basis for every waiver shall be fully explained and documented in the records of the case. If the secretary or his or her designated representative waives the use of the formula, he or she shall determine the appropriate penalty upon consideration of the permittee's history of previous violations at the particular surface coal mining operation, the seriousness of the violation, whether the permittee was negligent, and the demonstrated good faith of the permittee charged in attempting to achieve rapid compliance after notification of the violation. Such penalties shall be recoverable in an action brought in the

name of the Commonwealth of Kentucky by the department's office of general counsel, or upon the secretary's request, by the attorney general. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the department or by the attorney general on its behalf for the enforcement of the provisions of this chapter or the orders, rules, and regulations of the department promulgated pursuant thereto. All sums recovered shall be placed in the state treasury.

(2) Any person who engages in surface coal mining operations without first securing a permit, as provided in KRS 350.060, or any person who engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the department pursuant to KRS 350.057 or regulations promulgated pursuant thereto, or any person who engages in mining operations, without proper authorization as required by the department pursuant to KRS 350.029 or regulations promulgated pursuant thereto, shall be liable to a civil penalty for damages to the Commonwealth of not less than five thousand dollars ($5,000) nor more than twenty-five thousand dollars ($25,000) and in addition, may be enjoined from continuing such violations as hereinafter provided. Each day shall constitute a separate violation. However, the penalties provided for in subsection (1) of this section shall apply in lieu of the penalties provided for in this subsection where an operator through inadvertence has exceeded the boundaries or expiration date of the permit in effect at that time.

(3) It shall be the duty of the department's office of general counsel or, upon the secretary's request, of the attorney general to bring an action for the recovery of the penalties herein provided for and to bring an action for a restraining order, temporary or permanent injunction, against any operator or other person violating or threatening to violate any of the provisions of this chapter or violating or threatening to violate any order or determination promulgated pursuant to the provisions of this chapter. The Franklin Circuit Court shall hold concurrent jurisdiction and venue of all civil and injunctive actions instituted by the department or by the attorney general on its behalf for the enforcement of the provisions of this chapter or the orders, rules, and regulations of the department promulgated pursuant thereto.

(4) Any person who shall knowingly and willfully violate any of the provisions of this chapter, except as provided in subsection (5) or any determination or order promulgated pursuant to the sections of this chapter which have become final shall be guilty of a misdemeanor and upon conviction thereof shall be punished by a fine of not more than ten thousand dollars ($10,000) or by imprisonment for not more than one (1) year, or both. Each day on which such violation occurs may constitute a separate offense.

(5) Any person who, in violation of KRS 350.060, willfully and knowingly engages in surface coal mining operations without first obtaining a permit from the department or any person who willfully and knowingly engages in coal exploration operations, exclusive of core drilling, without proper authorization, as required by the department pursuant to KRS 350.057 or regulations promulgated pursuant thereto, or any person who willfully and knowingly engages in mining operations without proper authorization as required by the department pursuant to KRS 350.029 or regulations promulgated pursuant thereto, with the intent to violate such laws shall be guilty of a Class D felony and upon conviction thereof shall be imprisoned for at least one (1) but not more than five (5) years and may be fined an amount not to exceed ten thousand dollars ($10,000).

(6) Any person who violates any of the provisions of KRS 350.600 or regulations promulgated pursuant thereto shall be subject to civil penalties of not more than twenty-five thousand dollars ($25,000). Each day of continuing violation shall be deemed a separate violation.

(7) Any person who knowingly makes any false statement, representation or certification, or knowingly fails to make any statement, representation, or certification in any application, record, report, plan, or other document filed or required to be maintained by the department, shall upon conviction be guilty of a misdemeanor and shall be imprisoned for a term of up to one (1) year, or be fined not more than ten thousand dollars ($10,000), or both.

(8) Except as permitted by law, any person who shall willfully resist, prevent, impede, or interfere with the secretary or other personnel of the department in the performance of duties pursuant to this chapter shall, upon conviction, be fined not more than five thousand dollars ($5,000) or imprisoned for not more than one (1) year, or both.

(9) Whenever a corporate permittee violates any provision of this chapter or regulation issued pursuant thereto or fails or refuses to comply with any final order issued by the secretary, any director, officer, or agent of such corporation who willfully and knowingly authorized, ordered, or carried out such violation, failure or refusal shall be subject to the same civil penalties, fines, and imprisonment as may be imposed upon a person pursuant to this section.

(10) Any person found in violation of KRS 350.060(11) shall be fined not more than five hundred dollars ($500) for each violation, nor less than fifty dollars ($50.00).

(11) Upon notice by the secretary that any surety has failed to comply with the provisions of KRS 350.032(3), the commissioner of the Kentucky department of insurance shall revoke the surety's certificate of authority to conduct insurance business within the Commonwealth of Kentucky.

HCR 96, A CONCURRENT RESOLUTION requiring a study of motor vehicle licensing and usage tax collection.

WHEREAS, recent audits by the auditor of public accounts of two county clerks who died in office revealed large debts to the state; and

WHEREAS, the debts of the two county clerks were, in great measure, shortages in fees and taxes collected upon motor vehicle registration or transfer; and

WHEREAS, the county clerks would like to be audited on a timely basis so they will know at the end of each year if they have outstanding debts; and

WHEREAS, the transportation cabinet has the statutory responsibility to audit county clerks for their motor vehicle registration and transfer responsibilities; and

WHEREAS, the transportation cabinet has not maintained the staff necessary to audit the county clerks on a timely basis, and was at the beginning of the current administration approximately eighteen man years behind in its audit responsibilities; and

WHEREAS, failure to account accurately for documents, plates, fees and taxes related to motor vehicle registration is potentially very costly to the state;

NOW, THEREFORE,

Be it resolved by the House of Representatives of the General Assembly of the Commonwealth of Kentucky, the Senate concurring therein:

Section 1. That the Legislative Research Commission is directed to conduct a study of the inventory control of documents, decals, plates and other items related to the registration and transfer of motor vehicles, and of fee and tax payments related to motor vehicle registration and transfer. Section 2. A report and recommendations shall be presented to the Legislative Research Commission no later than July 1, 1985.

Section 3. Staff services to be used in completing this study are estimated to cost $15,000. These staff services shall be provided from the regular commission budget and are subject to the limitations and other research responsibilities of the commission.
